

**GLENCROFT PROPERTIES TRUST CHARITY NUMBER 1180983**

**TRUSTEES ANNUAL REPORT 4/12/2018 – 31/12/2019**

This reporting period reflects the first months following the formation of the trust. During this period the activity of the trust was minimal. The payments are of rents received from the property at Glencroft Court Knightsbridge Road Glen Parva Leicester LE2 9UU, after it was transferred into the ownership of the trust on 14th June 2019.

The rental income initially took the form of a lump sum (£700 test payment, and £14,000) because of the somewhat protracted task of setting up the bank account. Subsequently rent has been paid monthly.

At the end of this reporting period plans were being formed for the employment of a children's worker part-funded by the trust, based partly at Glencroft Church, and partly at Barton Baptist Church. They were put on hold because of the outbreak of the Covid-19 pandemic, and the effects of the lockdown.

This is a summary of the minimal activities of the trust for the dates above.
