CHESHIRE COMMUNITY COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

The charity's principal activities during the year were those of improving the quality of life of Cheshire's communities, especially its rural communities. It does that by working in partnership with other organisations and encouraging communities to help themselves, and by addressing issues of disadvantage and social inclusion in rural areas.

Public Benefit Statement - Aims, Activities and Achievements

The principal aim of Cheshire Community Council is to improve the quality of life of Cheshire's communities.

The Trustees believe that the services provided by the Cheshire Community Council are compliant with the Charities Commission Guidance on Public Benefit and the public benefit is further exemplified in the following statements of Achievements and Performance and Plans for Future Periods and in the comments relating to the work undertaken with the restricted income funds below.

Achievements and Performance

In terms of project delivery, we have continued to support groups and individuals in local communities across Cheshire and Warrington.

Our key activities and services are broadly categorised into three themes: People, Place and Voice. Details of these activities and services can be found on page 20. We have continued to grow our specialist consultancy support arm, which directly enables us to sustain other key activities.

Financial Review

The results for the year, and the charity's financial position at the end of the year, are shown in the attached financial statements.

Plans for Future Periods

Our plans are to continue to consolidate our activity, demonstrate the proactive support CCA delivers into communities and be an active member of emerging partnerships for the future.

Covid 19

The trustees have considered the likely effect of the Covid pandemic on activities and have taken measures to mitigate any adverse impact on the financial position.

CHESHIRE COMMUNITY COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

a) Governing document

Cheshire Community Council (trading as Cheshire Community Action) is a company limited by guarantee registered at Companies House. It is also a charity registered under the Charities Act 2011. Its registered office is Queens House Annexe, Queens Road, Chester CH1 3BQ.

b) Appointment of Trustees

As set out in the Articles of Association, eleven Trustees are elected by the members of the charitable company attending the Annual General Meeting (held in the autumn of each year) and serve for a period of three years.

All members are circulated with an invitation to the AGM which advises them of the retiring Trustees and requesting nominations for new trustees prior to the AGM.

The Board currently has no plans to co-opt any additional members.

c) Trustee Induction and Training

New Trustees receive induction training including an induction pack containing the Memorandum and Articles of Association, details of the committee and the decision making structure, the business plan and the most recent audited accounts and other financial information.

During the induction process they meet with the Chief Operating Officer, key employees and other Trustees.

Trustees are encouraged to attend appropriate external training events where these will enhance the undertaking of their role.

Organisation

The Board has appointed a Chief Operating Officer who is responsible for the day to day running of Cheshire Community Council within the general policy and financial limits as determined by the Board.

Risk Management

The Board (led by the Scrutiny Committee) has reviewed the principal areas of Cheshire Community Council's operations and has considered the major risks in each of those areas of activity. In the opinion of the Trustees/directors Cheshire Community Council has sufficiently robust monitoring/review systems and cash reserves that, under normal circumstances, should allow any risks in its day-to-day operations to be mitigated to an acceptable level.

Investment Powers and Policy

These are provided by the Memorandum of Association of the company but are subject to conditions and consents imposed or required by law. As a charity registered with the Charity Commission, Cheshire Community Council is governed by the Trustee Act 2000.

All normal cash flow balances and reserves are held in deposit accounts.

Reserves Policy

Cheshire Community Council aims to hold sufficient funds in reserve to meet its likely outstanding commitments if circumstances arose where the Trustees/directors were obliged to close the Charity.

The current estimated costs in such circumstances are as follows:

Staff costs	£55,361
Office costs	£3,738
Redundancy payments to staff	<u>£23,678</u>
Total	<u>£82,777</u>

This policy is reviewed annually as part of the budget making process.

CHESHIRE COMMUNITY COUNCIL

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Cheshire Community Council for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Murray Smith LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 8 October 2020 and signed on its behalf by:

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
CHESHIRE COMMUNITY COUNCIL (REGISTERED NUMBER: 03555199)**

Opinion

We have audited the financial statements of Cheshire Community Council (the 'charitable company') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
CHESHIRE COMMUNITY COUNCIL (REGISTERED NUMBER: 03555199)**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

CHESHIRE COMMUNITY COUNCIL

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Incoming resources

Voluntary income including donations, gifts and legacies and grants that provide core funding or are of general nature are recognised where there is entitlement, certainty of receipts and the amount can be measured with sufficient reliability. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions that must be met before the charity has unconditional entitlement.

Income from commercial trading activities is recognised on a recoverable basis.

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to specific performance conditions is recognised as earned (as the related goods or services are provided). Grant income included in this category provides funding to support performance activities and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Resources expended

Expenditure is recognised when a liability is incurred. Contractual arrangements and performance related grants are recognised as goods or services are supplied. Other grant payments are recognised when a constructive obligation arises that result in the payment being unavoidable. Costs of generating funds are those costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities include expenditure associated with the management and governance of the Charity along with the management of its various projects and activities and include both the direct costs and support costs relating to these activities.

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by time spent and other costs by their usage.

Irrecoverable VAT

All resources expended are classified under activity headings that aggregate all costs relating to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Tangible fixed assets

Individual fixed assets costing £1,000 or more are capitalised at cost. Tangible fixed assets are depreciated on a straight line basis over their estimated useful lives as follows:

Furniture and fittings	10% per annum on written down value
Computer and other office equipment	35% per annum on cost and 10% per annum on written down value

Taxation

The company is a registered charity and no provision is considered necessary for taxation.

The scheme is a defined benefit scheme and contributions are charged to the income and expenditure account as they are paid. The scheme, which is a multi-employer scheme, is operated jointly by Cheshire East and Cheshire West and Chester Councils and is valued on a regular basis. The pension scheme is no longer accepting new members.
