

Sir John Brunner Barnton Memorial Hall

*CHAIRMANS REPORT for 2020/2021*

This is the 3<sup>rd</sup> report prepared for the Sir John Brunner Memorial Hall – Charity No 1174152

This is currently a dormant company as our progress towards full Charitable Incorporated Organisations (CIO) status has still not progressed as fast as we would have liked. This has been due to an inability to obtain professional assistance at a reasonable cost, and the outbreak of the Covid19 Virus

Consequently we have still not set up any Bank or other financial accounts as we have not had any Income or Expenditure,  
All work so far undertaken by Trustees and other parties has been free of any charges.

The Trustees of the Sir John Brunner Trust – Barnton Memorial Hall are still keeping an overview on progress.

Up to this point the Trustees have not met as a new identity - the work required to date to setup this CIO has been undertaken within the meetings of the Trustees of the Sir John Brunner Trust – Barnton Memorial Hall.

At this AGM it is intended to appoint new Trustees for this company so there will not be conflict of interests during the legal process of finalising this company in its own right and to allow the transfer of all the assets belonging to Sir John Brunner Trust – Barnton Memorial Hall (charity No 5220009)

It is anticipated that progress will start in 2020/2021.
