Report of the Trustees
For the year ended 31st March 2020

The trustees (who are also the directors of the company for the purposes of company law) present their report together with the audited accounts of the charity for the year ended 31st March 2020. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

#### **Governing document**

The charity which is a company limited by guarantee is governed by its Memorandum and Articles of Association dated 28th March 1991. All members have agreed to contribute the sum not exceeding £1 in the event of a winding-up. It is registered as a charity with the Charity Commission.

#### Organisation

The Board of Trustees which can have up to 15 members administers the charity. The board meets at least six times a year and consists of sub-committees covering areas of strategic developments, governance, finance, personnel and building which meet regularly. A Managing Director is appointed (to act in the role of Chief Executive) by the trustees to manage the day-to-day operations of the charity. To facilitate effective operations, the Director acting in the role of the Chief Executive has delegated authority, within terms of delegation approved by the trustees, for the implementation of the strategic decisions at an operational level.

#### Objects and activities

The principal activity of the charity is to provide a free service that provides a wide range of support and therapeutic services to address the mental health and emotional well-being difficulties of Liverpool's children and young people aged 5 – 25 years and their families. The principal objectives include the following:

- 1. To promote and develop the personal, social and cultural welfare of children and young people.
- 2. To create and develop an environment where children and young people are accepted as individuals and whose views and values are acknowledged and respected.
- 3. To advocate with and on behalf of children and young people so that their views and needs are raised with other agencies.
- 4. To educate: offering children and young people the opportunity to develop the skills and knowledge to challenge attitudes which affect them within society.

Report of the Trustees
For the year ended 31st March 2020

#### Objects and activities (continued)

The charities activities are delivered from three Mental Health Community Hubs; geographically positioned in the north and south and city centre of Liverpool. The services delivered across the city are aimed at marginalised and vulnerable children, young people and families.

- Drop-in services which provide information advice and guidance, including group work and practical activities
- Counselling and Psychotherapy services subscribing to a variety of therapeutic modalities.
- Seedlings therapeutic services in Liverpool's primary schools
- Spinning World Project (Refugee and Asylum Seekers)
- Family therapy / counselling / support service
- · Community parenting project
- · Parenting training programmes
- Well-Being clinics in Liverpool's secondary schools
- LGBTQ+ projects: drop-in's and training programmes
- Systemic family practice
- Talent Match project
- Open Access community projects (Smarty's, Thrive and Sky)
- Domestic Abuse Therapy Service
- Youth Justice therapy and support service
- Primary Care Liaison Service
- Green Paper Trailblazer Project: Education, Mental Health Project

#### **Public benefit**

The trustees have had due regard to the guidance published by the Charity Commission on public benefit.

#### **Strategic Report**

#### Achievements and performance

This year has seen increase in commissioned projects and services to address the increased demand of mental health referrals and support the Liverpool population in terms of improved access; designed by YPAS's 3 x geographically positioned community hubs.

YPAS's core delivery is to provide a diverse range of support and therapeutic interventions to address the mental health and emotional well-being difficulties of children and young people and families; in an environment that carries a reduced level of stigma. The charity's strength as a unique, accessible young person centred organisation is consistently receptive to the political and environmental changing needs of children and young people and actively works with a diverse range of cross sector providers across health, education, social care, and youth justice.

This year YPAS has further evidenced the need for the integrated YIAC (youth, information, advice and counselling) model nationally. The model has been highly recognised and identified as one of the key priorities of the NHS England's transformation plan and 5 year forward view policy. The model is fully integrated across all 3 x community hubs and allows for a wide range of multi-disciplined services to be offered under one roof, in the community by a range of qualified, accredited mental health practitioners: providing the *right service*, at the *right time*, by the *right person*, from the *right place*.

This year YPAS received the full Seedlings contract from the CCG; increasing the charity's capacity to deliver its services in every primary school; an increase of 60 primary schools from the previous year.

This year, the charity also welcome increased CCG funding to develop a Primary Care Liaison Service; allowing YPAS to broaden its provision into every GP surgery in Liverpool and across the clinical networks.

Report of the Trustees
For the year ended 31st March 2020

#### Achievements and performance (continued)

This year YPAS:

#### Reached:

4,368 Children and young people, 701 Parent / carers and 547 Families

#### Delivered services in:

55 Primary schools, 53 Secondary schools, Liverpool communities and Liverpool GP's

#### Provided:

11,335 Therapy sessions, 8,463 Support sessions, 503 x Open Access Drop-in's, 37 x Parent Coffee Mornings, 9 x Parent Programmes and 92 LGBTQ Drop-in sessions.

