WILLIAM HARVEY RESEARCH FOUNDATION (A Company Limited By Guarantee)

Trustees' Annual Report and Consolidated Financial Statements 31 MARCH 2020

COMPANY NUMBER: 2472965

CHARITY NUMBER: 803012

OBJECTIVES AND ACTIVITIES

The objectives of the charity, as contained within its Memorandum and Articles of Association, are to promote and support for the benefit of the public medical research leading to new treatments for cardiovascular, inflammatory, metabolic and other diseases and to disseminate the results thereof. In shaping the objectives for the year and planning activities, and in presenting this report, the Trustees have endeavoured to comply with the Charity Commission's public-benefit requirements to illustrate identifiable benefits that are for the public good. The charity carries out its objectives primarily by pursuing the following activities:

- (i) funding research into the causes and underlying mechanisms of cardiovascular, inflammatory and endocrine diseases, and the experimental evaluation of potential new treatments, the results of which are published in scientific journals and presented at scientific meetings;
- (ii) Supporting postgraduate research training through funding of PhD studentships, postdoctoral fellowships and travel awards to attend scientific meetings;
- (iii) Sponsorship of conferences and seminars to discuss advances in research in certain disease areas.

The charity's grant-making policy has been established to achieve the charity's objectives for the public benefit and is consistent with the requirements of its membership of the Association of Medical Research Charities (AMRC).

ACHIEVEMENTS AND PERFORMANCE

- (i) As in 2018-19, no new research grants were awarded in 2019-20. Nevertheless, the Foundation and its trading subsidiary maintained its research support at £1,104,407 (2019: £998,040), as follows: £750,243 (2019: £569,833) on cardiovascular disease, £177,718 (2019: £215,041) on inflammatory disorders, £1,469 (2019: £13,166) on endocrine diseases and £174,977 (2019: £200,000) on other diseases, inclusive of studentships in those areas. Between the Foundation and the Trading Company 21 (2019: 17) scientists at WHRI were funded in full or in part during the year.
- (ii) Following consultation with prospective donors and beneficiaries, the principal fundraising appeal was changed from the John Vane Chair to the John Vane Academy, to target support for research into therapeutic innovation to address unmet medical need on the next generation of scientific investigators, in particular to provide a new cohort of PhD studentships.
- (iii) a new twin-track fundraising approach was launched, pursuing (a) the leveraging of match funds from third-party partners in support of specific research projects, in particular PhD studentships, and (b) cultivating new contacts individuals, trusts and corporates into prospective donors in support of the charity's objects in general or the John Vane Academy in particular.
- (iv) The charity made its inaugural Lay Communication Prize award. This is targeted at early-career researchers at the William Harvey Research Institute to encourage the skill of presenting to non-scientific audiences, through both written and oral communication. Another prize award, and a travel award for the competition runner-up, were made in May 2020. This also forms part of the charity's marketing efforts to raise the profile of the charity, particularly using video communication.

ACHIEVEMENTS AND PERFORMANCE (continued)

- (v) The charity accepted an invitation from Philanthropy Impact to present at one of its events in March 2020, thus helping to raise the profile of William Harvey Research, and the John Vane Academy in particular, to new contacts. Attending such events and generating opportunities for new contacts to visit the WHRI site at Charterhouse Square, London, is a priority, notwithstanding the limitations presented by the coronavirus pandemic.
- (vi) The charity's Grants Review Committee, with its majority membership of external senior-researchers, met in March 2020 to independently peer-review the applications from WHRI for the John Vane Academy's inaugural PhD research programme in the areas of inflammation, immunity and ageing.
- (vii) As a result of its patient building of relationships with the WHRI in particular over the last six years, including the appointment of a cohort of WHRF ambassadors within WHRI, the first collaborative efforts are bearing fruit, including an award in May 2020 of £94k from the Lorna and Yuti Chernojovsky Biomedical Research Foundation for a PhD studentship.
- (viii) Following consultation with prospective donors and beneficiaries, an extraordinary general meeting was held on 28 January 2020 and a special resolution passed by the Members to amend the charity's objectives, replacing 'fundamental research' with 'medical research'. This better meets the charity's translational and therapeutic-innovation research-priorities targeted at addressing unmet medical need.

