Report of the Trustees  
for the Year Ended 31 March 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The objective of the Charity as defined in the Memorandum is to apply the funds and assets of the Charity for the relief of deprived young people in South Africa and particularly those who are homeless, those who have not had the benefit of a formal education or those in detention or prison. To fulfil this objective, the Charity supports the work of the Nelson Mandela Children's Fund, a charitable trust established by the late President Nelson Mandela in South Africa. The Charity can also provide support to other South African organisations engaged in educational and charitable efforts relating to deprived youths in South Africa.

The Charity does not normally undertake any significant fundraising events of its own but usually assists and participates in events and activities undertaken by others on the basis that the Charity is named as one of the beneficiaries of the relevant event. During the year ended 2020, approximately 79% (2019: 77%) of the Charity's income was derived from donations, gifts and legacies, with the balance deriving from fundraising activities.

The primary activity of the Charity is the raising of funds for various programmes and projects of the Nelson Mandela Children's Fund, including in particular the Nelson Mandela Children's Hospital, a project initiated by the Nelson Mandela Children's Fund in South Africa to establish a dedicated, specialist, referral and academic children's hospital in South Africa that focuses on enhancing the healthcare experienced from the child's perspective. The hospital started receiving its first patients in June 2017 as planned. Since then, the number of patients treated daily had been increased in phases according to plan.

### **Public benefit**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Organisation's aims and objectives. As several grants were made during the year, the Trustees are satisfied that the Organisation's activities as described above meet the public benefit requirements determined in the Charities Act 2011.

### **Grantmaking**

Grants from the Charity should be made to organisations in South Africa which have the expertise and infrastructure to utilise the grants to achieve the objectives of the Charity, namely the relief of deprived young people in South Africa.

## **FINANCIAL REVIEW**

### **Financial position**

During the year ended 31 March 2020 a grant of £80,000 was made to the Nelson Mandela Children's Fund in South Africa (2019: £none). The Charity raised £47,242 (2019: £37,485) from fundraising activities and received £10,471 (2019: £26,049) in donations and gifts and £99,656 from legacies (2019: £26,500) during the year. At 31 March 2020, the Charity held unrestricted reserves of £38,546 (2019: £61,140) and restricted reserves of £46,031 (2019: £46,031).

Donated services and facilities during the year ended 31 March 2020 amounted to £65,637 (2019: £70,123).

### **Investment policy and objectives**

The funds of the Charity are invested in rolling short-term money market or bank deposits until such date they are required for grants to the Nelson Mandela Children's Fund or other South African organisations engaged in educational and charitable efforts relating to deprived youths in South Africa.

### **Reserves policy**

The Charity will maintain a level of reserves that is considered sufficient, by the Trustees, to cover its expected cash costs for at least one year. Accordingly, the unrestricted reserve will be distributed at the discretion of the Trustees by way of grants to the Nelson Mandela Children's Fund or other South African organisations engaged in educational and charitable efforts relating to deprived youths in South Africa. The restricted reserve fund will be distributed in accordance with the applicable restrictions placed on the funds received.

Report of the Trustees  
for the Year Ended 31 March 2020

## **FINANCIAL REVIEW**

### **Going concern**

The Trustees have considered the Charity's going concern position in light of its activities, together with the factors likely to affect its future development, performance and position which are discussed in the above sections of this report. Given the cash outflows in the form of grants are discretionary and the Charity has little overhead expenditure, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the going concern basis has been used in preparing the annual report and financial statements.

### **FUTURE PLANS**

The Charity's strategy is to continue to:

- receive funds to provide grant support to the Nelson Mandela Children's Fund and other organisations engaged in educational and charitable efforts relating to deprived youths in South Africa, in order to fund their respective charitable activities; and
- provide advocacy initiatives and assistance in the UK and Europe for the Nelson Mandela Children's Fund and the Nelson Mandela Children's Hospital which was established by the Nelson Mandela Children's Fund.

The strategy is not expected to change in the foreseeable future. The Charity plans to continue the activities outlined above in the forthcoming years subject to adequate funding arrangements.

Maitland Advisory Limited assisted with the establishment of the Charity in May 1996 and, since then (i.e. 24 years) continued to provide donated services in the form of office space and facilities, IT infrastructure and support, secondment of the Ms Catherine Scott to work full time for the benefit of the Charity and the like. Regrettably, due to internal restructuring, Maitland ceased providing the donated services with effect from 1 May 2020, at which time Ms Catherine Scott became a full time employee of the Charity. However, in lieu of the donated services, Maitland undertook to make monthly cash donations to the Charity approximately equivalent to the value of the donated services, at least until 30 April 2021. The Trustees thank Maitland most sincerely for their generous and unwavering support over many years, although words are not sufficient to express the deep gratitude that is actually felt.

The primary risk facing the Charity at this time arises from the Covid 19 pandemic. It is well publicised that the pandemic, with its consequential lock down and subsequent restrictions, has had a devastating effect on the voluntary sector in the UK, particularly with regard to fund raising other than in the domestic health care sectors. The Charity has taken all necessary steps to recuse expenses as much as possible, including a near 25% salary reduction for Ms. Catherine Scott, relinquishing office space in favour of working from home and moving the Charity's IT infrastructure to the cloud. The Trustees are immensely grateful to Ms Catherine Scott (the Charity's executive director) and Mrs. Barbara Grillmaier (Fundraising consultant) for the tireless efforts they have put in during these difficult times to not only keep the Charity going, but to continue raising funds with some significant successes.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

### **Charity constitution**

Nelson Mandela Children's Fund (UK) (the "Charity") is a company limited by guarantee and is governed by its Memorandum and Articles of Association dated 29 May 1996. It changed its name from Friends of the Nelson Mandela Children's Fund, by special resolution from Companies House, to Nelson Mandela Children's Fund (UK) on 9 December 2003. The company registration number is 03207203. The company is registered with the Charity Commission under Charity number 1055899.