#### **Operational Developments:**

- Developed the Primary Care Liaison Service (Liverpool GP Project).
- Extended the Seedlings service to deliver in Liverpool primary schools (Seedlings).
- Broadened well-being clinic provision into all Liverpool secondary schools.
- Further embedded the CYWP model across education and communities.
- Further embedded the community model; with the integration of the CAMHS partnership providers and wider services.
- Further developed the open access provision across all mental health community hubs.
- Extended the parenting service, to include additional community parenting practitioners.
- Transitioned the delivery model to include virtual delivery: digital platforms and telephone provision.
- Further enhanced the MHSDS national reporting system to recognised localised data nationally.

#### Strategic Achievements:

YPAS is actively involved in an array of local national strategies and frameworks:

- 5 year forward
- NHS England transformation plan
- Localised transformation plan
- National Trailblazer Green Paper
- Liverpool One Plan
- Mental Health and Emotional Well-being Strategy+
- National Transformation Framework
- Future in Mind Strategy
- Five-year Forward View
- Healthy Schools Agenda
- Youth Mental Health Strategy
- Parenting Strategy
- SEND Strategy
- Suicide prevention Strategy

All of which feeds into Liverpool's integrated strategic delivery plan that is underpinned by the operational principles of:

- · Early intervention
- Prevention
- Participation
- Workforce development
- Routine outcome monitoring
- Whole school approach

Report of the Trustees
For the year ended 31st March 2020

#### Achievements and performance (continued)

Early March experienced the initial impact of the unfortunate global pandemic of **COVID-19**; which required YPAS to develop and embed a range of response policies to support its business continuity plan.

The response strategy was implemented; which ensured the full workforce worked from home safely. In terms of continued delivery; YPAS's working from home policy ensured that all staff were equipped with the appropriate resources that allowed children, young people and families to continue to be reached and supported. Through IT investment, YPAS's digital platform was in place with 2 weeks of lock-down, allowing for continued delivery through a range a digital and virtual mediums:

- Zoom
- Microsoft Teams
- SKYPE
- Telephone
- Online
- Email

#### Quality assurance:

YPAS is recognised as a national beacon for its commitment to quality assurance. To ensure compliance; YPAS's robust systems and processes are monitored via internal and external audits and reviews.

- ISO 9001 accreditation
- DH IMG (level three)
- N3 Network MHSDS submission site
- Navajo accreditation
- CORC accreditation
- BACP accreditation
- · Participation Kite mark
- Policy management system
- GDPR
- Cyber Essentials
- · Staff supervision and appraisal

#### **Financial review**

Total income for the year amounted to £3,914,290 (2019 £2,899,256). Expenditure amounted to £3,812,403 (2019 £2,448,692) resulting in the year ending with an overall surplus of £101,887 (2019 £450,564) representing a surplus on restricted funds of £92,058 and a surplus on unrestricted funds of £9,829, the final balance on unrestricted funds is £110,084.

The final balance on restricted reserves is £938,179. However, we have budgeted for, and are expecting a deficit on restricted funds in the year ending 31st March 2021 which will significantly reduce the surplus carried forward.

#### Remuneration of key management personnel

It is within YPAS policy to pay the staff workforce in accordance with the local market rate and in line with similar organisations in the Merseyside area. YPAS's workforce consists of therapists, social workers and youth workers, receptionists and both middle and senior management; all of which are paid within the guiding principles of the NJC pay scales. NJC is a localised government pay system extensively used in the voluntary sector. The pay scales are a result of negotiations between trade unions and the Local Government Association.

Report of the Trustees
For the year ended 31st March 2020

#### Investment powers and policy

The charity's investment policy is to invest the monies of the charity not immediately required for its charitable purposes in or upon such investments, securities or property as may be thought fit, subject to conditions imposed or required by law.

#### Plans for future periods

The next 12 months will see YPAS developing its new normal as result of **COVID-19**; with a robust policy, process and system driven Recovery strategy that allows for a safe return back to work. All safety measures will be in place and the consideration of a phased return will be prioritised. We expect the virtual delivery platform to continue as a preference in addition to direct face-face support.

We expect the mental health and emotional well-being difficulties of children and young people to increase as a result of lock-down and don't envisage the future funding of the charity to be adversely affected as a result.

#### Risk management

The trustees have a risk management strategy which comprises:

- An annual review of the risks the charity may face.
- The establishment of systems and procedures to mitigate those risks identified in the plan.
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

The approach of the organisation is to balance the risks associated with greater competition for decreased opportunities for funding with the need to continue to provide high quality services to vulnerable children and young people. This has resulted in improvements in quality assurance, the development of a future business plan, and the refreshing of our funding strategy to diversify sources of funding.

**Beneficiaries -** YPAS provides a unique and comprehensive service to a wide range of children and young people aged 10-24. By supporting children and young people to design, manage and deliver our recent stakeholder event, we were able to ensure that the issues relative to the children and young people themselves were presented by our stakeholders. Their priorities are fed back to the board to maximise the impact they can have on the future development of the organisation.

