## **TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)**

### **FOR THE YEAR ENDED 31 MARCH 2020**

---

The Trustees present their report and financial statements for the year ended 31 March 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

#### **Objectives and activities**

The Charity's objects are to further or benefit the residents of London Borough of Richmond without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents, centre members and the local authorities, voluntary or other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for the recreation and leisure time occupation with the objective of improving the quality of life for the elderly, focusing on relieving loneliness and isolation.

The aims of the Charity are to promote social inclusion for the public benefit amongst vulnerable adults who are socially excluded. For the purposes of this clause 'socially excluded' means adults who are excluded from society, or parts of society as a result of one or more of the following factors: old age; disability; loneliness; isolation; physical and mental health disabilities. The Charity objects also aim to relief those in need in any manner charitable in law.

The aims of the Charity are to consult and learn from the older people in our membership and the local community. We will develop new activities based on our research and will be prepared to develop these further or drop them if they are found to be lacking in support.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

The most significant activity is the service and support to older people. We aim to be friendly and encouraging. We provide a mid-day meal at a reasonable cost and a wide range of activities on each day of the week, Monday to Friday. Our aim is to offer at least two daily activities taking into account the varying disabilities of some of our members. We believe providing activities gives the members the opportunity to socialise and make new friends, learn new skills and to build up their confidence. This all helps to increase self-esteem. These in turn help to relieve the isolation and boredom of being at home by themselves.

The Charity is reliant on voluntary help. During the year we had five part-time members of staff. All the rest of the tasks are dealt with by volunteers.

#### **Achievements and performance**

We are a vibrant and very much 'alive' social centre, offering a wide choice of activities, conversation and laughter. It is enjoyable to be involved.

Performance against objectives was met.

There has been no investment during this period but the trustees regularly review the investment strategy and relevant opportunities.

Maintaining our present level of volunteers is crucial to providing the services we offer. We continue to recruit new trustees and volunteers from outside sources.

#### **Financial review**

Our gross income was £186,594 (2019 - £153,350), exceeding expenditure by £10,169 (2019 - £1,928)

## TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 MARCH 2020

---

Our reserves policy is to have approximately six months reserves. We are currently above this level but some of our current reserves will be used for the necessary refinements in our centre or considered within our investment strategy.

Our principal funders were London Borough of Richmond upon Thames (via a contract with Richmond Advice & Information Disability, from April 2019 to the end of October 2019 and via Aged UK Richmond from November 2019 to March 2020) and The Hampton Fund. Most of the core services are backed by the LBRuT Grant and The Hampton Fund finances our Activities & Volunteers Co-ordinator's post.

The current investment policy is to keep the reserves we have in the bank accounts. In total, we have unrestricted reserves of £133,076 (2019 - £125,578). The Trustees have reviewed and considered that adequate resources continued to be available to fund the activities of the charity for the foreseeable future.

The Trustees have agreed that £35,000 should be set aside and allocated for the future purchase of furniture and fittings for the proposed new centre, in order to maximise our community service potential.

The Trustees have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.  
None of the management trustees hold any property related to the Charity.

#### Key Objectives for the future:

- To continue to provide a warm, welcoming and safe environment, offering a wide choice of activities to promote independence and wellbeing.
- To offer volunteering opportunities to people living in the local community.
- To meet the targets set within our contract with Richmond Advice & Information Disability (RAID) from April 2019 to October 2019 and via Aged UK Richmond from November 2019 to March 2020, to enable us to continue to receive funding.

#### Structure, governance and management

On 15 January 2019, a special resolution was agreed and passed by members to change the charity's name from Teddington Old People's Welfare Association to Elleray Community Association. On 5 March 2019, the name of the charity was formally registered with the Registrar of Companies for England and Wales.

The Charity is a company limited by guarantee and was set up by a Memorandum and Articles of Association on 7th December 2012. The Charity gained charitable status (registered charity number 1150261) on 20th December 2012.

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF ELLERAY COMMUNITY ASSOCIATION

---

I report to the Trustees on my examination of the financial statements of Ellera Community Association (the Charity) for the year ended 31 March 2020.

#### Responsibilities and basis of report

As the Trustees of the Charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 31 MARCH 2020**

---

### **1 Accounting policies**

#### **Charity information**

Elleray Community Association is a private company limited by guarantee incorporated in England and Wales. The registered office is Elleray Hall, Elleray Road, Teddington, Middlesex, TW11 OHG, United Kingdom.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

#### **1.4 Incoming resources**

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2020

### 1 Accounting policies

(Continued)

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

#### 1.5 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% reducing balance
-----------------------	----------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

#### 1.7 Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

#### 1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

#### 1.9 Financial Instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### 1 Accounting policies

(Continued)

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.