FINANCIAL REVIEW

In the year and taking into account movement in investments, the Foundation received total income of £1,458,348 (2019: £1,472,608 restated). With total expenditure of £1,472,219 (2019: £1,439,145 restated), there was a net deficit of £13,871 (2019: £33,518 surplus). The Foundation's net assets at 31st March 2020 were £300,005 (2019: £313,876). Cash in hand of £568,878 was significantly higher than last year at £319,068, returning to its more usual level.

The Trading Company distributed £130,043 in the financial year ended 31st March 2020 and, subject to a final decision taking account of all circumstances, future commitments and material liabilities, will distribute £71,586 in the financial year ending 31st March 2021 to be added to the Foundation's reserves, primarily to cover future operational and development costs, and to support future grant-making, as determined by the Trustees. This distribution is lower than the 20-year average of £112k, due to the significant adverse impact of the coronavirus pandemic on the John Vane Memorial Symposium in particular.

Risk management

The Trustees examine on a regular basis both real and potential major business and operational risks, based on an in-depth analysis provided by the Audit committee, and confirm that systems and a reporting structure have been established to enable ongoing monitoring and action to be taken to mitigate risks, including the regular review and renewal of relevant insurance policies. The principal risk to the Foundation is not maintaining sufficient free reserves to offer regular rounds of open-call awards and other grants, which is being addressed by the continued profitability of the Trading Company and the Foundation's concerted fundraising efforts. Usually, the principal risk to the Trading Company is external competition affecting contract-research activities. At present, the chief risk to both entities is the impact of the coronavirus pandemic, in particular the opportunity to conduct contract research and to host events. With the cancellation of the John Vane Memorial Symposium in March 2020 liabilities have been accounted for in 2020-21 although some principal costs have been deferred to 2022 when it is next anticipated the event will be hosted in person. Preparations are underway for an online meeting in March 2021 for which there has been an applicable reduction in the unrestricted educational grant received from United Therapeutics Corporation. The Foundation is prioritising its fundraising efforts in what is a more difficult climate and both entities are reviewing their cost structures, with the intention of reducing the financial burden of the reserves policy over the next three years and improving the charity's position to offer more grants.

FINANCIAL REVIEW (continued) Risk management (continued)

In order to maximise possible returns, to diversify the risk and to ensure readily available funds to meet its cash-flow commitments, the Foundation invests its cash reserves in several short-term deposit accounts, with the aim that no single deposit with any one financial institution exceeds £85,000, in line with the limit of the Financial Services Compensation Scheme.

Reserves policy

The reserves are used to cover the Foundation's development and administration costs, with 40% of salary costs for administration reimbursed to the Trading Company.

The Foundation's reserves policy, as determined by the Trustees, is to achieve free reserves approximating to a level: (i) to meet costs covering 12-months' expenditure, calculated at approximately £80,000 at current levels; (ii) to provide sufficient funds, of at least £30,000 a year, to support the development of the Foundation; and (iii) to meet future grant commitments entered into in previous years (see Note 21). Relying on both the Trading Company and Foundation, the level of free reserves for the year under review amounts to £222,007 (2019: £212,373). Free reserves are funds that do not have a restricted or designated purpose and which are not tied up in fixed assets.

PLANS FOR FUTURE PERIODS

The Trustees will prioritise its fundraising efforts on supporting the John Vane Academy, and will undertake a comprehensive review of its costs and its charitable expenditure for 2020-23 to ensure it can weather reductions in income arising from the coronavirus pandemic.

The Trustees continue to offer their full support to the Trading Company, its Directors and their business model.

The Trustees continue to build and cultivate a closer working relationship with the William Harvey Research Institute (WHRI) and to support its scientific and educational endeavours.

The Trustees continue to look to broaden and deepen their expertise to deliver the priorities of the Foundation, and are committed to keeping under review governance arrangements to ensure ongoing compliance and the effective working of the Foundation.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation is registered as a charity with the Charity Commission of England and Wales and is a company limited by guarantee not having a share capital and registered with Companies House. It is governed by its Memorandum and Articles of Association, which were amended by resolution at the Company's annual general meeting on 12 October 2016 and again by resolution at an extraordinary general meeting on 28 January 2020.

