Notes to the accounts (Paras 2 to 12 are to be completed by all funds which have a gross income of £100K or over and those funds already registered with the Charity Regulator, all other funds are to complete Paras 6 and 7 and the declarations at Para 12):

1. Principal Accounting Policies

a. Accounting Convention. The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with applicable accounting standards. In preparing the financial statements the charity follows best practice as set out in the Statement of Recommended Practice "Accounting and reporting by Charities" (SORP) 2005 (<http://www.charitycommission.gov.uk/investigations/sorp/sorp05docs.asp>)

b. Incoming Resources. Income is recognised in the period in which the charity is entitled to receipt, and the amount can be measured with reasonable certainty. Grants from other agencies including donations and other income from activities are in furtherance of the charity's objects and are part of the general funds of the charity. A restricted fund is only recognised where this is an agreed and explicit condition of the grant or donor.

c. Intangible Income. Due to the close collaborative relationship and the manner in which the charity's activities compliment those of the Army, intangible income, reflected in time and use of premises is not quantifiable or measurable and so is not recognised in the accounts.

d. Resources Expended and Basis of Allocation of costs. Expenditure is included when incurred or exceptionally where a commitment is made which requires an accrual when payment is to be made in the subsequent accounting period. Similarly, where prepayments are made in recognition of commitments falling due in a subsequent accounting period, the appropriate credit is entered in the accounts and reversed the following year. Grants payable are included in the SOFA when approved by the Managing Trustee. Expenditure is recognised in the period in which it is incurred. The majority of costs are directly attributable to specific activities. Irrecoverable VAT is charged to the annual report and accounts.

e. Governance Costs. Governance costs are the costs of professional advice, holding trustee meetings or committee meetings associated with decision making, any fee for audit or independent examination and any fee incurred in the preparation, statutory filing, printing or copying of the annual report and accounts.

f. Capitalisation and Depreciation of Tangible Fixed Assets. All assets having a purchase value of more than £500 are capitalised. The cost of tangible fixed assets are written off by equal annual instalments over their expected useful lives using the following methods of depreciation:

- | | |
|-----------------------------------|--|
| Furniture, fixtures and equipment | - Straight Line over a period of 2 - 10 years. |
| Motor vehicles | - Straight Line over a period of 2 - 10 years. |

Assets with a life of more than one year but with a purchase value of below £500 are included within the inventory but the cost is written off in the year it is incurred and is not depreciated over the useful life of the asset. Where the asset is depreciated over a period of more than 10 years, details of the item and period are to be provided following the notes on page 13.

g. Fixed Asset Investment. Fixed asset investments are included at market value at the balance sheet date. Any gain or loss on revaluation is shown in the Statement of Financial Activities (SOFA) on page 2.

h. Stocks. Purchased stocks are valued at the lower cost or net realisable value making due allowance for any obsolete or slow-moving items.

i. Funds Accounting. Funds held by the charity are:

(1) General Purpose/Unrestricted/Designated Funds. These are funds that can be used in accordance with the charitable objects at the discretion of the Managing Trustee. Designated funds are unrestricted funds which have been allocated/earmarked for a particular purpose by the Managing Trustee and are to be declared in the Managing Trustee's comments in accordance with Para 12 to these notes stating what they are intended to be used for and when.

(2) Endowment Funds. Endowment funds are those investments and other gifts accepted by the unit, the capital sum or property being held in perpetuity and the income only being available for charitable use.

(3) Restricted Funds. These are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is to be included in the notes to the accounts.

j. Heritage Assets. In the course of the unit's history, the charity may have acquired gifts, memorabilia, regalia, silverware, antiques and other historical artefacts in the course of distinguished military service in service of the Crown. The value of these pieces is in large part derived from their close association with Regimental history which precludes the use of conventional valuation techniques being applied. Whilst the objects of the charity do not specifically include preservation and conservation, the pieces represent an essential element of celebrating the unit's history and foster esprit-de-corps. Consequently the Managing Trustee considers the charity to hold heritage assets both for functional use and as an element of national history on behalf of the nation. Heritage assets acquired prior to 1 Apr 06 are therefore not capitalised on the balance sheet but a description of those assets is disclosed as part of the notes to the accounts. Heritage assets acquired after 1 Apr 06 where the purchase price is known and which exceed £500.00 are included in the balance sheet at acquisition value but are not depreciated.

k. Other Costs. Other costs are those costs not incurred in the undertaking of charitable activity in furtherance of the objects of the charity, i.e. the provision of facilities, recreational programmes or activities in furtherance of military efficiency. They are also costs incurred in the making of grants and donations, in the costs of generating funds, i.e. the costs incurred in trading or fundraising undertaken by the charity, or in governance costs.

