Doncaster Housing for Young People Ltd

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2020.

Objectives and activities

Objects and aims

The Charity provides services in line with its objects which are:

To advance the interests of young people between the ages of 16 and 25, in Yorkshire and surrounding areas, who are homeless, vulnerable to homelessness or inadequately housed, in particular, but not exclusively, by providing accommodation, advice, services and support.

We operate a range of services that, together, provide an integrated package of support for young people who are homeless or at risk of homelessness. Our projects include an Assertive Outreach Service, Supported Lodgings, Floating Support, Counselling & Wellbeing Services and a drop-in café that acts as a gateway into our wider services. We also run an Employment Skills Project, through which young people are given the opportunity to acquire new skills and gain valuable workplace experience.

We continue to place great emphasis on homelessness prevention and run an educational project, through which we raise awareness of the realities of homelessness with students in schools and colleges across Doncaster. Through this project, we make young people aware of where to seek help if they find themselves at risk of becoming homeless and we offer mediation to help keep families together.

Through the Doncaster Homelessness Strategy, there continues to be a significant focus on supporting people with complex lives and our homelessness prevention work supports this strategic focus. Preventing homelessness - especially addressing issues 'up stream' - helps prevent young people developing chaotic lifestyles and the poverty, ill health and social exclusion this often leads to.

A key priority is to help young people overcome disadvantage in their lives so they can achieve their own unique potential; we do this by providing stability at a time of crisis and by supporting and empowering them to transform their lives through training, employment and overcoming barriers in their lives. While our core purpose is the prevention of homelessness, and supporting young people who are inadequately housed, our work extends into a range of related areas, including help developing essential life skills and accessing other services, such as support with mental ill health.

We attach a high priority to listening to young people and involving them in reviewing and developing our services - it is a 'golden thread' that runs through all of our work.

Demand for our services remains very high and we supported around 350 young people last year, many with complex needs. However, as we reflect on the last year, we are also focused on the challenges ahead, not least from the impact of the coronavirus pandemic on the lives and livelihoods of many young people. We anticipate increased demand for mental health support and help getting into work and we will respond to these through our wellbeing and employment skills services, alongside the other support we provide.

We work closely with a range of statutory and voluntary organisations across Doncaster and believe effective collaboration is crucial to maximising the impact we make. We are pleased to acknowledge the tremendous work undertaken by those organisations and gratefully acknowledge their support.

Trustees' Report

Public benefit

When planning the activities for the year the trustees have considered the commissions guidance on the public benefit.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

During the course the year we provided a range of services, both commissioned and non-commissioned, funded through a blend of contract and grant funding.

Our housing-related support contract with Doncaster Council (DMBC) is underpinned by a range of performance indicators which allow us to assess the impact of our work. These indicators include the proportion of young people who successfully move-on from our services, the number of clients we support and client satisfaction with the services we provide. Trustees are pleased to report that, during 2019-20, every target in the DMBC contract was achieved or exceeded.

Within our grant-funded projects we also have a range of performance targets to allow us to assess the impact of our work and these were also achieved, or exceeded, in the vast majority of cases - in some circumstances, client demands change and we respond to this by re-aligning some of our work through dialogue with clients and with the support of funders. For example, during 2019-20 we saw an increased demand from clients for information and guidance within our National Lottery-funded Assertive Outreach project and less demand for longer term support.

Our Board of Trustees receives comprehensive performance reports on a quarterly basis in order to monitor performance we provide regular reports for commissioners and funders.

Among many service highlights during the year, we provided advice and guidance to 226 young people, helped over 100 young people to successfully sustain their tenancy and provided 16 young people with volunteering opportunities as a stepping stone into work. We also engaged with 310 young people in schools and colleges across Doncaster as part of our homelessness prevention work.

During the year we also commissioned an independent review of our impact measurement arrangements and we look forward to developing these further during 2020-21.

In late 2019 we were delighted to see our work highly commended in the 24 Housing Awards in the "Best Homelessness Scheme of the Year" category. This prestigious award is testimony to the impact of our vital work, supporting young people from disadvantaged backgrounds to have a brighter future.

Trustees' Report

Financial review

Income

The total incoming resources from charitable activities and investment income for the year ending 31st March 2020 were £267,776.

Expenditure

Total expenditure for the year ending 31st March 2020 was £261,708.

Summary

There was a surplus of income over expenditure from charitable activities and investment income of £6,068.

The reserves policy commits the charity to assigning any unallocated funds to the reserves on a year on year basis until the reserves represent six months' expenditure of the Charity. The unrestricted funds for the year ending 31st March 2020 are £98,288. This amount would allow for any foreseeable costs involved in the winding up of the charity

Principal funding sources

Our floating support and supported lodgings services are commissioned by Doncaster Council and we receive funding from a range of other organisations for the non-commissioned services we provide.

During 2019-20 funding and grants were gratefully received from the following organisations:

- Doncaster Council
- National Lottery Community Fund
- The Belms Trust - CIO
- The Charles & Elsie Sykes Trust
- The Co-op Local Community Fund
- The Foundation for Social Investment
- St James's Place Foundation
- John William Chapman Earlsmere Trust
- The Oliver Borthwick Memorial Trust
- Persimmon Homes
- South Yorkshire's Community Foundation

We also received donations from a range of companies and individuals for which we are extremely grateful. We should like to express our particular appreciation to First Class Design who adopted us as their Charity of the Year, in support of our vital work.

We were also pleased to continue our working relationship with Sheffield Hallam University and the University of York, through which we provide work placements for students undertaking Social Work studies.

We were delighted to once again receive external recognition for our work, being highly commended in the 24housing Awards in the category "Care and Support Provider of the Year".

Trustees' Report

Statement of Trustee's Responsibilities

The trustees (who are also the directors of Doncaster Housing for Young People Ltd for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiners

Crozier Jones LLP offer themselves for reappointment as Independent Examiners.

Doncaster Housing for Young People Ltd

Independent Examiner's Report to the trustees of Doncaster Housing for Young People Ltd

I report on the accounts of the charity for the year ended 31 March 2020 which are set out on pages 8 to 21.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Doncaster Housing for Young People Ltd

Notes to the Financial Statements for the Year Ended 31 March 2020

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Doncaster Housing for Young People Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Doncaster Housing for Young People Ltd

Notes to the Financial Statements for the Year Ended 31 March 2020

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Taxation

The company is a registered charity. No tax charges have arisen and the company is not VAT registered.

Tangible fixed assets

Individual fixed assets costing £1,000.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Office equipment	25% reducing balance basis

Doncaster Housing for Young People Ltd

Notes to the Financial Statements for the Year Ended 31 March 2020

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
