Principal Activities

2019/2020 Headlines & Highlights

The Rock Church London Mission is a church and faith-based charitable organisation that exists to reach those who are far from Go, with the love of Jesus, and equipping people from all walks of life to influence culture. The Rock Church London is intentional about serving our local communities, as well as our global initiatives by restoring hope, and transforming lives.

The following are our headline activities, projects and events for the financial year, as well as the impact these have had.

Weekly

Our weekly Sunday worship experiences are designed to welcome the entire community, irrespective of their level of faith, or lack of faith. Bringing people from all walks of life together in order to learn more about the Christian faith, experience authentic community, as well as empower people to live out their faith practically within the context of their communities and everyday lives

Our church has a growing demographics of young families, students (including international students), young entrepreneurs and creatives; therefore, our weekly gatherings are designed to help these demographics live out their faith beyond the four walls of the church building

Midweek Growth Classes

Weekly midweek gatherings, deigned to help people grow in their Christian faith through group study of the scriptures, discussions and training in prayer. These weekly gatherings often attract many from other churches in the local area, as well as those working locally to attend.

Discipleship

Eight-month discipleship programme that takes the form of a classroom lectures and practical demonstration. Registrants cover topics including Church History, Christology, Revival, Foundations of Christianity, Bibliology, The Jewish Roots of the Christian Faith, Global Missions, Street Evangelism and so much more

Connect Groups & Book Clubs

Small group meetings that take place on a monthly basis within the church as well as within coffee shops across East and South East London, as well as Essex North Kent.

One of our more popular small groups is the monthly Book Club, which meets up to discuss recommended group readings, as well as share their thoughts on these faith building books over a cup of coffee.

Worship Team Rehearsals & Song-writing Sessions.

Our worship team and music department meet regularly to train each other and new members on the skills and art of worship, music and song-writing. These sessions also include composing new original songs to be used during our worship experiences, for special events and for future studio recording sessions.

Bible in A Year

An online study group of over 50 people coming together to go through the bible annually, whilst empowering people to submit their own perspectives on the bible. This online study group has a wide net, with people from as far as The United States of America and Dubai, UAE taking part

New Church Home

After 4 years of having our church services in a cinema screen in London's Canary Wharf, and our offices in Bethnal Green, we finally relocated to our own leased building in the heart of Stratford, East London, that has enabled us to have a permanent base from which to conduct all our religious and charitable activities, enable us to serve our church community and communities at a greater level. Local charities and groups have also hired out our space for meetings, seminars and workshops.

Attendance

The average attendance for our Sunday worship experiences stands at 85, with our 'Big Sundays' – such as Easter, Baby Dedications and the like, seeing over 200 people in attendance.

Through our weekly livestreaming on the Facebook Live and YouTube Live platforms combined, we have an additional 200 people watching our Sunday worship experiences, per week.

Baptisms & Faith Decisions

This past year, we had over 50 decisions for Jesus. These were people from all backgrounds, who made a public decision for Jesus during one of our church services or street outreaches including outreaches overseas.

We also saw 17 people baptised within the year also.

Rock Kids

Our children department for 2 to 10-year olds continues to grow and see many children and their families impacted with the message of hope. Our amazing team of DBS-checked volunteers have worked hard to teach and support the young children walking through the doors of our church every Sunday in a safe, fun and friendly environment.

iRock

iRock, teens ministry (11 to 16-year olds) continues to organise age appropriate sessions and workshops, helping young people to tackle some of the issues they are encountering through the lens of faith, as well as providing practical support for educational attainment and emotional wellbeing. Our focus through iRock is to raise well-rounded leaders of tomorrow, who are strong in the faith, but also great citizens of this great nation of ours.

Engage Arts

Engage Arts was erected as a response to growing knife-related crime levels cities across London. Engage Arts uses the arts, music, film and performing arts to help channel young people's energy and creativity. Engage Arts runs workshops during the school holidays, teaching young people in the areas of musicianship, sound engineering, videography, lighting engineering and the business of acting.

Creatives, professionals and production team volunteers from within the church, as well as iRock staffers were able to organise, supervise and facilitate these sessions.

Engage Arts is open to children from within the local communities.

Israel Tour / Israel Night

The Rock Church London continues to foster great relationship and undertake charitable activities in the Holy Land – Israel. 10 member of our community were bale to visit Israel twice this past year providing support for charities, congregations as well as serving the communities in the city of Tel Aviv. We were able to serve the Jewish, Arab and Christian communities during our visits.

We also hosted our very first Israel Night gathering, which helped many young Christians from across the country to engage with member of the Jewish community and Messianic Jews from Israel. This event also helped raised funds for our continued work in Israel.

Representatives from a plethora of Israeli organisations and the Israeli Embassy in London were present.