The Foundation is the majority shareholder (60%) of William Harvey Research Limited, a company limited by shares and registered in England and Wales. The minority shareholder (40%) is Queen Mary University of London. There are no Trustees on the Board of Directors of the Trading Company, but Trustees make up the majority of members of the Trading Company Board's Audit and Remuneration committees.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Trustees are appointed by ordinary resolution at a general meeting of the charitable company, although Trustees may be appointed pro tem by the Board of Trustees until the following annual general meeting. The exception is one representative of Barts and The London School of Medicine, whom the Trustees may appoint as a Trustee under the provisions of the Articles of Association. The minimum number of Trustees at any time is four, and the maximum ten. Trustees are appointed for five years and on retirement are eligible to be reappointed, normally for one further term only.

New Trustees are identified by the Board of Trustees and must first be Members of the company, appointed as such by the Board of Trustees. (The membership of the company must contain a majority who are relevantly scientifically qualified.) The Board of Trustees is constituted of individuals with appropriate expertise and experience to direct the activities of the Foundation, in particular its charitable, scientific and executive functions. Dr Francesca Gliubich was elected following her appointment pro tem by the Board on 7 May 2019 and Dr John Gordon retired as a Trustee on 5 May 2020.

The work of the Board of Trustees is supported by the Audit committee, containing a majority of members who are Trustees, and a Grants Review Committee, which includes over 50% external, unconnected persons, in line with the peer-review policies of the Association of Medical Research Charities. Each Board committee has terms of reference agreed by the Board, and there is a schedule of matters reserved for the Board and a communications protocol to ensure appropriate and timely communication and decision-making between committees and the Board. The Foundation also has a Philanthropy Development Board, chaired by a Trustee, to lead and direct its fundraising activities.

The Board and its committees are supported by a part-time Development Manager to support its fundraising activities and a part-time Accountant. The post of Scientific Programme Director was not refilled following the retirement of Professor Roger Corder on 7 December 2019, nor was the role of WHRI Liaison Director, performed by Professor Adrian Clark until September 2019. Further support is provided as required by a corporate services consultant. The same consultant and Accountant also support the Board of the Trading Company, which has four directors. Trustees receive no remuneration. Remuneration of the Trading Company's directors and staff is reviewed and benchmarked annually. The Foundation works closely with the Trading Company and the William Harvey Research Institute, benefitting from their relevant expertise and capacity to enhance the Foundation's fundraising activities.

FUNDRAISING POLICY

The Foundation's approach to fundraising excludes any contact with the public and involves no commercial participators or professional fundraisers. The Foundation promotes support for its charitable activities and seeks to raise funds with explicit consent from potential donors. The Foundation is registered with the Fundraising Regulator (FR) and contributes to the FR levy and adheres to the FR Code of Practice. No complaints have been received in the year.

RELATED PARTIES

The Trustees have submitted to Moore Kingston Smith LLP, the Foundation's external Auditors, for inspection 'Declaration of Related Party Interests and Fit and Proper Status' forms to assist them in conducting their audit in accordance with the revised and redrafted auditing standards as issued by the Auditing Practices Board.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also Directors of the William Harvey Research Foundation) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

AUDITORS

Moore Kingston Smith LLP were appointed auditors to the company during the year and in accordance with section 485 of the Companies Act 2006, a resolution proposing that they will be reappointed will be put at the Annual General Meeting.

appointed will be put at the Annual General Meeting.
The Trustees' Annual Report is approved by the Trustees in their capacity as Directors.
This report was approved by the Board on2020.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF WILLIAM HARVEY RESEARCH FOUNDATION

Opinion

We have audited the financial statements of William Harvey Research Foundation (the 'company') for the year ended 31 March 2020 which comprise the Group Statement of Financial Activities, the Group and Parent Charitable Company Balance Sheets, the Group Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 March 2020 and of the group's incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's and parent charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF WILLIAM HARVEY RESEARCH FOUNDATION (continued)

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Act 2011 require us to report to you if, in our opinion:

- the parent charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company 's financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from preparing a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees (who are also the directors of the charitable company for the purpose of the law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF WILLIAM HARVEY RESEARCH FOUNDATION (continued)

Responsibilities of trustees (continued)

In preparing the financial statements, the trustees are responsible for assessing the group and parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under the Companies Act 2006 and section 151 of the Charities Act 2011 and report in accordance with those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the group to express an opinion on the consolidated financial statements. We are
 responsible for the direction, supervision and performance of the group audit. We remain solely
 responsible for our audit report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS AND TRUSTEES OF WILLIAM HARVEY RESEARCH FOUNDATION (continued)

Auditor's responsibilities for the audit of the financial statements (continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and, in respect of the consolidated financial statements, to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charitable company, the charitable company's members, as a body, and the charity's trustees, as a body, for our audit work, for this report, or for the opinion we have formed.

