Henley-on-Thames Day Centre Management Committee

Annual Report for the year ended 31st December 2019

The committee members present their report and financial statements for the year ended 31 December 2019.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, Governance and Management

The Charity's Constitution was drawn up and approved by the Charity Commissioners in January 1974 and amended on the 30th September 1976, 17th October 1985 and 22nd August 2005.

The Management Committee consists of:

- The Mayor of Henley-on-Thames who is an ex-officio Committee Member
- Three members appointed by the Henley-on-Thames Town Council.
- Three members appointed to represent local community service organisations.
- Three representatives of the Members' Sub-Committee

The Management Committee shall appoint annually a Secretary and a Treasurer.

The Management Committee shall have powers to co-opt up to three members all with the power to vote, to serve to the next Annual Meeting. The Management Committee shall meet Quarterly and at any other time it is considered by the Chairman, or by a majority of its members, to be desirable. The quorum shall be five members.

The induction process for newly appointed members of the Management Committee comprises an initial meeting with the Chairman, followed by a meeting with the Treasurer on investments, powers and responsibilities of the Management Committee and the sub-committees. A pack is also provided which includes a brief history of the day Centre, copies of the previous 12 months Management Committee minutes, a copy of the previous year's annual report and accounts, a copy of the Constitution and a copy of the Charity Commission's guidance 'The Essential Trustee'.

Objectives and Activities

The objects of the Henley-on-Thames Day Centre are to promote the welfare of the aged in any manner which now is or hereafter may be deemed by law to be charitable within Henley-on-Thames and District. In furtherance of this, to manage a Day Centre whose members shall be known corporately as the Henley 60+ Social Club. Each year the trustees review our objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the prevention or relief of poverty for the public benefit so as to comply with their duty as set out in section 17(5) of the Charities Act 2011.

The Land and Building in Greys Road Car Park are provided rent free by the Henley-on-Thames Town Council under a lease dated the 1st April 2005. The Town Council is responsible for the general upkeep and maintenance of the building and the Management Committee is responsible for interior decoration and fittings. The lease from the Henley Town Council does not have a term of years defined but we are informed that it is the Council's intention to maintain this agreement, for the benefit of its senior residents, indefinitely.

The Club provides a comfortable, relaxing environment and social activities for the over 60's. The location in the centre of the town allows its 112 members (2018: 134) easy access to the hospital, surgeries and shopping. The Club is open Monday - Friday with some form of social activity most days.

The Members have their own Sub-Committee and organise events such as bingo and also arrange outings and day trips. The Club also lets out the premises, to Bridge Clubs two nights a week and a local catering business two sessions per week, to help boost funds. This has proved a great success.

Henley-on-Thames Day Centre Management Committee

Annual Report for the year ended 31st December 2019 (Continued)

Staff and Committee Members

Our Managers, Mrs Sharon Donovan, Mrs Paula Isaac (up until September) and Mrs Carolynne Holms-Sharp (September to date), have continued to provide a good service to members and are well assisted by our chef, Mr. Marek Moskaluk. Mr Philip Eggleton has continued to carry out both kitchen and cleaning duties with enthusiasm and efficiency. Mrs Sue Bishop continues as Treasurer and is a paid member of staff.

Our hairdresser, Mrs Janet Richmond, retired in February after giving many years of valuable service to our members, and we wish her well in her retirement. Ms Bianca Knibbs took over the role in February, and has enabled us to continue to offer hairdressing services to our Members. The Management Committee would also like to thank our Chiropodist, Mrs Alison Barton, who continues to provide a well-used facility to members on Mondays. Several members help the staff in the day-to-day running of the Club and their help is very much appreciated.

The Management Committee is as reported last year with the exception of the Town Council members. In particular, Cllr K Arlett replaces Cllr G Lambert as Mayor, Cllr S Gawrysiak continued as Vice Chair, Cllr D Eggleton continues to serve the committee and Cllr S Miller replaced Cllr S Abey on the Committee. It has continued to meet each quarter to discuss and control Club activities, finances and policy matters, and held its AGM in September.

Achievements and Performances in 2019

We can report another successful year, with our members participating in the usual range of activities. Membership decreased slightly from 134 to 112, but we shall endeavour to increase membership in the future. Moreover around 3,600 meals were sold to members during the year, and various social events and outings were arranged.

The donations received in 2019 have enabled the Club to refurbish all of the chairs, purchase a new computer, and provide a spring tea party and a Christmas lunch free of charge to all members.

Once again, The Henley Festival generously provided a free performance by an artist from the Festival line-up, followed by a free lunch for members.

Henley Town Council have continued to carry out small maintenance projects when necessary, and they continue to benefit from the surplus energy produced by the Clubhouse's solar panels.

Financial Review 2019

In 2019 the Club achieved a deficit regarding annual income compared to expenditure. The deficit was £10,079 (2018: deficit of £13,693), £5,000 of which was planned, and some of which was due to a slight drop in income, staffing costs incurred because of staffing changes and sickness cover, and the need to carry out small maintenance projects. No significant donations were received during 2019.

Future Plans

It is the intention of the Management Committee to continue to operate the Club in the future to provide a safe and varied social club for the 60+ age-group. The Club will remain open for five days a week and continue to offer the premises for hire to suitable community clubs or groups during the evenings and local businesses where appropriate. The Management Committee will ensure that it keeps abreast of all recommendations by the appropriate agencies concerning its charitable status and also Health and Safety measures.

