St Kentigern Hospice
Report of the Trustees
for the year ended 31 March 2020

The Trustees who are also Directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the Charity for the year ended 31 March 2020. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objective, and its principal activity, continues to be providing specialist palliative care, in both day care and our inpatient unit, for the terminally ill and for patients with long term conditions. We not only support the patients, but also their families and carers.

The Hospice works closely with the Local Health Board, Cancer Treatment Centre, other charitable organisations and our own team of volunteers to provide care and support to patients, their families and carers.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance and comply with the Charities Act 2011 s17(5) on public benefit when reviewing the charity's aims, objectives and operations and setting the policy for the year.

Significant activities

Building on the 5 Year Strategy - year 4

2019-20 was heavily engaged with the capital scheme for the refurbishment and extension of the hospice building. In April the inpatient beds were already closed due to noise and dust contamination, as it was not conducive to dignified and empathetic care. Inpatient staff were deployed to other areas and educational activities, thus continuing to support training and insight of the hospice principles of other health providers.

Day therapy activity was firmly established in Bowen Court in St Asaph, a rented property, allowing us to provide a limited but highly valued day therapy service. Bereavement, chaplaincy and family support worked hand in glove and their experience in a different environment has seen opportunities to support more people and their families. We will continue with this model when we return to the new hospice estate.

Fundraising as reported in the 2018-19 trustee report continued to operate from the Chapel in Mount Road St Asaph, a rented property. Fundraising throughout the year of 2019 -20 found activity design and delivery extremely challenging, compounded by changes in staff.

Staffing numbers had reduced prior to the bed closure due to retiring staff not being replaced knowing that there would be a period of no inpatient activity.

The Estate Project Group worked diligently and transparently with the main contractor and the architect. Some modification to the design had to be made and other areas included such as the removal of the chimneys on the original building and the replacement of the roof.

As we progressed to the later part of 2019, we developed scenario plans for relocation of day therapy and fundraising back to the main hospice.

During the first two months of 2020 all staff were getting familiarised with the new operating procedures, fire evacuation, Information Management and technology and changes to service delivery. It was with some relief that we opened our doors to Day Therapy in February 2020 and inpatients in March 2020, although Day therapy were delivering services in February.

We believed that with the new build would come the new expanded service portfolio of St Kentigern and a brighter future. We could not predict the impact of Covid 19 that saw us have to close the beds in the latter part of March 2020, and curtail retail and fundraising activities.

The continued generosity of our supporters, donators, lottery players and those who participated in our fundraising activities in year allowed us to maintain a public profile and generate a level of income.

St Kentigern Hospice
Report of the Trustees
for the year ended 31 March 2020

FINANCIAL REVIEW

Financial position

The statement of financial activities shows a net deficit of £223,043 and our reserves stand at £4,992,702, which includes cash at bank of £249,556. The result is excellent, given the current economic climate we face.

St Kentigern Trading Limited produced a surplus, donated to the charity, of £71,191 and St Kentigern Promotions Limited a surplus, donated of £217,024. Both subsidiaries' results are excellent.

Our objective is to provide sustainable end of life care and we constantly measure and review our performance against budget and future plans.

We are always very grateful to our volunteers and supporters, who contribute in so many ways and who have been so generous in supporting the Hospice and our staff.

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the Trustees see fit. Surplus funds are deposited at the best rates of return provided by our bankers.

Reserves policy

The Trustees' policy is to ensure that reserves and funding are sufficient to support the continuation of the day therapy and residential unit for more than twelve months. The Trustees are confident that fundraising, donations and government funding will continue to increase and consider that the current reserves of the charity are satisfactory.

Going concern

The Trustees have prepared income and expenditure and cash flow forecasts to 31st March 2022 and are satisfied that the financial statements should be prepared on a going concern basis. Cash balances are deemed sufficient to meet any outgoings for the next 12 months.

FUTURE PLANS

We will continue to monitor our performance against our strategy, develop closer relationships with Managers and maximise the number of patients and their families that we can support.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

Trustees are appointed by election at the Annual General Meeting.

Trustees come from various backgrounds, with a variety of skills and expertise, and newly appointed Trustees undergo an induction to the objectives, scope and policies of the charity and a skills analysis to assess their strengths and any weaknesses, which may require training.

Organisational structure

St Kentigern Hospice is a registered charity and company limited by guarantee and governed by the association.

A board of Trustees of 13 members who meet bi-monthly set the strategy of the charity.

An experienced health service professional, who is also a clinician, has been employed as the Chief Executive to control the Hospice operations. A Manager administers the day to day operations of the hospice. An Advanced Nurse Practitioner and senior nurses manage the clinical provision. A physiotherapist is the leader of the therapy unit, but we are presently reviewing the day care unit. We are supported by an increasing number of volunteers in all aspects of our work within the hospice, in fundraising and in our shops.

