Structure and Governance Issues:

Derbyshire Stroke Centre was registered with the Charity Commission as a CIO on 28/05/19

The Objects of Derbyshire Stroke Centre are:

- The relief of sickness and the preservation of health among people living with the effects of a stroke or neurological health condition (survivors and carers)
- To assist in the treatment and care of persons suffering from mental or physical illness as a result of a stroke or neurological health condition or in need of rehabilitation as a result of such illness, by the provision of facilities for rehabilitation and recreation.
- To promote and protect the physical and mental health of families affected by stroke or neurological health conditions through the provision of support, education and practical advice
- To advance the education of the general public in all areas relating stroke and neurological health conditions
- To preserve and protect the health of people affected by stroke or neurological conditions by providing and assisting in the provision of facilities, support services and equipment not normally provided by the statutory authorities.

Trustees

All trustees give their time voluntarily and receive no remuneration or other benefits

Trustees are appointed by invitation.

There are currently 4 trustees, all of whom are stroke survivors. Trustees meet on a monthly basis to discuss staffing, fundraising, service delivery, budgets and general Charity business

Trustees Report 2019

No operation has taken place during this reporting period and we submit zero accounts for this period.
