An explanation of the charity's main objectives for the year.

The main objectives for the year continued to be that of facilitating the spiritual well being of the congregation by ensuring that adequate administrative resources were available to observe all the regular festivals and cultural activities as well as to inspire people to give their time for the advancement of Hindu Religion and voluntary service.

Strategies for achieving objectives

The management committee aims to advance and promote the religious and cultural interests of the followers by providing a safe place for worship and facilities to encourage our younger generation to participate in religious and cultural activities.

Distribute and disseminate knowledge concerning the teachings of Lord Shree Swaminarayan; through holding regular religious discourses, katha parayan, celebration of religious festivals and to encourage youngsters and older devotees to be part of these activities. Promotion of charitable purpose in connection with the Charity and the advancement of the cultural interests of the devotees of the Charity are also key components of the strategies. The Trustees hope to implement their strategies by maintaining and managing a centre or centres for activities to a very high standard to ensure the well being of the worshippers.

Activities for achieving objectives

The Charity continues to attract an increasing number of followers each year. This year was no exception, with many devotees attending the Temple and taking part in daily activities.

The Charity celebrated various festivals during the year, including Diwali (New Year), Janmashtami birth of Lord Shree Krishna), Ramnavmi (Birth of Lord Shree Ram and Lord Shree Swaminarayan), Shivratri etc.

The Charity's donation making policies

The Trustees consider making donations to local and other organisations as they deem worthy. Donations are also made from time to time for natural disasters and relief around the world.

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2019**

OBJECTIVES AND ACTIVITIES

Public benefit

The charity has achieved the public benefit objectives by meeting the spiritual requirements of the congregation. This was achieved by holding the daily sabhas, arti and discourses. All key festival and religious dates are observed and celebrated by the devotees. Parayans are organised for religious educations and spiritual advancement with the help of Saints from Ahmdavad & Vadtal Gadis. Young persons' sabhas were held on Sundays & Wednesdays where youngsters from any faith are welcome.

The congregations welfare needs were also met with the various programs and activities as listed below.

Volunteers

The Charity depends heavily upon the continuing support of devotees. We also thank all volunteers for the hard work during the year, particularly those working within the areas of Prashad preparations, various educational activities, car park duties, Library, cleaning, organised special events, decorations, Naryal and other religious activities and pray that they continue to serve Lord Shree Swaminarayan in the future.

Although volunteer contribution is integral to the contribution of the Charity, It is difficult to quantify the number of voluntary hours served by the devotees.

FINANCIAL REVIEW

Principal funding sources

Apart from the income generated by Donations, Naryal, Tulsi Vivah, Thakar Thari, Hindola, Ramnavmi and Janmashtmi, the principal funding sources for the Charity are currently by way of Darshan, Aarti, Thar, Diwali and Ankot.

Charity's funds are being used in the short term for the running of the Temple activities, together with improving the facilities of the Temple, hence assisting in the furtherance of the Charity and supporting its key objectives.

Investment policy and objectives

The Trustees' investment powers are covered by the Trustees' governing document and allow the Trustees to invest surplus funds to generate income with which to fund future activities.

The Trustees' investment policy is to aim for safety, commensurate with immediate and planned spending requirements and given the current uncertainties in the financial markets, the Trustees consider it appropriate to be holding funds in deposit accounts where they achieve a steady return.

Reserves policy

The Executive Committee have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('free reserves') held by the charity should be between 9 to 12 months of the resources expended, which equates to £300,000 in general funds: At this level, the Executive Committee feels that they would be able to continue current activities of the charity.

Based on the future plans as detailed below, the Executive Committee feels that there are sufficient funds available to meet these activities in the coming year.

To reduce the risk of over expenditure, procedures for authorisation of all transactions and projects exist. To further mitigate the risks, the Executive Committee will carry out periodic reviews of the progress of objectives stated.

Restricted funds amounting to £420,101 (2018: £230,944) are not available for general purpose. The restricted funds are to be used for the renewal and replacement of the Singhasan including any related costs.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

FUTURE PLANS

In 2019, the Trustees carried out a review of the Charity's activities and produced a medium and long term plan as detailed below to enable the Temple to meet its objectives.

