The PCC presents its report with the Accounts of the Church for the year ended 31 December 2019

Principal Activities and Governing Documents

The principal activity in the year under review was that of a Parochial Church Council to a Church of England Parish Church. The Church of England and its parishes are "exempted charities". The PCC (Powers) Measure 1956states that the PCC "is to co-operate with the minister in promoting in the parish the whole mission of the church, pastoral, evangelistic, social and ecumenical".

Objectives and Activities

St. Chad's Church is coming to the end of a five-year vision plan that has seen us expand and grow in many different ways. Our governance has been strengthened the addition of competent people working in key roles such as Colin Gilchrist joining Marian in oversight of our Payroll. Sarah Haler has settled into our office working under the guidance of and alongside Pauline Loomes, and Bob Crowther, recently retired from banking, has stepped up to volunteer in a Logistical Managers role. Priya Gowery has taken on our finances and they have been centralised to incorporate Pre-School accounting. Our leadership teams have prayerfully met together to begin to evaluate where we have come to and what

our next steps might be. That will be a greater work for next year but our Senior Leadership Team (SLT) and leaders of St. Chad's Team (up to 24 people of those who head up the wide variety of ministries that we offer) meet monthly to discuss areas of growth and the overcoming of limiting factors that our teams face with a view to support the PCC as it continues our church's forward momentum. (The SLT act as a Standing Committee and meet with greater frequency when a need arises).

Achievements and performance in the year

In terms of the implementation of our vision document reviewed in 2016 we have made progress in the following ways:

Families, Children and Young People

St. Chad's Church has added to its staff team with two significant grant funded positions being filled: Ella Cox has joined us as our Children & Families Worker, a role that draws together our current under 5's ministries and fosters relationship with young parents and carers, offering prayerful support and help to those families we already have contact with, but also reaching out beyond our current family networks to offer that support and help to more people. Young families are joining our church family as a result of that work and Ella is building a large network of local young families. Belinda Ramsey has joined us as our Children & Young People's Worker, overseeing our Sunday School activities and staff teams, expanding existing mid-week ministry for 5 to 18 year olds, and opening up new opportunities to work with and support more children and young people.

Pre-School

The pre-school continues to be a large outreach for our church. Our managers are employed by the local council to help and support other Pre-Schools in Barking & Dagenham, assisting in the mentoring of their staff and management. We also continue to be used by the borough for those children with special needs.

(Charity Registration No: 1150077)

As always, the work of the Pre-School goes beyond the children and Victoria Burke and her team continue to support parents and carers in many ways.

Sparkles

An under 1's ministry aimed at assisting and encouraging those families who are finding parenting a particular struggle, is going from strength to strength. Anne Foster and Carol Welsby head up a small team of dedicated staff and Sparkles now work with families referred to us from the local borough as well as those who come to us through other relationships that we have built up.

New Beginnings

Our Mums and Tots ministry continues to meet regularly. Our previous leader has had to step down from this ministry due to illness, but Ella has taken it on and is steadily building more and more relationships with young parents. New Beginnings is another way in which we are able to journey with local families, benefitting them in many ways and making deeper connections with our neighbours.

Community use

St. Chad's continues to partner with local groups that assist and extend the health and wellbeing of our local population. We provide space for groups such as 'Slimmer's World' and sports groups like Pilates and Karate. We are also home to our local Guides Group which has grown since relocating from a smaller hall to our larger site.

The Historical Society and the Neighbourhood Watch use our central location for annual and monthly meetings respectively.

We also provide for the community through the regular hosting of Jumble Sales and Festival Markets such as our Christmas Market.

Worship

St. Chad's considers itself to be a worshipping community and this has continued as our ethos this year. We are still without a worship leader and have begun an application process for that pivotal role. Our 'Tech Team' go from strength to strength and are adding to our Sunday services through their knowledge and skills.

Beyond our normal pattern of worship, both on a Sunday and during the week, we are planning for our next Weekend Away. This is an exciting time for the church family and we expect to take more that 160 people who came to Ashburnham with us last time. Anthony Childs has agreed to head up our worship again, the Red Balloon Company will deliver fun and gospel centred activities for our children and young people, and Paul Harcourt, the leader of the national organisation, 'New Wine' has agreed to be our speaker.

