### Annual Trustees Report

The welfare is moving in a really positive direction in relation to manpower, with volunteers to help run the facility and the increase of Trustee numbers growing vastly over the last 12 months.

We are, like all other charities and venues currently operating under extremely testing conditions at present but working closely alongside the sporting sections and our members to ensure that we survive this crisis and move on to better and more positive things in 2021.

Our sporting sections are consistently growing in numbers and also encouraging younger members to their respective sports which is a positive and encouraging site for the welfare.

We are currently pursuing Sport England for grant funding to replace our current parking facilities which I am pleased to say is all moving in the right direction to hopefully result in a positive outcome.

Kind regards

Jo Willn  
Welfare Development Officer
