PELTON FELL COMMUNITY PARTNERSHIP

ANNUAL REPORT FOR THE FINANCIAL YEAR 2019/2020

PFCP Annual report for 2019/2020

Chair's Remarks

The Independent Examiner's Report and the accompanying Financial Statement and Balance Sheet indicate the funding that the Partnership has been able to generate. However, it is of considerable concern that the Partnership is so dependent on considerable external funding for its activities for the benefit of the residents of Pelton Fell

Section VI of the Director's report outlines their view of the situation in the next financial year. It is becoming clearer that future external funding will become harder to obtain. As such, the Partnership will need to develop its own independent funds if the services that are available currently are to continue. To that end, it will be seeking the support of residents and others living, working and visiting Pelton Fell to contribute to its charitable aims for the area and so help to continue the development of a successful and vibrant locality.

V Financial review

V.1 Funding

There has been success in obtaining grant funding for activities to benefit the area. For details see ANNEX 1 below.

V.2 Policy on "The Reserves" {included within "Designated Funds"}

The Partnership has a financial reserves policy in accordance with good practice.

In March 2012 it was agreed that the reserve fund should eventually provide for the costs of:

(a)	Running costs for the Brockwell C	Centre	
	Centre up to a maximum	0.3 % of required provided	£ 0,070.59
	of 6 months:		
(b)	Redecoration costs on	0 % of required	£ 0
	a 5 year cycle:		
(c)	Possible staff redundancy costs:	100 % of required as at March 2019	£ 1,590.00
V.3	"Designated Funds"		
(i)	"The Reserves" from V.2 above		£ 1,660.59
(ii)	A sinking fund has been created fr	om Section 106 Planning provision	£7,523.00
	for the future maintenance of the M	Aulti Use Games Area:	
(iii)	Funds deposited by Bingo Club fo	r its own use:	£ 0,306.22

Thus the overall "Designated funds" available totaled £ 9,489.81 as at 31st March 2020.

VI Outlook for the future

VI.1 2020/2021

(ii)

(iii)

The Partnership's strategic priorities are:

- (i) The development of a funding strategy to ensure funds to enable the running of the Brockwell Centre and work on community engagement and development.
 - The provision of community development activities to give rise to;
 - (a) More engagement and better cohesion; and,
 - (b) Improved capacity and active citizenship; and,
 - (c) Improved health, standard of education, and prospects of employment and so contribute to the local economy.
 - (a) The Clean, Green and Safe Charter and associated matters; and,
 - (b) The development of other projects to provide improvements in the local environment

(iv) Negotiations to continue with a third party to become involved in the Centre. If they are successful it is thought that the continuation of the Centre as a viable concern will result.

VI.2 2021/2023

Unless community involvement can be increased substantially the continuation of the Partnership is uncertain as its existing Directors are aging and there is considerable difficulty in finding replacements. As stated in Section II.4 above, "Community Directors" (effectively local residents) have to be in a majority. It may well prove necessary to modify the current Articles/Memorandum of Association to ensure the continuation of the Partnership and the operation of the Centre.

The finalization of the Negotiations with a third party resulting in its involvement in the Centre.

VII Statement of Public Benefit

The Directors consider that they have complied with their duty as Charity Trustees to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

Approved by the Board of Directors on 29th July 2020

Signed on behalf of the Directors by:

Linda Marshall, Chair

Colin Reynolds, Secretary

1. Accounting policies

 a) The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006, and follow recommendations in Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) issued July 2014.

The charity constitutes a public benefit entity as defined by FRS102.

There was no adjustment necessary on the first adoption of FRS102.

- b) Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. The value of services provided by volunteers has not been included. Donated fixed assets are capitalised at estimated market value.
- c) Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities for the year to which they relate.
- d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- e) Resources expended are allocated to the restricted fund where the costs relate directly to the funded charitable activity.
- f) Tangible fixed assets costing £200 or more are capitalised and included at cost including any incidental expenses of acquisition. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows :-

Fixtures and Fittings 20% Straight line

- g) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.
- Restricted funds are to be used for the specific purpose as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.
- i) The Charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the Charity. The annual contributions payable are charged to the statement of financial activities.

The trustees are satisfied that the charity is entitled to exemption from the provisions of the Companies Act 2006 (the Act) relating to the audit of the accounts for the year by virtue of section 477, and that no member or members have requested an audit pursuant to section 476 of the Act.

The trustees acknowledge their responsibilities for:

(I) ensuring that the charity keeps proper accounting records which comply with section 386 of the Act, and

(ii) preparing accounts which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of sections 395 and 396 and which otherwise comply with the requirements of the Act relating to financial statements, in so far as these are applicable to the charity.

These accounts are prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small entities.

1. Accounting policies

 a) The financial statements have been prepared under the historical cost convention, and in accordance with the Companies Act 2006, and follow recommendations in Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) issued July 2014.

The charity constitutes a public benefit entity as defined by FRS102.

There was no adjustment necessary on the first adoption of FRS102.

- b) Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. The value of services provided by volunteers has not been included. Donated fixed assets are capitalised at estimated market value.
- c) Grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities for the year to which they relate.
- d) Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.
- e) Resources expended are allocated to the restricted fund where the costs relate directly to the funded charitable activity.
- f) Tangible fixed assets costing £200 or more are capitalised and included at cost including any incidental expenses of acquisition. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows :-

Fixtures and Fittings 20% Straight line

- g) Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.
- Restricted funds are to be used for the specific purpose as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.
- i) The Charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the Charity. The annual contributions payable are charged to the statement of financial activities.

Where the expenditure relating to a particular fund exceeded the amounts received from the funder, a transfer from a) general funds is then arranged to cover the deficit/matched funding requirements. Small fund balances have been transferred to general funds to recognise admin costs of the fund.

b) In accordance with best practice as the purchase of the assets (computer equipment) fulfils the requirements of the restriction imposed but is capital in nature a transfer has been made to general funds and a designated fund created for the future depreciation of the equipment concerned which will be treated as resources expended.