Shivani Kothari (Senior Statutory Auditor) for and on behalf of Moore Kingston Smith LLP, Statutory Auditor

Devonshire House 60 Goswell Road London EC1M 7AD

Date:

Moore Kingston Smith LLP is eligible to act as auditor in terms of Section 1212 of the Companies Act 2006.

1. ACCOUNTING POLICIES

a) Accounting Convention

These financial statements are prepared on a going concern basis, under the historical cost convention, modified so that investments are being measured at fair value through income and expenditure within the Statement of Financial Activities.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charitable Company and its subsidiary is a public benefit group for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011.

The Trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charitable group to continue as a going concern. This primarily arises from the coronavirus pandemic, with an expected reduction in income from the trading subsidiary as a result of the difficulties of conducting contract research and hosting events. With the postponement of the John Vane Memorial Symposium planned for March 2020, some of the principal costs have been deferred into 2022, when it is expected the event will be next hosted in person, with plans underway for an online version only in 2021. The unrestricted educational grant received has been adjusted accordingly.

The Trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular, the Trustees have considered the charitable group's forecasts and projections, and have taken account of pressures on donation and investment income as well as the contribution from the trading subsidiary. After making enquiries, the Trustees have concluded that there is a reasonable expectation that the charitable group has adequate resources to continue in operational existence for the foreseeable future. The charitable group therefore continues to adopt the going concern basis in preparing its financial statements.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The principal accounting policies adopted in the preparation of the financial statements are set out below.

b) Basis of Consolidation

The William Harvey Research Foundation holds sixty per cent of the shareholding and voting rights in William Harvey Research Limited and is therefore its Parent Company and prepares consolidated accounts that include the activities, assets and liabilities of William Harvey Research Limited.

c) Income

Income is recognised when there is entitlement to the funds, the receipt is probable and the amount can be measured reliably. Donations in kind appraised and included in Donations are typically but are not limited to the use of propriety, utilities and facilities.

1. ACCOUNTING POLICIES (continued)

d) Sponsorship and Contract Research income

Sponsorship and Contract Research income is recognised on an accruals basis: income relating to future accounting periods is deferred and recognised in those future accounting periods. The basis of apportionment over the time is specified by the sponsor or the client.

e) Expenditure

Liabilities are recognised once there is a legal or constructive obligation to transfer economic benefit to a third party. It is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

f) Expenditure on raising funds

The costs of raising funds consist of marketing fees, sponsorship and contract research management costs, administration and governance expenses incurred for the running of the William Harvey Research Foundation and William Harvey Research Ltd.

g) Expenditure on charitable activities

Charitable expenditure comprises all expenditure incurred directly relating to the objects of the charity. They are accounted for on an accrual basis and have been classified under headings that aggregate all costs related to the category. They include grants made for research within the William Harvey Research Institute.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Charity. Unconditional grant offers are accrued once the recipient has been notified of the grant award and its payment is probable. Grant awards that are subject to the recipient fulfilling performance or other conditions are accrued when the recipient has been notified of the grant and either the performance condition is met or any remaining unfulfilled condition attaching to the grant is outside of the control of the Charity.

Grants are paid only for scientific research where an application covering the scientific proposal outlining the background of and the needs for the research, methods and financial support is submitted. The grant applications are evaluated by the Grants Review Committee, which recommends applications for approval to the Trustees, who make the decision. Provisions for future expenditure related to single or multi-year grants are made for salaries and PhD studentships. Further details of grants are disclosed in notes 8 and 9.

h) Governance costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include statutory audit and legal fees as well as Trustees' related expenses.

