Background:

XTND – Improving Futures works with statutory, voluntary and community sectors to find imaginative solutions to the challenges faced by our local families and has a strong track record within South Ward and good established links within North Somerset.

North Somerset is generally prosperous. However, there are some very significant pockets of multiple deprivations locally, some falling in the bottom 1% nationally. Our work is based in an area with the 2nd highest levels of child poverty in the South West (Index of Multiple Deprivation 2010).

Achievements and Performance

- Raised £68,570 in grant funding this year
- 575 children attended XTND after school & holiday clubs throughout the year
- Served 15016 breakfasts at Bournville breakfast club
- Encouraged 76 Adults to attend activities and workshops
- 425 groups attended family activities such as season craft activities, bike maintenance and story nights
- Supported 8 schools and 3000 pupils to attend the Terrestrial art project finale at the Tropicana WsM
- Supported the Mini police project at Bournville and Windwhistle schools

We continue to be actively involved in many local organisations including:

South Weston Activity Network (SWAN) of which we are founder members. SWAN coordinates local partner organisations to bring together a programme of out of school activities, which complement each other in a way that makes sense for local families. The provision of this holiday programme has provided positive diversionary activities for local children and young people and positive support for families.

SWAN partners include XTND, South Weston Children's Centre, Street space, YMCA and parents from the local community.

Voluntary Action North Somerset (VANS) is a vital resource for local voluntary and third sector organisations, providing us in particular with valuable advice, guidance and training particularly in relation to fundraising.

Fundraising

A total of £106,007 has been raised this year through grants, donations and local fundraising.

We are particularly grateful to our funders this year:

- Children in Need for after school and holiday clubs
- Terrestrial for a year-long art project involving eight local schools
- Awards for All for family activities
- Police Commissioners Crime Beat fund for mini Police project
- Quartet Community foundation
- Magic Breakfast
- Henry Smith Foundation towards core costs

Financial Review

Our main source of funding has been grant funding and session fees from out of school and holiday activities at Bournville School. These funds have ensured we have been able to support our key objectives of providing support to local families in raising the aspirations of local children.

All expenditure in this current financial year has been used directly towards these activities.

We are particularly grateful for the support of Windwhistle and Bournville Schools for the contributions of space and time they have made towards the Charity this year.

Trustees' Report

Year Ended 31 March 2020

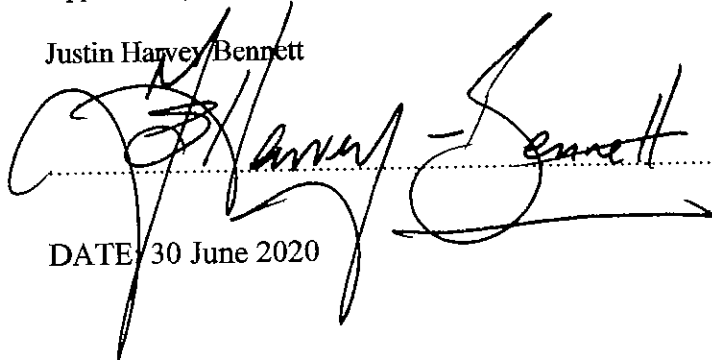

As at 31 March 2020 the Charity's unrestricted fund balance was £135,860 and restricted funds were £38,322

Reserves

Our policy on reserves will be to work towards building reserves that cover the organisations running costs for 6 months in the event of no further funding being available. This contingency would allow for the notice and redundancy costs of the employed staff and to enable projects to be wound down over this period.

Independent Examiner's Report to the Trustees

Year Ended 31 March 2020

I report on the accounts of XTND – Improving Futures for the year ended 31 March 2020, which are set out on pages 7 to 8.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts (under section 145 of the Charities Act 2011);
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and
- To state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements
 - (a) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's statement

*In line with the Charities SORP we have brought in the value of the administration services provided on behalf of the charity. With reference to paragraph 133 of the Charities SORP:
A charity may receive assistance in the form of donated services. Such incoming resources should be included in the Statement of Financial Activities where the benefit to the charity is reasonably quantifiable and measurable. The value placed on these resources should be the estimated value to the charity of the service or facility received: this will be the price the charity estimates it would pay in the open market for a service or facility of equivalent utility to the charity. As is required, the value of £12,641 is shown as income and as an expense within the SOFA. This is not a monetary transaction and does not impact on the overall results for the year.*

The adjustment was made as the charity wanted to show a true reflection of the core costs and to comply with the Charities SORP.