Annual Report for the year ended 31st December 2019 (Continued)

Restricted Funds.

A.A. Davis Trust

The terms of the Trust stipulate that the Capital is held in trust by the Management Committee and the Income paid annually to the Members Sub-Committee for the benefit of the Members. The value of the Fund at 31st December 2019 was £305,726 (2018: £261,700). The Income from investments in the year ended 31st December 2019 was £9,092 (2018: £8,915). The fund's investments increased by £44,434 (2018: decrease by £16,303) during the year.

Unrestricted/Designated Fund Transport Fund

In January 1992 when the Abbeyfield Society of Henley-on-Thames was being wound up, £21,000 was passed to the Management Committee. In making the grant the Abbeyfield Society noted the then proposed project to provide transport for the elderly in the area but did not restrict the freedom of the Management Committee to use the money or some of it on another project "since circumstances may change". From 1 April 2006 the costs of using the Handibus and other buses became free for individuals who are of retirement age and have a bus pass. The Management Committee therefore did not need to subsidise transport costs for Members as it had done in the past. At 31st December 2019 the fund was represented by investments valued at £57,265 (2018: £48,579) and a further £7,071 (2018: £5,317) was held in a Deposit Account making a total value of £64,336 (2018: £53,896). The value of the fund's investments increased by £8,686 (2018: decrease by £1,381) during the year.

Unrestricted Funds

General Bequest Fund

In June 2008 the Management Committee received £45,560 bequeathed under the terms of her will, from Elsie Haymes, a deceased member of the Centre. This sum was transferred to the General Bequest Fund and is in addition to the sum of £37,591 bequeathed by Miss G E Chillman in 2000. The value of the Fund at 31st December 2019 was £34,320 (2018: £44,089). £10,000 was released during the year to support Club running costs.

Unrestricted Funds

General Fund

This fund arises from donations and other incoming resources receivable, or generated for the objects of the Charity without a specified purpose and are therefore available to the Committee for general expenditure. The value as at 31st December 2019 was £11,240 (2018: £9,232).

The fund's investments increased by £1,824 (2018: decreased by £290) during the year.

Unrestricted Funds

Members Sub-Committee Fund

This Fund results from surplus income over the last thirty years and is available to the Members' Sub-Committee to be spent for the benefit of the membership in general, subject to the budgetary control of the Management Committee. The value of the fund as at 31st December 2019 was £13,015 (2018: £14,854).

Investment Powers and Policy

The Investment Strategy is set by the Management Committee on recommendations by the Finance Sub-Committee. The Investment Policy of the Charity has been to endeavour to maintain the capital value and produce a reasonable income return by investing in a range of Charitable Common Investment Funds.

Reserves Policy

The Management Committee are of the opinion that the variability of income from all sources leads it to the wisdom of maintaining a reasonable amount to buffer that income and cater for future emergent costs. The Reserves for the Unrestricted Funds as at 31st December 2019 were £122,911 (2018: £122,072).

Henley-on-Thames Day Centre Management Committee

Annual Report for the year ended 31st December 2019 (Continued)

Risk Management

The Management Committee has examined the major strategic, business and operational risks which the Charity faces and confirms that a report is produced at all our committee meetings drawing attention to any matters which require attention. The major risks facing the Day Centre have been reviewed and systems and procedures have been established to manage these risks. This was reviewed in 2019.

Trustees responsibilities in relation to the financial statements

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations other than 2008 and the provisions of the trust deed. The Trustees are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent Examiners' Report to the Trustees of the
Henley-on-Thames Day Centre Management Committee**

I report to the trustees on my examination of the financial statements of Henley-on-Thames Day Centre Management Committee (the charity) for the year ended 31 December 2019, which are set out on pages 7 to 16.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2019

1. Accounting Policies

a. Accounting Convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended practice for charities applying FRS102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statement are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

b. Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the Financial Statements.

Investment Income and Gains are allocated to the appropriate fund.

c. Incoming Resources

All incoming resources are included in the Statement of Financial Activities ('SoFA') when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

d. Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising activities) the incoming resources and related expenditure are reported gross in the SoFA.

**Henley-on-Thames Day Centre
Management Committee**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2019**

e. Grants and Donations Income

Grants and donations are only included on the SoFA when the charity has unconditioned entitlement to the resources.

f. Investment Income

This is included in the accounts when receivable.

g. Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

h. Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with use of the resources.

i. Investments

Investments are stated at market value at the Balance Sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

b. Unrestricted Funds

1. General Fund

This fund arises from incoming resources receivable or generated for the objects of the Charity without a specified purpose and are therefore available to the Committee for general expenditure.

2. Transport Fund Designated Funds

This fund arose from a grant from the Abbeyfield Society noting the then proposed project to provide transport for the elderly. When in April 2006 buses became free for individuals who are of retirement age the need to subsidise the local transport stopped. The Management agreed to preserve the fund for the time being in case the subsidy is removed.

3. General Bequest Fund

This fund arises from donations from members and deceased members. The fund is used to pay for major items of capital expenditure.

4. Members Sub-Committee Fund

This Fund is available to the Members' Sub-Committee to be spent for the benefit of the membership in general.