1. ACCOUNTING POLICIES (continued)

i) Pensions

The company contributes to employees' personal pension schemes in accordance with employment contracts and statutory pension regulations.

j) Irrecoverable VAT

Irrecoverable VAT incurred by the William Harvey Research Foundation is charged against the category of resources expended for which it was incurred.

k) Investments

Fixed asset investments are stated at market value. The Statement of Financial Activities includes net gains and losses arising on revaluation and disposals throughout the year.

Shares in William Harvey Research Ltd are stated at cost.

Changes in fair value and gains and losses arising on the disposal of investments are credited or charged to the income or expenditure section of the Statement of Financial Activities as 'gains or losses on investments' and are allocated to the appropriate fund, holding or disposing of the relevant investment.

I) Provision

In accordance with the SORP, provision for future costs is recognised for those grants where there is the constructive obligation of future provision of funds for payments of awarded grants.

m) Restricted Funds

Restricted funds represent amounts yet to be expended on grants from fund holders on restricted research projects. These are funds which were given for specific purposes which are narrower than the general objectives of the charity. Further details of restricted funds are disclosed in note 19.

n) Designated Funds

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes, in furtherance of the charitable objectives. Further details of unrestricted funds are disclosed in note 20.

o) Foreign Currencies

Transactions denominated in foreign currency are translated at the rate of exchange ruling at the date of the transaction. Exchange differences arising in the ordinary course of business are included in the operating profit. Assets and liabilities denominated in foreign currencies are translated into sterling at the exchange rates ruling at the balance sheet date.

1. ACCOUNTING POLICIES (continued)

p) Critical accounting estimates and areas of judgement

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

q) Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's statement of financial activities when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exception of prepayments and deferred income, all other debtor and creditor balances are considered to be basic financial instruments under FRS102. See notes 12 and 13 for the debtor and creditor notes.

9. GRANTS AND AWARDS

During the year the charity paid claims on one grant (2019: 2 grants) with a total value of £1,122 (2019: £4,763). This grant (2019: 2 grants) was to the William Harvey Research Institute, QMUL totalling £1,122 (2019: £4,763).

In addition, the trading subsidiary paid or made provision to pay awards to the William Harvey Research Institute, QMUL with a total value of £1,103,285 (2019: £993,277).

10. TAXATION

The William Harvey Research Foundation is a registered charity and therefore is not liable to income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.

11. FIXED ASSETS INVESTMENTS	2020 £	2019 £
Group		
Investment in subsidiary – at cost	30	30

The investment represents 60% of the total share capital of £50 of William Harvey Research Limited, a company incorporated in England and Wales.

William Harvey Research Limited principally receives Sponsorship and Contract Research income to conduct medical research. Net profit is passed by charitable distribution to the charity.

Queen Mary University of London owns the remaining 40% of William Harvey Research Limited. Queen Mary University of London cannot place any restrictions on the group's activities.

11. FIXED ASSETS INVESTMENTS (continued)

Summary of William Harvey Research Limited's results	2020 £	2019 £
Total income for the year Expenditure to third parties	1,427,277 (1,355,691)	1,440,561 (1,310,518)
Net income	71,586	130,043
Paid to the William Harvey Research Foundation	(130,043)	(148,533)
Net movement in reserves	(58,457)	(18,490)

£1,427,277 (2019: £1,440,561) had been adjusted in income and £1,355,691 (2019: £1,310,518) adjusted in expenditure to reflect the intercompany trading balances between William Harvey Research Limited and William Harvey Research Foundation.

	2020	2019
	£	£
Total assets	701,646	389,662
Total liabilities	(521,686)	(151,245)
Shareholders' funds	179,960	238,417

Transactions from the trading company to the charitable company for the year ended 31 March 2020 are as follows:

- Payment of charitable distribution of £130,043 (2019: £148,533)
- Recharges of salary costs and third-party invoices of £16,589 (2019: £24,493) inclusive of VAT where applicable

Transactions from the charitable company to the trading company for the year ended 31 March 2020 are as follows:

Recharges of internet banking fees and third parties invoices of £6,017 (2019: £126)

As noted Queen Mary University own 40% of William Harvey Research Limited.

Queen Mary University's share of the result for the year ended 31 March 2020 is a loss of £23,383 (2019: loss of £7,396).

Queen Mary University's share of shareholders' funds at 31 March 2020 is £71,984 (2019: £95,367).
