RELATE NORTHAMPTONSHIRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Charity is a company limited by guarantee and is governed by its Memorandum and Articles of Association adopted on the 26th March 2003. Relate Northamptonshire is a constituent of the national organisation, Relate Ltd. The Executive / Management Committee are the governing body of Relate Northamptonshire. The Committee meets four times a year on a quarterly basis to formulate and agree policy. Where necessary, local sub-committees are also formed for specific projects and trustees undertake delegated responsibilities to ensure that we maximise the effectiveness and efficiency of the Centre. All trustees of Relate Northamptonshire give their time voluntarily and receive no benefits from the Charity.

Statement of Trustees' Responsibility

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing the financial statements, Trustees have:

- Selected suitable accounting policies and then applied them consistently
- Made judgements and estimates that are reasonable and prudent
- Stated whether applicable accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements
- Prepared the financial statements on the going concerns basis

OBJECTIVES AND ACTIVITIES

Objectives and Activities

Each year the Trustees review the Charity's objectives and activities and confirm that they have referred to the guidance contained in the Charity Commissions General Guidance on Public Benefit when carrying out this review and in planning future activities.

National research shows that relationship breakdown costs the UK economy over £40billion each year and furthermore that stable relationships make a huge contribution to people's overall health and well-being. At times of difficulty, support is often necessary, for example, the birth of a child, relationship problems, bereavement, stress at work or retirement from work. Relate offers a complete range of professional, high quality services that support children, young people, adults and families through transitional periods of life and at times of difficulty and support clients to address them before they turn into something which threatens relational breakdown.

Relate is the UK's largest provider of relationship counselling and is the first source of help when people face relationship difficulties. Every year, Relate helps more than 150,000 people of all ages and this work is carried out by a network of 48 Centres in England, Wales and Northern Ireland. As an organisation, we aim to be a preventative service in respect of relationship breakdown, as well as being an organisation which people can turn to in times of crisis. Ultimately, relationships will fare better if people have the skills to see potential problems early on and address them before they turn into something which threatens relational breakdown.

Founded in 1959, Relate Northamptonshire is an independent, registered charity and a member of the national Relate Federation. We continue to support the emotional well-being of the citizens of Northamptonshire by providing counselling, therapy and advice to around 1000 adults, children and young people through the delivery of almost 4000 hours of therapeutic support each year. Our services include:

- Adult relationship counselling for couples and individuals
- Family counselling
- Counselling for children & young people
- Sex therapy
- Staff Counselling (known as Employee Assist)
- Support for those experiencing domestic violence

Although our activities fall under the above core services, counselling and support takes the shape of many guises including work/life balance problems, stress management, bereavement, anxiety and depression and support for victims of domestic abuse.

Review of activities

During the year, we have continued to provide services from Relate's main premises in St. Giles Street, Northampton and at various outreach centres in Kettering, Corby, Rushden, Daventry and Wellingborough.

- We delivered around 4000 hours of work directly to adults, children and young people across the county
- We provided almost 1000 initial consultations to new clients
- We provided over 600 hours of support via our Employee Assist service
- Over 50% of all appointments were delivered free through grants and donations
- Our wonderful volunteers contributed in excess of 2,000 hours of voluntary support to the organisation
- We continue to develop our partnerships with several local consortia and with the Mental Health Northants Collaboration, of which the Relate CEO is a Trustee
- We continue to measure and evaluate our services through a range of industry standard tools
- We continue to support both the NHFT and Corby & Nene CCG in the delivery of counselling for Northamptonshire residence.

In March 2020, we were heavily impacted by the Covid-19 pandemic and changed our model of delivery from 100% face to face work to 100% remote working through video and telephone counselling provision. We are unsure of what the impact of the pandemic will be on our services over the next year, but we are confident the need for our services will increase dramatically and we will ensure we respond accordingly to met extra demand and continue to support the people of Northamptonshire.

Reserves policy

The Directors and Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should not exceed £50,000. The Management Committee will review the level of reserves at six monthly intervals.

At the year end, total funds amounted to £686,311 (2019: £717,900) of which £674,061 were unrestricted (2019: £701,505). After exclusion of those funds committed or invested in tangible fixed assets, at the balance sheet date, the charity had free reserves of £51,839 (2019: £111,078).

New appointments are considered and agreed by all trustees at a meeting of the board. New trustees are invited to attend a trustee meeting prior to appointment. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF RELATE NORTHAMPTONSHIRE

Independent examiner's report to the trustees of Relate Northamptonshire ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

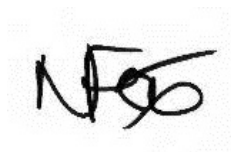

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our independent examination work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our independent examination work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2020**

1. LEGAL FORM

The charity is a company limited by guarantee registered in England and Wales. Its registered office and charity number is as shown on page 4.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of these financial statements is British Pound Sterling (£).

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed within the individual accounting policies.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on reducing balance

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

Fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date. The selection of these residual values and estimated lives requires the exercise of judgement. The directors are required to assess whether there is an indication of impairment to the carrying value of assets. In making that assessment, judgements are made in estimating value in use. The directors consider that the individual carrying values of assets are supportable by their value in use.

Depreciation is not charged on the freehold buildings as the residual value is considered to be not less than the carrying value.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Financial instruments

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income under administrative expenses.

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.