- To undertake major temple upgrade of facilities and Ghanshyam Maharaj Singhasan. These are anticipated to be major costs for the next few years.
- As part of our long term plans, the temple is working towards programmes and facilities for our elderly devotees.
- To identify and invest in facilities geared towards expanding sporting, cultural and life skills for our members and the local community. In the current year, the Trustees continued the search for suitable facilities and fields to achieve this.
- To facilitate the usage of the Nilkanth Hall and Ghanshyam Hall to obtain maximum benefit for the Temple and devotees.
- Maintain and improve existing Temple facilities and to fulfil our statutory obligation of hygiene and safety as well as providing a comfortable and congenial environment for praying.
- Continue to maintain high standards of the education building including installation of facilities for the disabled.
- Continue publication of Literature in English.
- Organise additional Hinduism classes.
- Organise further Bal Mandal trips and Shibirs.
- Establish relationships with local schools for religious education.

Risk management

The Trustees identify the major risks to which the Charity is exposed to each financial year when preparing and updating a strategic plan, in particular, those areas related to the operations and finances of the Charity. The Trustees then review any major risks which have been identified and establish systems to mitigate those risks.

Among the major risk of the Charity is the possibility of endangering the worshipper's safety and comfort in any way. This is mitigated by the support of experienced stewards and maintenance teams who ensure that all such aspects are covered by appropriate training and monitoring procedures.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2019**

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
SHREE KUTCH SATSANG SWAMINARAYAN TEMPLE
(MANDIR) LONDON**

Opinion

We have audited the financial statements of Shree Kutch Satsang Swaminarayan Temple (Mandir) London (the 'charity') for the year ended 31 December 2019 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2019 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
SHREE KUTCH SATSANG SWAMINARAYAN TEMPLE
(MANDIR) LONDON**

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Section 144 of the Charities Act 2011 and regulations made under Section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Incoming resources

Income from donations and grants, including capital grants, is Included when these are receivable, except as follows:

- investment properties whose fair value can be measured reliably without undue cost or effort are held at fair value. Any gains or losses arising from changes in the fair value are recognised in Statement of Financial Activities in the period that they arise.
- When donors impose conditions which have to be fulfilled before the charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the preconditions for use have been met.
- When donors specify that donations and grants, including capital grants, are for particular restricted purposes, which do not amount to pre-conditions regarding entitlement, this income is included in incoming resources of restricted funds when receivable.
- Gifts in kind are valued by the amount stated on the receipt if provided by the donor. Where no receipt is available, the items are valued by multiplying the weight with the prevailing price on the respective precious metal or commodity exchange in London at the respective wholesale price of each, plus a fixed value for labour per gram.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Interest receivable

Interest receivable is recognised in Statement of Financial Activities as they accrue, using the effective interest method.

Resources expended

The policy for including items within the relevant activity categories of resources expended is that expenditure is charged to the Statement of Financial Activities on an accruals basis, inclusive of VAT which cannot be recovered and is classified as follows:

Costs of generating funds

The costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable activities

Charitable expenditure shall include all expenditure directly related to the objects of the charity including the following:-

Activities in furtherance of the charity's objectives and aims.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature to support them.

Governance costs

Governance costs shall include all expenditure directly related to the administration of the charity including expenditure incurred in the management of the charity's assets, organisational administration and compliance with charitable and statutory requirements.

1. ACCOUNTING POLICIES - continued

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:-

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	1% Straight line basis
Furniture & Equipment	20% Reducing Balance
Murtis & Valuables	NIL

Freehold buildings have been depreciated at 1% as the Charity follows a program of regular refurbishment and maintenance of its properties. This includes reinstatement of the fabric of buildings, where necessary, in order to maintain them to the highest level. Accordingly, in the opinion of the Trustees, the depreciation provided is appropriate.

Investment property

Investment properties are properties which are held either to earn rental income or for capital appreciation or for both. Investment properties are recognised initially at costs.

Subsequent to initial recognition:

- i investment properties whose fair value can be measured reliably without undue cost or effort are held at fair value. Any gains or losses arising from changes in the fair value are recognised in Statement of Financial Activities in the period that they arise.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

As a registered charity, the charity is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Judgments and key sources of estimation uncertainty

Sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of the assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below:

- Fair value of investment property - The investment property valuation contains a number of assumptions upon which the trustees and the property agent have based their valuations of the property. The assumptions on which the property valuations reports have been based include, but are not limited to, matters such as the tenure and tenancy details for the properties, ground conditions at the properties, the structural conditions of the properties, prevailing market yields and comparable market transactions. These assumptions are market standard and accord with the Royal Institution of Chartered Surveyors (RICS) valuation. However, if any assumptions made by the property valuer prove to be inaccurate; this may mean the value of the investment property differs from their valuation, which could have a material effect on the Statement of Financial Position.
