Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. The advancement of health and the saving of lives by the provision of teaching and training in water safety, swimming, lifesaving, lifeguarding, resuscitation and general first aid.
2. The advancement of education in water safety so as to bring about knowledge of the principles which underline the art of natation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

When planning our activities for the year, the Trustees of Nile Swimmers have considered the Charity Commission's guidance on public benefit. The Trustees consider how planned activities will contribute to the aims and objectives they have set.

Drowning kills hundreds of thousands of people every year. Nile Swimmers works to reduce deaths from drowning in Africa. We do this by training to local people to teach swimming and provide water safety education within their communities. Additionally, we conduct research, build partnerships, and provide a voice and a perspective from low income countries.