2. Grants Made. (if total grants are over 5% of the charity's total expenditure).

The charity made the following grants/donations:

3. Related Party Transactions & Remuneration and Expenses

Whilst the charity has a close working relationship with the Army, there are no transactions with the Army which require disclosure under SORP 2005. The only transactions made by the charity in favour of the unit are wholly attributable to the charitable activities of furthering military efficiency. The Managing Trustee is an officer or equivalent and fulfils the role as trustee in accordance with the applicable laws and regulations. No expenses have been paid to the trustee. In the event that expenses have been paid to the trustee these are disclosed under the Managing Trustee's comments.

12. Declarations

All of the charity's commitments are provided for in the accounts.

No guarantees have been given to third parties.

The charity has not received any loans that are outstanding at the year-end and secured on assets.

The charity has not granted any loans to institutions or companies connected with the charity.

The charity did not make any ex-gratia payments during the year.

Sufficient resources are held in an appropriate form to enable each fund to be applied in accordance with the restrictions imposed.

The financial activities, assets and liabilities of all the charity's branches or sections have been included.

The trustees have not changed the year end date or the length of the charity's financial year.

The charity has no designated funds (if there are designated funds the reason for designation and when each designated fund is intended to be used by is to be stated in the Managing Trustee's report).

All the charity's operations are continuing operations and there were no operations discontinued or acquired during the year.

No funds (unrestricted, designated, restricted or endowment) are in deficit at the balance sheet date.

The charity has no intangible assets.

There were no inter-fund loans outstanding at the balance sheet date.

None of the charity's functional fixed assets have been re-valued during the year and the charity does not have a policy of revaluation of these assets.

The charity has no subsidiary companies.

The charity has no material fixed assets which have not been capitalised and included in the balance sheet.

No internal transfers have occurred out of restricted/endowment funds. In the event that a transfer has taken place, full details of the reason for the transfer are disclosed in the Managing Trustee's comments.

All investments held are investment assets in the UK unless otherwise stated.

Note: Where any of the declarations are not correct they are to be crossed out and details provided in the Managing Trustee's comments.

Provide a brief review of the financial position of the charity. This should include the principle types of income.

| | |
|------------------|--|
| Financial Review | <p>In order of magnitude, the main sources of income to the fund are income from the General Fund Liquor store, Laundry machines, Vehicle Rental, External Welfare Grants, Sports Equipment Rental, disposal of property and income from investments. With the exception of external grants which vary according to the capacity of external donors such as the Army Central Welfare Fund and NAAFI Welfare Funds, these sources of income are reliable likely to continue. Expenditure broadly matches income and the long term viability of the fund is ensured by reinvestment in capital property.</p> |
|------------------|--|

The Managing Trustee should give in their report a description of the following policies:

- a. For the selection of investments for the charity.
- b. For determining the level of income reserves held, stating and explaining the level of reserves held.
- c. Where grants are made by the charity, the selection of individuals and institutions which are to receive grants out of the assets of the charity.

| Public Benefit Statement | <p>This fund provides public benefit by assisting service personnel to more effectively perform their roles within the Armed Forces of the Crown. It does this by:</p> <ul style="list-style-type: none"> *a. Providing and supporting mess facilities and social activities. *b. Providing and supporting sporting and adventure training activities. <p>This assistance enables service personnel to face the challenges and danger associated with military service by developing and maintaining <i>teamwork; skills; fitness; confidence; character; spirit and attitude; and morale</i>*. As a result the fund promotes the efficiency of the Armed Forces of the Crown by enhancing the British Army's capability to undertake the roles demanded of it including the defence of the United Kingdom and its interests.</p> <p>(I confirm that I have paid due regard to the Charity Commission of England and Wales's guidance on public benefit when deciding what activities the charity should undertake).</p> <p>*delete as appropriate.</p> |
|--------------------------|---|

Additional comments (include any declarations which were not correct):

BATUS General Fund continues to provide a wide range of sporting, recreational, welfare and adventurous training activities and services to Permanent Staff, Temporary Staff and Exercising Troops, compensating for the remote location from both the UK and Canadian civil amenities. The long term viability of the fund is secure thanks to trading income and income from charitable activities, and to continued sound management of activities.

