

## Trustees Annual Report, 2018-2019

### **Registered Trustees:**

Dr Will Stanley (Chair)

Mr Martin Ojuroye (Treasurer)

### **Background**

Established in 2016, Newcastle Athletics Development Association (NADA) is a charity which aims to improve the standard and accessibility of athletics facilities in Newcastle upon Tyne. NADA operates, and is managed by a group of committed volunteers. This report provides an overview of activities delivered in the name of NADA for the purpose of their charitable objectives in the calendar year 2018.

### **Main Activities**

The focus and attention of NADA has centred on the redevelopment of the City Stadium site in the Ouseburn area of Newcastle. This follows the community consultation exercise completed in 2017 that gave clear indication that a purpose built, open-access, outdoor athletics facilities would be greatly appreciated by a wide demographic of stakeholders.

As the development of the City Stadium site is largely in the control of two major stakeholders, Newcastle City Council and Urban Green Newcastle, our charity has had a limited capacity for the majority of the year. We continue to liaise with Newcastle City Council on potential use of the City Stadium.

### **Trustees**

Mr Alex Black stepped down as a Trustee on 31<sup>st</sup> March 2019 and Dr James Dunce on 31<sup>st</sup> October 2019. NADA would like to thank both of them very warmly for their enormous contribution and dedication to every aspect of the work undertaken by NADA, from inception. We wish them both great success in their new pursuits.

Mr Martin Ojuroye took up the reigns of Trustee and Treasurer on 18<sup>th</sup> October 2019. We welcome Martin to the team and look forward to working with him. We anticipate a further Trustee appointment in early 2020.

***Financial statement***

NADA raise funds from the public and use these to contribute to charitable activities solely for the purpose achieving their charitable objectives.

The 2019 financial year (1<sup>st</sup> January to 31st December, as per NADAs constitution) was quiet for NADA (as noted above) – this financial statement reflects that.