Reputation management - YPAS has continued to raise its profile and to consolidate its reputation for quality and reliability. In addition to achieving quality assurance kite marks we are also in a position to advise other agencies on best practice in our areas of expertise, and to share learning on our organisational development in recent years. This is carried out through our contribution to strategic networks across statutory and voluntary sectors.

**Workforce** – The workforce has responded well to the directives determined by **COVID-19**. YPAS will continue to provide ongoing support and transparency for the teams in what can only be described as unfamiliar territory whilst striving for towards the continuation of the charity's business.

**Finance** - The Board of Trustees has overall responsibility for ensuring that YPAS has a system of internal control, management and audit to mitigate risk. This system of internal control can provide reasonable assurance against errors or fraud. Controls safeguard the assets belonging to YPAS and maintain the integrity of the accounting records.

Reserves policy - The amount of unrestricted reserves at 31st March 2020 was £110,084 (2019 £100,255) in total, of which free reserves amounted to £87,881 (2019 £80,142).

As over 80% of the charity's funding in 2019/20 arose through contracts and service level agreements and this is expected to be even higher in 2020/21, the trustees have reviewed the reserves policy going forward.

## Report of the Trustees For the year ended 31st March 2020

#### Risk management (continued)

The contracts entered into by Young Persons Advisory Service provide for a 3 months' notice period by either side wishing to terminate the contract. On this basis the charity would have sufficient time to re-organise and decide the future direction and feasibility of continuing operations, therefore future policy is to retain sufficient unrestricted funding to meet its liabilities for redundancy payments for 80% of staff. This would amount to £140,954 (2019 £91,952) currently.

#### Related parties

The charity works collaboratively with a range of cross sector organisations and commissioning authorities in pursuit of the charitable aims: Child and Adolescent Mental Health Services, Adult Mental Health Services, Liverpool Children's Services, Liverpool Youth and Play Services, Liverpool City Council.

#### Trustees

The trustees who served during the period are detailed on page 1.

H A Fessey and A G Kerr retire by rotation and being eligible offer themselves for re-election.

#### **Appointment of trustees**

Trustees are appointed at the Annual General Meeting or may be appointed to fill a casual vacancy or as an addition to the Management Council provided that the prescribed maximum is not exceeded. Any person so appointed shall retain office until the next AGM and may seek re-election. One third of the remaining trustees seek re-election by members of the charitable company attending the AGM. The Chair of the trustees is elected by the Management Council. The Chair of the Management Council shall preside as Chairman at every General meeting.

#### Trustee induction and training

New trustees will undergo orientation to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

#### Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue its activities.

Report of the Trustees
For the year ended 31st March 2020

## Statement of trustees' responsibilities (continued)

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the accounts comply with the Companies Act 2006. The trustees are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Trustees' statement of disclosure of information to the auditors

Each of the persons who is a trustee at the date of approval of this report confirm in so far as they are aware that:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the auditors are aware of that information.

#### **Auditors**

Mitchell Charlesworth LLP is willing to continue in office and a resolution for their reappointment will be proposed at the forthcoming Annual General Meeting.

#### YOUNG PERSONS ADVISORY SERVICE

Independent Auditor's Report to the Members of Young Persons Advisory Service

For the year ended 31st March 2020

#### Opinion

We have audited the financial statements of Young Persons Advisory Service (the 'charitable company') for the year ended 31st March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### YOUNG PERSONS ADVISORY SERVICE

Independent Auditor's Report to the Members of Young Persons Advisory Service

For the year ended 31st March 2020 (continued)

#### Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

#### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### YOUNG PERSONS ADVISORY SERVICE

Independent Auditor's Report to the Members of Young Persons Advisory Service

For the year ended 31st March 2020 (continued)

#### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on pages 7 and 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <a href="https://www.frc.org/auditorsresponsibilities">www.frc.org/auditorsresponsibilities</a>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### 1. Summary of accounting policies

#### (a) General information and basis of preparation

Young Persons Advisory Service is a company limited by guarantee and a registered charity in England and Wales. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out in the Trustees' Report on page 2.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

#### (b) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### (c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

#### Notes to the Accounts Year ended 31st March 2020

#### 1. Accounting policies (continued)

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to special performance conditions and is recognised as earned as the related services are provided. Grant income included in this category provides funding to support performance activities and is recognised when there is entitlement, certainty of receipt and the amounts can be measured with sufficient reliability.

#### (d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds.
- Expenditure on charitable activities.
- Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

#### (e) Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at the charity's registered office. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises and overheads have been allocated on the basis of staff numbers.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in note 7.

#### (f) Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold property

4% per annum

Freehold property improvements

- 10% reducing balance

Leasehold property improvements -

10% per annum

Fixtures and fittings

25% reducing balance

IT equipment

25% per annum

#### (g) Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

## Notes to the Accounts Year ended 31st March 2020

#### 1. Accounting policies (continued)

#### (h) Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

#### (i) Operating leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

#### (j) Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

#### (k) Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

#### (1) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties, including those arising from COVID-19, exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