(Charity Registration No: 1150077)

Prayer Ministry underpins our worship and Joy Blackwood continues to head that up, leading her team of intercessors. This joins very closely with our Welcome Team headed up by Julie Clist which continues to do much more than just welcome people on a Sunday.

Evangelism

St. Chad's Church evangelism and pastoral activities are coterminous in many ways as we seek to reach out to the local community with the love of Christ. This year, our Evangelism Team, headed up by our curate Chika Nduku, once again set a program of evangelistic activities across the year. We made good use of the recognised Christian festivals to take to the High Road and be a visible presence within our community. 'Tea in the Park' continued to be a great bridge-builder with locals as did our Christmas Stars, 1,250 of which were spread along the High Road and Station Road. Ella, our Children & Family Worker has also drawn young couples deeper into our church family.

Our Ministry Team and Home Groups provide deeper teaching and engagement opportunities for people coming into the church. We are now seeking to capitalise on Ella's good work and provide a teaching space for the new families we are attracting in addition to the groups we already have.

We have used some of the time we share during our regular monthly Leadership Meetings to talk through and strategise our Evangelism activity. We did not run 'Alpha Course' this year because of low attendance so we are keen to find a good alternative way of journeying with people deeper into Christ. That said, Youth Alpha is a core of our Youth Work at St. Chad's and continues to be so.

Pastoral Care

St. Chad's holds a vision that uses our 'Soft touch' activities to enable us to reach out to support people in deep ways. Examples of this would be our 'Coffee Shop' which, under the management of Denise Lewis, continues to grow and acts like a handshake to local people, inviting them in and making them aware of the things we do as a church. Our Mature Companions Club (MCC) headed up by our Associate Minister, Christine Harding, which is at capacity, similarly provides opportunity for us to meet people in a relaxed setting and 'get to know' them. The MCC team provides care and support through the lunch club, breaking isolation and offering friendship to elderly residents. We have spoken with local leaders from Age UK and are moving towards partnering with them. Age UK currently do not work in Barking & Dagenham due to lack of facilities and a volunteer staff. We can provide both of those. We also ran a variety of ad hoc events such as our Mother's Union Cream Tea that attracts people from outside of our church family. Whilst activities such as our Sparkles group offers overt care these more relational groups enable people to access greater support as those relationships build.

Our addiction group (Cocaine Anonymous – a branch of A.A.) continues to thrive. This year we have run 'Restored Lives' a divorce and relationship support group headed up by lain Torrance.

(Charity Registration No: 1150077)

Christine, our Associate Minister, continues to head up our Pastoral Care Team and organises home / hospital visits as well as supporting people with other pastoral needs. She and the team offer prayer ministry and counselling to anyone in need.

Committees: The PCC met six times during the year. The PCC has given time to extend and develop the sub-committees, in order to involve more people, including both PCC members and other church members, to increase resilience and improve succession. In this way we are less dependent on particular individuals.

The following sub-committees exist to assist the PCC:

Senior Leadership Team: This team is both an accountability team for the incumbent but also a sounding board for the leader where strategic issues have time to be thought through. The team has no legal power but is instrumental in helping the incumbent to assess and discern where certain aspects/ ministries / logistics of the church are and help to plan towards the collective vision of the church. Members of the team bring experience of Banking, Administration and H.R. management. This team consists of: Martin Court (Senior Leader), Christine Harding (Associate Minister) Julie Court, Bob Crowther (Church Warden and Vice Chair of the PCC) and Rosanne Baptiste.

Standing Committee: This is the only committee required by law. It has the power to transact the business of the PCC between its meetings, subject to any directions given by the Council. This group consists Martin Court (Chair), Christine Harding (Associate Minister) Bob Crowther (Vice Chair and Church Warden) Julie Court, Rosanne Baptiste.