### **Founder**

The late President Nelson R Mandela

Report of the Trustees  
for the Year Ended 31 March 2020

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Recruitment and appointment of new trustees**

Trustees are appointed by the members at general meetings of the Charity. One third of the Trustees are required to retire by rotation at each Annual General Meeting of the Charity, but are eligible for re-election. No person other than a Trustee retiring by rotation may be appointed or reappointed at any general meeting unless that person is recommended by the Trustees, or not less than fourteen days' notice has been given by a member of the intention to propose such person as a Trustee.

**Organisational structure**

Material decisions of the Charity are taken by the Board of Trustees. The day-to-day running of the Charity is managed by Miss Catherine Scott, who during the year to 31 March 2020 was seconded by Maitland Central Services Limited to serve the Charity on a full-time basis. Since 1 May 2020, Miss Scott has been employed on a full time basis and continues to manage the day to day running of the Charity, assisted by an independent professional fundraiser consultant.

Whilst there have been no new Trustees join the Charity in the year, when there is a change, it is normal practice for the Charity to induct new Trustees by providing governance literature published by the Charities Commission and ensuring the new Trustees meet the key individuals in the Charity.

**Risk management**

During the year, the Trustees have reviewed the major risks that the Charity may face which are funding and liquidity, as identified by the Trustees, and have established suitable systems and procedures to mitigate those risks.

The principal risks and uncertainties facing the Charity are a fall in income as a result of:

1. the demand for charitable funding for significant number of man-made and natural disasters facing the world at present; and
2. the uncertain political environment following the vote by the UK to leave European Union.

The Trustees have sought to mitigate the impact of these risks by maintaining a low cost base and a relatively low commitment to future costs, and working closely with the Nelson Mandela Children's Fund in South Africa on its continually evolving strategy.

Approved by order of the board of trustees on 25 September 2020 and signed on its behalf by:

M E Solomon - Trustee

**Independent examiner's report to the trustees of NELSON MANDELA CHILDREN'S FUND (UK) ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2020.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements were approved by the Board of Trustees and authorised for issue on 25 September 2020 and were signed on its behalf by:

## 1. ACCOUNTING POLICIES

### **Basis of preparing the financial statements**

The financial statements of the Charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention and on the going concern basis.

### **Incoming resources**

All income is recognised in the Statement of Financial Activities when the conditions for receipt have been complied with. Where a claim for repayment of income tax has or will be made, such income is grossed up for the tax recoverable. The following accounting policies are applied to income:

### **Donations and fundraising income**

Donations and all other receipts from fundraising activities are reported gross and the related fundraising costs are reported in other expenditure.

### **Gifts in kind, donated goods and facilities**

Donated services and facilities are included at their estimated value and the corresponding expenditure included under the appropriate heading. All estimates of value of gifts are made by the Trustees.

### **Resources expended**

Expenditure is included when it is incurred. The Charity's costs are allocated between fundraising and publicity, costs of generating voluntary income, support costs and governance costs.

### **Fundraising and publicity**

Fundraising and publicity costs represent expenditure incurred on fundraising activities.

### **Costs of generating voluntary income**

Costs of generating voluntary income include all costs incurred by the Charity in producing voluntary income.

### **Support costs**

Support costs represent expenditure incurred in the management of the Charity's assets, organisational and administration requirements. Support costs are allocated based on staff time. As staff time spent on charitable activities and governance costs is negligible, all support costs are allocated to costs of generating funds.

### **Governance costs**

Governance costs represent expenditure incurred in the preparation and examination of the statutory financial statements.

### **Direct charitable expenditure**

### **Grants payable**

Grants payable are accounted for when the Trustees have accepted a legal or moral obligation to make the grant.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**1. ACCOUNTING POLICIES - continued**

**Taxation**

As a registered Charity, Nelson Mandela Children's Fund (UK) is exempt from taxation of income and gains falling within Chapter 3 of Part 11 to the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent these are applied to its charitable objects. No tax charge has arisen in the year.

**Fund accounting**

General unrestricted funds represent funds which are expendable at the discretion of the Trustees in the furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor and are not permitted for use in financing working capital and capital investment except to the extent permitted by the donor.

**Pension costs and other post-retirement benefits**

The Charity did not operate a pension scheme during the year ended 31 March 2020. With effect from 1 May 2020 the Charity operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme will be charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

Financial assets and financial liabilities are recognised when the Charity becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at transaction price (including transaction costs). The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Critical accounting judgements and key sources of estimation uncertainty**

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.

## **11. FUNDS**

The Nelson Mandela Children's Hospital fund was established to receive income restricted for the Nelson Mandela Children's Hospital, a project initiated by the Nelson Mandela Children's Fund in South Africa to establish a dedicated, specialist, referral and academic children's hospital in South Africa. As such, the fund is only available for grants made to the Nelson Mandela Children's Hospital Trust in South Africa.

Sustainable Livelihoods fund was established to receive restricted income for the Charity's Sustainable Livelihoods programme, a programme in South Africa which addresses poverty in isolated, rural communities. The programme works at strengthening communities and families who are facing extreme poverty.
