### **OBJECTIVES AND ACTIVITIES**

The main aims and objectives of SPMA are as follows:

- \* To develop a community based organisation that serves the needs and aspirations of the Pakistani population and the wider community in Sandwell.
- \* Establishing an education and training programme.
- \* Providing advice and information.
- \* Providing a point of reference and access for other groups within Sandwell.

The SPMA provides services and activities to the community in the following areas:

- \* Education and Training
- \* Social Welfare
- \* Debt Management & Support
- \* Health Development
- \* Youth Development

Promoting well being in the local community, we want people to find help in times of crisis, we also want to support people recovering from problems to work out and implement their own ideas for a better life.

Improving the quality of life and well being are not merely about enduring and coping;they involve taking control and enjoying life to the full. This means valuing individuals experience and talents whatever their current circumstances. We want a centre that stimulates active participation; our visitors will give support as well as receive it through self-help groups and mutual volunteering schemes.

We want people to be able to seek help in a place that is familiar and unintimidating and does not set seekers apart from the rest of the community.

### TRUSTEES STATEMENT

First and foremost the trustees would like to thank the staff and volunteers for their hard work and commitment over the past year. We greatly appreciate the invaluable contribution they have made to our work.

On behalf of the Charity we would like to express our thanks to all the donors, both individuals and companies. Their kind contributions are appreciated and their continued support is valued by the Charity.

### **REVIEW OF DEVELOPMENTS**

This year has been productive, with many new links having been established and a number of exciting opportunities to be explored during the coming year. SPMA has been involved in a number of projects which are raising the charity's profile within the local communities. Furthermore, SPMA's work has been publicised more this year and as a result a greater number of people are interested in the charity's activities.

Management Committee members meet Bi- monthly to review the performance of the organisations staff and the projects that they are running as well as ensuring that the organisation is continuing to be run on a financially secure basis. In this financial year, SPMA has continued to work towards securing funding for the core costs of the organisation as well as funds for the main activities and services the organisation provides.

Further refurbishment has now been completed for the Victoria Centre. This has enabled the centre to be fully operational offering the following facilities:

- \* Providing multi-interest access.
- \* Study support classes for young people.
- \* Activities for men and women.
- \* Sporting activities for all age groups.
- \* Centre hire for various functions and business seminars.
- \* Healthy Cooking Classes.

The vision for Victoria Centre is to transform it into a vibrant community hub which will cater for all members of the community and also to hire the centre out for various functions, thus resulting in an additional income stream enabling SPMA to be self sustaining and to further increase its activities and guidance which includes:

- \* Welfare Rights.
- \* Debt Management Service
- \* Housing.
- \* Benefits.
- \* Support and Advocacy.
- \* Translations Service.

During 2019/2020 SPMA officially supported 17,198 clients and total income generated through Advice Service was £1,817,332.00

SPMA are Authorised and Regulated by the Financial Conduct Authority (FCA) as a consumer credit Firm (629701), providing a Debt Advice & Management Service to our clients.

This financial year the total number of debt cases was 1,281 with a total debt value of £2,316,647. Through our intervention and advice/support the total value of debt reduced or written off was £773,031. (33%).

Although SPMA have exceeded all targets set by the SLA and have made a huge difference to people's incomes, we are acutely aware that in times of financial hardship and local authority cutbacks, it is very often the voluntary sector which feels the effects. As such SPMA will seek funding from a range of sources including Specialist funding, Trusts and Government sources as well as Contracts with service providers to continue to deliver and improve all aspects of the organisations work.

### TRUSTEES STATEMENT

#### **RISK MANAGEMENT**

Accounting functions are carried out by the Trustees and staff. The Trustees have reviewed the areas of potential risk for the Charity and concluded that there are sufficient controls in place to protect all the current fund-making activities. The Trustees will review this issue on an annual basis and, where appropriate take advice from the accountants. The Trustees meet the accountants each year to discuss their report on internal financial controls and their recommendations arising from the preparation of accounts. Their recommendations are adopted.

SPMA will give due consideration to issues such as local culture, traditions and the political situation. They will also consider the advice, information and views from local groups which will play an important part in deciding what projects and purposes will most effectively benefit a community and fulfil the Charity's purposes.

#### **RESERVES**

The Trustees consider it prudent that unrestricted funds should be sufficient for the Charity's use. The Trustees have decided that there is a need to maintain unrestricted funds for the following reasons:

- (a) To provide funds which can be designated to specific projects to enable these projects to be undertaken at short notice and
- (b) To cover administration and support costs without which the Charity could not function.

The Board of Trustees are satisfied that the Charity is in a position to meet all its commitments out of income and that its reserves are sufficient for its purposes.

### **RESULTS**

The results for the year are set out in the attached accounts. Incoming resources amounted to £158,849 and resources expended amounted to £161,134 generating a loss of £2,285 (2019: £5,890)

Excluding Depreciation of £1,791 the results show a loss of £494.

### **ACCOUNTANTS**

A resolution to re-appoint Shabir Nawab & Co, as accountants will be put to the members at their 2020 meeting.

By Order of the Board of Trustees

Amjad Ali General Secretary
