# REPORT OF THE COUNCIL OF MANAGEMENT FOR THE YEAR ENDED 5 APRIL 2020 (CONTINUED)

# STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is governed by the conditions contained in its Memorandum and Articles of Association.

#### Trustees

The Memorandum of Association of the Marc Fitch Fund allows for up to 15 members of the Council of Management, who are the charity's trustees. The Council oversees the main purposes of the Fund. The Fund appoints trustees with specialist expertise in the academic disciplines listed in the objects of the Fund. In addition, one or more trustees are appointed for their expertise in finance and investment.

## Induction and Training

For new trustees, induction takes place by means of written briefings and introductory sessions of the Council of Management. Trustees may participate in trustee training courses such as those provided by the Directory of Social Change. In addition, places on financial and investment management courses were taken up by trustees.

#### Organisational structure and how decisions are made

Major decisions concerning the operation of the charity are dealt with by the Trustees at their twice yearly meetings. Matters of finance and investment are delegated to the Finance Committee of the Council to which the Committee reports. Management of the activities of the charity on a day to day basis has been delegated to the Director.

#### Risks

The Council of Management at their meetings will consider potential risks to the Fund and agree policies to mitigate these.

# Council members' responsibilities

The Council members (directors) are responsible for preparing the Annual Report and the accounts in accordance with applicable law and regulations.

Company law requires the Council members to prepare accounts for each financial year. Under that law the Council members have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Council members must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these accounts, the Council members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The Council members are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# REPORT OF THE COUNCIL OF MANAGEMENT FOR THE YEAR ENDED 5 APRIL 2020 (CONTINUED)

So far as the Council members are aware, there is no relevant audit information (information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware and each Council member has taken the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

# **OBJECTIVES AND ACTIVITIES**

Founded in 1956 by M.F.B. Fitch, CBE, the object of the Fund is the improvement and diffusion of knowledge, and the promotion and study of education and research in, archaeology, historical geography, history of art and architecture, heraldry, genealogy, the use and preservation of archives, and other antiquarian, archaeological and historical studies. The primary focus of the Fund is the local and regional history of the British Isles.

The Policy of the Fund is to give assistance towards projects including the research and publication of works that fall within the objects of the Fund. To that end the Fund makes awards to both individuals and institutions.

Applications are considered by the Council of Management at its meetings which are usually held twice a year, in Spring and Autumn. Grants are awarded to the successful applicants, and range from relatively minor amounts to more substantial special project grants which may be paid over more than one year. It is clear that, in many cases, the awards enable work to be undertaken, or the results published either in print or on-line form, which would not otherwise be achieved. The Fund's objectives for the year, and strategies to achieve these objects, remain substantially the same as in the previous year.

# **PUBLIC BENEFIT**

The charity provides public benefit through its support of research, publication and the dissemination of knowledge in the fields set down by the Founder in the charity's Articles of Association (see above). Awards are open to institutions and to all individual members of the public where the subject-matter of their work falls within the areas of study specified, and is likely to achieve the required scholarly standard.

The Trustees have complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

# **ACHIEVEMENTS AND PERFORMANCE**

During the year to 5 April 2020 the Fund awarded 48 grants the value of which amounted to a total of £258,978. The Fund generally receives one copy of each print publication which has been grant-aided by the Fund. These publications are generally donated to university or public libraries or other libraries with charitable status.

# REPORT OF THE COUNCIL OF MANAGEMENT FOR THE YEAR ENDED 5 APRIL 2020 (CONTINUED)

#### **FINANCIAL REVIEW**

A small subcommittee of the Council of Management is responsible for financial matters including investment policy in conjunction with investment managers. The bulk of the investment portfolio is managed by Brewin Dolphin in accordance with the mandate provided by the Trustees. Some 7% of the portfolio is invested in the Charities Property Fund managed by Savills Fund Management.

The income of the Fund is mainly derived from its portfolio of investments with a small amount of donated income.

Total funds have decreased during the year by £1,417,513 which is mainly due to the decrease in market value of the Fund's investments as a result of the Covid-19 pandemic and its effect on the stock market. The net asset position of the Fund at 5 April 2020 was £6,083,648.

## **RESERVES**

It is the Fund's present policy to maintain a capital level (investment capital and money on deposit) sufficient to support its regular working expenditure and its traditional constituency of single-grant applications. It will hold on reserve one year's working expenses and may also accumulate additional reserves in order to make larger grants to fund longer-term applications. These special projects will be reviewed at the Council's twice-yearly meetings. The Fund operates on the assumption that all grants will be taken up. The Fund's reserves policy is reviewed every three years and stated each year in its Annual Report and Accounts. As at 5 April 2020 the balance on the designated unexpended income fund was (£37,548).

# **PLANS FOR FUTURE PERIODS**

The Fund will continue to maximise its income for the purposes of grant aiding as many eligible projects as possible, consistent with the aim of preserving the capital value of the investment portfolio in real terms. It will continue to review the greatest areas of need, taking into account technical developments in academic publishing, and will re-balance its giving where necessary, while maintaining the objects of the charity.

The company's annual report has been prepared to comply with SORP (Statement of Recommended Practice) Accounting by Charities.

The auditors Critchleys Audit LLP will offer themselves for re-appointment at the next Annual General Meeting.

#### SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

#### OPINION

We have audited the accounts of Marc Fitch Fund (the "Charity") for the year ended 5 April 2020 which comprise the Statement of Financial Activities, Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the accounts:

- give a true and fair view of the state of the Charity's affairs as at 5 April 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice:
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard and the provisions available for small entities, in the circumstances set out in note 2(c) to the accounts, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Council of Management's use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the Council of Management have not disclosed in the accounts any identified material uncertainties
  that may cast significant doubt about the Charity's ability to continue to adopt the going concern
  basis of accounting for a period of at least twelve months from the date when the accounts are
  authorised for issue.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE MARC FITCH FUND (CONTINUED)

#### Other information

The Council of Management are responsible for the other information. The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Council of Management report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the Report of the Council of Management have been prepared in accordance with applicable legal requirements.

# Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Council of Management.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- sufficient accounting records have not been kept;
- the accounts are not in agreement with the accounting records and returns;
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.
- the Council of Management were not entitled to take advantage of the small companies' exemptions
  in preparing the Report of the Council of Management and from the requirement to prepare a
  strategic report.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE MARC FITCH FUND (CONTINUED)

## Responsibilities of the Council of Management

As explained more fully in the Council of Management's responsibilities statement [set out on page 3], the Council of Management are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the Council of Management are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council of Management either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

# Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

# Use of our report

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.
