**Objectives and activities**

***Objects and aims***

To enhance the development and education of children under statutory school age, by encouraging parents to understand and provide for the needs of their children through community groups.

To ensure that all children are given an opportunity to achieve their full potential, in a safe and secure environment, whilst ensuring that we remain accessible to all sections of the local community.

***Objectives, strategies and activities***

The charity is a small pre-school education setting for children aged between 2 and 5 years. We provide care between 9.00am and 4.30pm Monday to Friday for up to 24 children at one time. We provide half day and full day sessions. The pre-school works closely with the local community and is proud of the relationships that we have gained.

***Public benefit***

Our pre-school is open to all in our local community between the ages of 2 and 5 years old. We advertise locally and work with the local authority to ensure that we are inclusive. We work within the framework of the Early Years Foundation Stage (EYFS) and we believe that all children deserve the best possible start in life.

The Trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

**Achievements and performance**

We had 8 children aged 3 stay for their nursery year, this is 3 more children than the previous year. We raised £1,748 in fundraising through the Christmas makes, a "welly wang" and the summer raffle.

**Financial review**

The results for the year are set out in the Statement of Financial Activities.

**Trustees' Report**

***Policy on reserves***

Unrestricted free reserves at the year end were £37,401 (2018: £54,343). Our current account has a fluctuating balance which includes £18,500 to cover additional expenditure and reduced income during the autumn term, when the number of children attending the pre-school is traditionally lower. This allows the pre-school to continue to pay staff salaries and utility costs and ensures that parents and staff feel secure with the pre-school's future. Our reserves are also kept to cover redundancy payments, should the pre-school close and also enables us to perform maintenance and repairs upon our buildings.

***Principal funding sources***

Our principal funding sources are unrestricted grants of "Nursery Education Funding" which is funded by Stoke-on-Trent City Council, fees from parents who are able to afford a contribution towards their child's early learning education provision and employer childcare voucher schemes.

**Structure, governance and management**

***Nature of governing document***

The Charity is operated under the rules of its constitution adopted on 16 June 1993 and amended in November 2012 and November 2015.

***Recruitment and appointment of trustees***

Trustees are appointed at our Annual General Meeting each year and are voted on by parents who have children attending the pre-school.

***Major risks and management of those risks***

***Occupancy Levels***

Our main issue which we face are the number of children who reach the statutory age for starting a primary school education, which we lose from our register and this drastically affects occupancy levels during the first term of the school year, particularly in September.

We advertise locally and complete marketing exercises such as leaflet drops within the surrounding area. We also hold reserves to take into account the covering of expenses when our income rates are lowered, particularly during the autumn term.

**Important non-adjusting events after the financial period**

The Covid-19 pandemic has had a serious effect on the pre-school, we closed to children on the 23 March 2020 expecting a few keyworker children, no keyworker children attended so the pre-school furloughed all staff except a manager and a new member of staff who could not be furloughed, (we have been able to claim 27.5% and then have made wages up to the 80%). The manager and one staff member continued to attend doing paperwork and small maintenance jobs. As the pre-school has been unable to take any new children and are unable to show prospective parents around the setting numbers for September 2020 are looking very low. We, as a committee, have made the decision to make some redundancies, this will reduce weekly costs to hopefully enable us to continue until numbers of children and parental confidence is regained.

### **Independent Examiner's Report to the trustees of Trentham Playgroup**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 July 2019 which are set out on pages 6 to 18.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Trentham Playgroup you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trentham Playgroup's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Trentham Playgroup as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements for the Year Ended 31 July 2019**

**1 Accounting policies**

**Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

**Basis of preparation**

Trentham Playgroup meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

**Exemption from preparing a cash flow statement**

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

**Going concern**

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

**Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

**Grants receivable**

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

**Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

## **Trentham Playgroup**

### **known as Trentham Pre-School**

## **Notes to the Financial Statements for the Year Ended 31 July 2019**

### ***Raising funds***

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

### **Tangible fixed assets**

Individual fixed assets costing £500 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Asset class**

Buildings

Fixtures, Fittings and Equipment

#### **Depreciation method and rate**

0% - the residual value is not materially different from the carrying value of the asset

20% - on a straight line basis

## **Trentham Playgroup**

### **known as Trentham Pre-School**

#### **Notes to the Financial Statements for the Year Ended 31 July 2019**

##### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### **Trade creditors**

are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Financial instruments**

###### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

**Trentham Playgroup**  
**known as Trentham Pre-School**

**Notes to the Financial Statements for the Year Ended 31 July 2019**

**Recognition and measurement**

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

**Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

**20 Non-adjusting events after the financial period**

The Covid-19 pandemic has had a serious effect on the pre-school, we closed to children on the 23 March 2020 expecting a few keyworker children, no keyworker children attended so the pre-school furloughed all staff except a manager and a new member of staff who could not be furloughed, (we have been able to claim 27.5% and then have made wages up to the 80%). The manager and one staff member continued to attend doing paperwork and small maintenance jobs. As the pre-school has been unable to take any new children and are unable to show prospective parents around the setting numbers for September 2020 are looking very low. We, as a committee, have made the decision to make some redundancies, this will reduce weekly costs to hopefully enable us to continue until numbers of children and parental confidence is regained.