Investments are held in Canada rather than the UK, to avoid volatility from exchange rate movement.

Internal Auditor's/Audit Board Report

1. *I have examined the books of account and records from which the final accounts were prepared and have obtained all the information and explanations that were necessary for the purpose of *my/our internal audit.
2. *I certify that end of period checks have been conducted in accordance with Service Funds Regulations, with the exception of the observed issues at para 5.
3. Subject to the observations given below I am satisfied that proper books of account have been kept and that the final accounts give a true and fair view of the results of transactions over the period and of the state of the Fund's affairs as at the date of the balance sheet. Subject also to my observations I am satisfied that cash and bank balances and stocks on hand have been properly checked at prescribed intervals and that adequate insurance exists.
4. I have stamped and signed the original books of account and the original records I have checked. All vouchers relating to this account period have been cancelled.
5. I have made the following observations whilst carrying out the internal audit:
 - a. Previous observations have been actioned (list those observations outstanding).
 - b. Stock is managed offline from PAXTON, with a value of CAN\$164,842.70 at the end of the audit period, making AGPF CAN\$764318.88 rather than the figure recorded on the balance sheet. This is healthy, sustainable and a slight improvement on the previous year. However, the Fund will still require close, careful management until BATU\$ activity levels increase.
 - c. A budget plan for 19/20 is required.
 - d. Property and stock need a full audit board check, with any depreciation and writes off/on to be conducted once findings are complete.
 - e. Percentage trading profit is very healthy at 28.5%, greater than in the standing order, but this is also the lifeline to sustainment of the Fund and the vast array of activities it supports. The percentage profit planning target should be raised to 25-30% in the Standing Order.
 - f. Balance sheet shows that cash is at a low ebb with c. \$338k at bank and liabilities of \$251k. Available cash is therefore \$87k at the end of the audit period. Standing expenditure each year is in the order of \$325k so cash flow and holdings are going to be key to sustainment of the Fund through 19/20.
 - g. R327, Banff Jasper relay RF has had a grant of \$6k sat in it for nearly 2 years. This should be folded back into GPF and used elsewhere. Managing Trustee will need to support this course of action and record at his section of the AF1514.
 - h. R346, Sailing has had a grant of \$2k sat in it for nearly 2 years. This should be folded back into GPF and used elsewhere. Managing Trustee will need to support this course of action and record at his section of the AF1514.
 - i. R317, RSCG has not used the 18/19 grant, 19/20 allocation should top them up to the required level pro rata for PS/TDS/TS and duration of stay.

- j. R309, BHL, funds are high but the refereeing invoice from PSP is yet to be presented, which happens each year the end of the season.
- k. R003, Recreational Activities is still holding c. \$18k but this should have been expended on the winter skiing package. This should be folded into GPF, the original spend has been misattributed to G721.
- l. G003, External Grants is low, due to a delay in the issue of the 18/19 ACF grant. **Afternote.** Now received and 19/20 grant also due summer 19 along with additional specific grants requested by UWO.
- m. G640, Credit Card charges cost the General Fund \$4k each year. These ought to be passed on at the point of sale and not be a burden to the Fund.
- n. G671, Veh Fleet Expenses are very high at c. \$30k. Given the low number of vehicles this seems excessive and an alternate source ought to be investigated for the fleet maintenance. Kaltire are expensive and not commensurately effective.
- o. G180, ski waxing income, \$120, eclipsed G680, ski waxing kit servicing, \$180 by 50 percent. The amounts are small but this is a needless drain to the Fund, is bad practise and should be left to another means outwith the Fund.
- p. G776, Sport, spent \$39k against a budgeted figure of \$14k. This is bad management and unsustainable. Individuals need be held to account for their management of soldiers' money.
- q. G803, Swimming Pool Staff Costs, the majority of the invoice is yet to be presented, to the tune of another \$36k, which will therefore need to be provided for. **Afternote.** Paid 1 Apr 19.
