

The Trustees Annual Report for the year 1st July 2019 - 30th June 2020

The first year of the charity has been a relatively quiet one. There has been no financial activity with no donations and no expenditure. All activity has been voluntary. Charity activity abroad was hit by the Covid-19 pandemic which necessitated evacuation of the CEO from The Gambia in March 2020. She had been scheduled to deliver several training sessions to nursery teachers in relation to the new Gambian Early Years Curriculum. Negotiations to arrange these online are ongoing.

Several U.K. clients have sought advice and assistance with managing autistic behaviour in children and adults with good outcomes.

New Trustees are being sought to help with on-line learning and other projects including the setting up of a teacher training centre in The Gambia.

This report has been passed at the AGM on 3.11.20 and is signed on behalf of the Trustees by

A handwritten signature in dark ink, appearing to read 'Peter J. Farley', with a stylized flourish at the end.