Leadership Team: This is comprised of the people who head up our ministries and activities in the church and those who hold senior leadership posts. It meets monthly to discuss church matters and plan towards the future. It is also a meeting for collective learning and the growth in our leadership skills. People on this team include: Martin Court (Senior Leader), Julie Court, Christine Harding (Associate Minister), Bob Crowther (Church Warden), Julian Cartwright (Church Warden), Chika Nduku (Curate), Pauline Loomes (Office Manage/ PCC secretary), Graham Wallis (Head of Tech Team), Victoria Burke (Pre-School Manager), Julie Clist (Head of Welcome Team), Joy Blackwood (Head of Prayer ministry Team), Ella Cox (Children& Family worker), Belinda Ramsey (Children & Young People's Worker), Denise Lewis (Catering Manager), Colin Gilchrist, Debbie Karlettis, Iain Torrance, Marian Childs, Anne Foster, Ray Childs, Rosanne Baptiste, Sue Wells, Terry Loader and Gideon Onafagarha (Worship Leader).

Deanery Synod: Three members of the PCC sit on the deanery synod —Ingrid Robinson, Carol Welsby and Mark Harding. This provides the PCC with an important link between the parish and the wider structures of the church. Martin Court is the Area Dean and Chair of the Deanery Synod.

The Electoral Roll: Pauline Loomes is our Electoral Roll Officer. Details with regards to our Electoral Roll can be found in the full APCM Report.

Limiting Factors

St. Chad's Church is constrained in the ministry activity it seeks to achieve by our buildings. We have limited space to provide for the things we know we could realistically be achieved from our vision. Our buildings are aging and ill-equipped for the twenty first century. We are currently committed to a large scale renovation and re-building of our available spaces which will help us realise our potential to be much more of a community centre for Chadwell Heath. These plans are coming to fruition and we are seeking to raise capital monies to support that vision.

Volunteers

The PCC would like to thank all the volunteers who work so hard to make our church the lively and vibrant community it is. This includes, but is not an exhaustive list, the people who help with our church services, providing flowers, polishing the vessels etc, those who help with our jumble sales and Christmas market, those who assist with the on-going running, maintenance and refurbishment of our properties, and those who assist with the many voluntary roles that provide support in our community, including the St Chad's coffee shop and the Mature Companions Club.

Financial review

The PCC is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the church, and which ensure that the financial statements comply with the Charities Act 1993and the regulations issued in 1995 and 2000, revised in 2005. This report has been produced according to guidance dated 2006 issued by the Archbishop's Council of the Church of England. The PCC is responsible for safeguarding the assets of the Church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Taxation Status: The PCC is an exempt charity for taxation purposes as a church defined as a place of worship under the Place of Worship Act 1855.

The financial activities of the PCC are set out in the attached financial statements.

Total receipts amounted to £266,067, (£265,723, 2018) of which unrestricted funds receipts were £139,082, (£155,501, 2018) of which £57,388, (£52,229, 2018), was unrestricted planned voluntary donations, an increase of 10%. A further £19,534 was from Gift Aid.

Restricted income, grants, and donations of £126,986 were also received, (£118,830.48, 2018), of which £30,500 related to grants for the family and youth worker and £71,759 related to restricted receipts for St Chad's Preschool.

During the year, the total fund balances decreased from £152,057 to £134,209. The combined unrestricted and designated fund totals at the end of 2019 were (£2,317), a decrease of £459 compared to 2018 balance of (£2,776). Restricted funds decreased by £18,307.

(Charity Registration No: 1150077)

Reserves policy

It is the PCC's objective to set aside funds each year to maintain a balance on free reserves (net current assets) which equates to at least three months unrestricted payments. This would be equivalent to £32,707 and would be held to smooth out fluctuations in cash flow and to meet emergencies. Over the past few years, this has not been possible due to the reduction of income following the closure of Somerville Hall, which has resulted in a reduction in rental income of approximately £15,000 per year. The cost of professional fees in respect of planning and architects' services has been met from the reserves that we hold with the Diocesan Board of Finance following the sale, several years ago, of a property that the church owned.

Once the planning issues with Somerville Hall have been brought to a conclusion we will know what action we can take with regard to that property and it is expected that, from this, the longer term view will be much more positive. We expect to be in a position to review this next year.

Related parties

Donations received without conditions from related parties (Trustees and PCC members) amounted to £32,920 during the year, made up of £31,640 of regular giving and other gifts amounting to £1,280 for various purposes.

Two members of staff are considered to be related parties. The total salaries include the amount payable to them for duties in accordance with their terms of employment.

In additional, one member of the PCC, a qualified electrician was paid £100 to install new lights in the church building.