Professional Counselling Services

Our in-house counselling services and supported over 100 people from both within the church, and the wider local community, with both professional psychotherapeutic and Christian counselling support. There continues to be a growing demand for these services, and we are aware that an expansion would need to be considered moving forward.

Pastoral Care Ministry Team

A pastoral care team was instituted within the church to provide immediate and on-going support to members of the church and their families. This team is tasked with providing emotional and spiritual support to parishioners, as well as wellbeing contacts with lapsed members, who have been away from church for a period of time. This ministry has proven popular and highly effective within the church and frees up time for the staff and senior leaders to tackle other ministry and charitable issues.

Marriage Preparation

With many millennials within the church, as well as young families, there was a great demand for marriage preparation classes within the church. Private sessions with engaged couple, as well as seminars were organised to help prepare people for the practical, spiritual and emotional journey of marriage. As a church, we desire to witness successful and flourishing marriages, and homes, therefore we are huge cheerleaders and supporters of marriage. These classes and sessions help to empower young couples entering this most sacred and beautiful of unions.

Marriage Preparation classes have also seen several couples joining the church as active members. Therefore, this has also proved to be an effective outreach, on-boarding platform for the ministry/organisation.

Thanksgiving Celebration Dinners

With a growing American membership and visitors to our church, the church continues to host Thanksgiving Celebration Dinner, which was well attended by members, as well as local business owners, residents and families.

Flourish

Throughout the year, we continue to host our quarterly breakfast and empowerment sessions for the ladies within the church, and their friends. We have seen the growing benefits of these quarterly meetings, as they help to connect, encourage and inspire the ladies within our church, whilst also enabling them to share their own stories of struggles, victories and faith.

Man Up

The Men's Ministry of The Rock Church hosted several 'Man Cave' gatherings, which were informal games and food nights that truly connected the men within the church. The relaxed settings have been commended for enabling men, who tend to be usually closed off

Mental Health Awareness Day

As part of National Mental Health Awareness Week, The Rock Church hosted its third annual awareness workshop and seminar. Speakers included our own in-house Counsellor/Assistant Pastor, alongside other external specialists and professionals giving insight into mental health and emotional development for adults and young people alike.

Love Without Borders

We continue to undertake our monthly outreach to men and women sleeping rough on the streets of London. We continue to provide hot meals, hot beverages, clothing, sleeping bags, tents, toiletries, and oyster cards to those affected by homelessness across East London, and the wider London metropolis. Our new church home has also allowed us to invite rough-sleepers to receive packages of dried foods, and hot drinks during winter months.

The Nehemiah Project

In January of last year, the church and senior leadership launched The Nehemiah Project. The public launch of which took place at Israel Night in September.

The Nehemiah Project is a special outreach project with the objective of conducting charitable activities in Israel, helping to fight against the increasing antisemitism right here in the UK, and helping to educate Christians on the Jewish roots of the faith. This is done through conferences, seminars, workshops and educational tours.

Newham General Hospital Toy Drive

This past year, we were able to distribute over 75 toys to children on the wards of Newham General Hospital during both Christmas and Easter holidays, thanks to the generosity of members of The Rock Church London, our on-going partnership with Newham General Hospital.

The staff, parents, and families of the children were very moved by the support our church continues to provide over the festive periods.

Christmas Homeless Project / Open House.

This past Christmas our church building became a refuge for the day for those affected by homelessness within the local area. We provided breakfast and lunch, with hot meals, and drinks throughout the day.

Dentists, Hairstylists and Physiotherapists provided much needed support on the day. The main local newspaper covered this initiative in both its online and print publication.

(United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principals in the Charities SORP;
- c) make judgements and estimates that are reasonable and prudent;

d) state whether the applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;

to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity, and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ROCK CHURCH LONDON MISSION

FINANCIAL STATEMENTS FOR YEAR ENDED 31 MARCH 2020

INDEPENDENT EXAMINER'S REPORT

We report on the financial statements of The Rock Church London Mission for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes numbered 1 to 8. These financial statements have been prepared under the accounting policies set out therein

Respective responsibilities

The charity's trustees (who are also the directors of The Rock church London Mission for the purpose of company law) is responsible for the preparation of the financial statements, and consider that the audit requirement of Section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of Independent Examiner's Report

Our examination was carried out in accordance with the General Directions of the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's Statement

In connection with my examination of the accounts, nothing came to my attention which gave me cause to believe otherwise than that the financial statements accord with the accounting records of the charity, and that those records satisfied the requirements of the Act. We are not aware of any matter to which attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

In our opinion the financial statements:

• give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the charity's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended; and have been properly prepared in accordance with the Companies Act 2006; and the information given in the Trustees' Report is consistent with the financial statements.
