We are working with The Leadership Academy, a local martial arts school, where we have developed a program which has been rolled out in the second quarter of 2019. We have identified our first couple of students to participate on the program. Students who would not normally have the resources and finances to have this opportunity, we will be monitoring this and identifying further students throughout the year. The current pandemic situation resulted in having to delay the roll out of the program in line with government lockdown guidelines.

We the trustees declare that all grants will be submitted at the appropriate time in regard to the guidance issued by the Charity Commission on public benefit.