INDEPENDENT EXAMINER'S REPORT

I report to the trustees of the PCC of St Chad on my examination of the accounts for the year ended 31 December 2019, which are set out on pages 11 to 19.

Respective responsibilities of the PCC and the Examiner

The charity's trustees are responsible for the preparation of the accounts.

The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed. I am qualified to undertake the examination by being a member of The Chartered Institute of Management Accountants.

It is my responsibility to:

- Examine the Accounts under section 145 of the 2011 Act;
- Follow procedures laid down in the general directions given by the Charity Commissioners under section 145(5)(b) of the 2011 Act; and
- State whether particular matters have come to my attention.

Basis of this Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no material matters have come to my attention in connection with examination

- 1. giving me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with accounting requirements of the 2011 Act have not been met; or
- 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31 December 2019

1. Accounting Policies

a) Accounting Convention

The PCC is a public entity within the meaning of FRS102. The financial statements have been prepared under the Charities Act2011 and in accordance with the Church Accounting Regulations 2006 governing the individual accounts of PCCs and with the Regulations' "true and fair view" provisions. They have been prepared under FRS102 (2019) as the applicable accounting standards and the 2019 version of the Statement of the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP(FRS102)).

The financial statements have been prepared under the historical cost convention except for investment assets which are shown at market value. The financial statements include all transactions, assets and liabilities for which the PCC is responsible by law. They do not include the accounts of church groups that owe their affiliation to another body, nor those that are informal gatherings of church members.

b) Fund accounting

Funds help by the PCC are:

Unrestricted funds are income funds which are to be spent on the PCC's general purposes.

Restricted funds comprise (a) income from trusts or endowments which is to be expended only on the restricted purposes intended by the donor and (b) revenue donations or grants for a specific PCC activity intended by the donor. Any balance remaining unspent at the end of the year is carried forward as a balance on that fund.

Designated funds are general funds set aside by the PCC for use in the future. Project funds are designated for particular projects for administration purposes only. Funds designated as invested in fixed assets for the PCC's own use are abated in line with those assets' annual depreciation charges in the SOFA. Designated funds remain unrestricted and the PCC will move any surplus to other general funds.

c) Incoming Resources

Voluntary Income

Collections are recognised when received.

Planned giving receiving is recognised only when received.

Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Grants and legacies are recognised when the PCC is legally entitled to the amount due.

Income from Investments

Interest entitlements are accounted for as they accrue.

All Other Income

All other income is recognised when it is receivable.

Gains and Losses on Investments

Realised gains are recognised when the investments are sold. Unrealised gains and losses are accounted for on revaluation on 31 December.

(Charity Registration No: 1150077)

d) Resources Used

Resources expended are accounted for on an accruals basis and are accounted for gross, apart from independent reviewer's remuneration and accountancy and grants and donations which are accounted for when paid over, or when rewarded where the award creates a binding obligated on the PCC.

Church Activities

The diocesan parish contribution is accounted for when paid. Any parish contribution unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the balance sheet.

e) Fixed Assets

Consecrated and benefice property

In so far as consecrated and benefice property of any kind is excluded from the statutory definition of 'charity' by Section 10(2)(a) and (c) of the Charities Act 2011 such assets are not capitalised in the financial statements.

Moveable church furnishing held by the Vicar and Churchwardens on special trust for the PCC and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's inventory which can be inspected. Individual items have been capitalised in the accounts and depreciated over their useful economic life.

Tangible Fixed Assets used by Charity,

All expenditure on consecrated or benefice buildings and other fixed assets costing under £1,000 are written off in the year they are incurred.

Depreciation

Depreciation is calculated to write down the cost of tangible fixed assets, excluding freehold properties, over their expected useful lives. The rates generally applicable are:

Fixtures and fittings	5% straight line, 20 years			
Computer equipment	33% straight line, 3 years			

No depreciation is provided on freehold property as it is the PCC's policy to maintain these assets in a continual state of sound repair. The useful economic life of these assets is so long and residual values so high that any depreciation would not be material. These assets will be subject to annual impairment reviews. Provision will be made if there has been any permanent diminution in value.

Investments

Investments are stated at market value at the balance sheet date.

f) Current Assets

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectible.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds, or at the bank.
