## <u>Trustee's Annual Report for Year Ending</u> 31st December 2019

## STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity (RSPCA Aberconwy Branch) is constituted as an unincorporated association. The charity operates as an autonomous branch of the National RSPCA subject to its rules for branches (as updated in 2006).

A committee, elected at the AGM governs the branch, who are trustees of the Branch. All trustees are briefed on their responsibilities as trustees prior to their acceptance of the role.

The trustees hold monthly meetings at which decisions are made. Day to day running of the shop is delegated to the shop manager, and the day to day of the Animal Welfare clinic and mobile veterinary clinic is delegated to the clinic manager.

The trustees actively review the risks, which the charity faces on a regular basis through regular meetings of the trustees that cover operational and financial reviews. The trustees also examine other operational and business risks which have been identified as:

- 1. Inability to operate the shop, animal welfare clinic or mobile clinic because of fire or other destruction;
- 2. Loss of reputation through error or fraud;
- 3. Loss of income through error or fraud;
- 4. Insufficient funds to cover the costs of animal welfare activities.

### **OBJECTS, OBJECTIVES AND PRINCIPAL ACTIVITIES**

The objectives of the branch are to promote the work and objects of the National Society of the RSPCA, with particular reference to the area of the branch.

The key aims are to provide low cost veterinary care to as many members of the public as possible who are on means tested benefit, providing low cost neutering, and low cost microchipping for cats and dogs.

We also operate a shop which is the main provider of the funds needed for our activities. The shop is open six days a week, fifty two weeks of the year. This is achieved by our small band of dedicated volunteers. The committee would like to express our gratitude for all the hours of work our volunteers give to the shop. They are all worth their weight in gold and we could not do it without them.

## **ACHIEVEMENTS AND PERFORMANCE**

The economic downturn is still having a serious effect on this area. Many shops, including charity shops have closed and remain so at present. Our charity shop has

weathered the storm and our income remains to be stable. Our animal welfare clinic and mobile clinic have experienced even greater demands on their services.

This year the clinic has treated 2094 animals and the mobile 2909 animals, giving a total of 5003 animals being treated by the Aberconwy branch. We have also successfully:

- Rehomed 31 animals (30 cats and 1 other)
- Neutered 215 animals (41 dogs, 176 cats, 1 rabbit and 1 other)
- Microchipped 24 animals (16 dogs and 8 cats)
- Rehabilitated 25 wildlife cases (16 of which were released back into wild).

What we have achieved this year could not have been done without our dedicated and loyal volunteers in the clinic and on the mobile. We would like to thank all our volunteers, as well as our four veterinary surgeons Jim Mason, Alison Holdam, Ann Owen and Lowri Kneale for their dedication and often long hours.

Also our administrative staff, Pam Wilson (clinic manager) and Kelly Dilworth (ANA, SQP), who each week really do go above and beyond the call of duty for the animals. They too are worth their weight in gold.

We would like to offer our best wishes to Jim Mason, our mobile vet, who has undergone surgery, and wish him a speedy recovery. We look forward to welcoming him back soon. A huge thank-you from all the committee to all these dedicated people and to the committee themselves who keep the Aberconwy Branch running.

### **FINANCIAL REVIEW**

Due to the continued financial support we have received from other branches including, RSPCA West Gwynedd Branch, RSPCA Colwyn and Clwyd Branch, RSPCA Llys Mon, and RSPCA Wrexham branch, together with legacies, we have been able to stay out of the red and in the black so thank you very much to them, however, we must continue to look for further savings.

## **INVESTMENT POLICY**

Our policy remains unchanged, at least 50% of our investments to be held in fixed interest securities. This policy has served us well during the present economic downturn.

## **STATEMENT OF TRUSTEES RESPONSIBILITIES**

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the charity's financial activities during the year, and of its financial position at the end of year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and;

- 1. Select suitable accounting policies and then apply them consistently;
- 2. Make judgements and estimates that are reasonable and prudent;

- 3. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- 4. Prepare the financial statements on the going concern basis unless it is inappropriate that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy, the financial position of the charity and which will enable them to ensure that the financial statements comply with applicable law, regulations and trust code. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Trustees approved this report on 13th May 2020.