Related parties

The charity has two wholly owned trading subsidiaries: St Kentigern Trading Limited, which operates shops selling donated goods, and St Kentigern Promotions Limited, which operates a lottery and one wholly owned dormant subsidiary: St Kentigern Marketing Limited.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also the Directors of St Kentigern Hospice for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the Trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

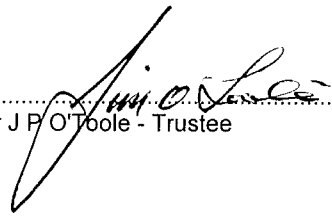

AUDITORS

The auditors, Salisbury & Company Business Solutions Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 18/11/20 and signed on its behalf by:

St Kentigern Hospice

Report of the Trustees
for the year ended 31 March 2020

.....
Mr J P O'Toole - Trustee

Report of the Independent Auditors to the Members of St Kentigern Hospice

Opinion

We have audited the financial statements of St Kentigern Hospice (the 'charitable company') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Report of the Independent Auditors to the Members of St Kentigern Hospice

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

St Kentigern Hospice

Notes to the Financial Statements for the year ended 31 March 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

Incoming resources represent amounts raised from fundraising, shops trading, grants, donations and income gift aided by subsidiary trading companies. Fundraising and donations income is recognised when received and banked. Retail income is recognised at point of sale. Gifts donated for sale are included income at the point of sale. No amounts are included in the financial statements for services donated by volunteers.

For legacies, entitlement is taken as the earlier of the date on which either: the charity is aware that probate is granted, the estate has been finalised and notification has been made by the executors to the hospice that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Grants receivable are set against capital expenditure to which they relate in the period in which the charity is entitled to receipt. Revenue grants are included in the period they are received.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Allocation and apportionment of costs

Overhead and support costs are allocated between charitable activities and governance costs.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Leasehold improvements	- Straight line over 40 years
Technology and equipment	- 20% on cost
Fixtures and fittings	- 10% on cost
Motor vehicles	- 25% on reducing balance

Taxation

The charity is exempt from corporation tax as all its income is charitable and is applied for charitable purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Donated Services

The basis of valuation for donated services of volunteers is that deemed costs are not recognised within the statement of financial activities.

St Kentigern Hospice

Notes to the Financial Statements - continued for the year ended 31 March 2020

1. ACCOUNTING POLICIES - continued

Pension Scheme

A defined benefit pension scheme is operated for all eligible employees. The assets of the scheme are held separately by the National Health Service Superannuation Scheme. Contributions to the scheme are charged to the profit and loss account as these are incurred. This pension scheme does not have a real pension fund but, as a statutory scheme, benefits are fully guaranteed by the government. Contributions from both members and employers are paid to the exchequer, which meet the cost of increasing benefits each year by the rate of inflation. This extra cost is not met by contributions from scheme members and employers. As a result of the nature of the pension scheme, there are no separately identifiable assets and liabilities which can be identified as relating to St Kentigern Hospice. Therefore, as permitted by FRS 102, the scheme has been accounted for as a defined contribution scheme.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred. VAT 126 claims for VAT relating to non-trading expenditure of the charity started being submitted in April 2015.

Group Accounts

These financial statements consolidate the results of the charity and its subsidiary companies, St Kentigern Promotions Limited and St Kentigern Trading Limited on a line by line basis. A separate Statement of Financial Activities for the charity is not presented because the charity has taken advantage of the exemptions afforded by paragraph 393 of the SORP and section 408 of the Companies Act 2006. The charity owns shares in St Kentigern Trading Limited, St Kentigern Promotions Limited and St Kentigern Marketing Limited (dormant) and directors of these companies are also directors of the charity.

Going concern

Within the financial year the World Health Organisation (WHO) declared Covid-19 as a worldwide pandemic. In relation to this the trustees have reviewed the charity's performance and all other considerations, and as a result believe that the going concern basis is reasonable.

Investments

Investments are included in the financial statements at market value. Realised gains and losses are recognised in the accounts on disposal of the investment and unrealised gains and losses reflect the movement in market value from the previous period end, or from the value at acquisition if later.

Stocks

Stock and work in progress is value at the lower of cost and net realisable value. Gifts donated to hospice shops are valued at a nil cost and included as income at the point of sale.

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

Cash and cash equivalents

Cash at bank and cash in hand include cash within bank accounts held by the charity and its trading subsidiaries and cash float amounts.

Costs of raising donation and legacies

The costs of generating donations and legacies include the salaries of the fundraising team and the associated overheads.

Charitable activities

The costs of charitable activities include the salaries of the medical, nursing and catering staff, costs of therapies, medical requirements and premises costs.

Bank interest

The Charity recognises bank interest on maturity and receipt, rather than when accrued.

Notes to the Financial Statements - continued for the year ended 31 March 2020

23. MOVEMENT IN FUNDS - continued

Comparative net movement in funds, included in the above are as follows:

	Incoming resources £	Resources expended £	Gains and losses £	Movement in funds £
Unrestricted funds				
General fund	1,663,159	(2,198,696)	182,368	(353,169)
TOTAL FUNDS	<u>1,663,159</u>	<u>(2,198,696)</u>	<u>182,368</u>	<u>(353,169)</u>

Restricted funds

The restricted fund represents monies received by the Charity from various funding bodies and donors. Restrictions have been placed on how the monies are spent by the funders, and as a result they have been recognised within restricted reserves.

Designated funds

Funds which have been allocated by the Trustees to be used in connection with the building expansion project have been allocated to a designated fund. As at the year end, a retention was outstanding to the developers of the hospice, and as a result this amount has been allocated to the designated reserve.

24. CAPITAL COMMITMENTS

	2020 £	2019 £
Contracted but not provided for in the financial statements	-	2,494,690

25. RELATED PARTY DISCLOSURES

The charitable company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

There were no related party transactions for the year ended 31 March 2020.

26. ULTIMATE CONTROLLING PARTY

The ultimate controlling party is the board of trustees.

27. LEGAL STATUS OF THE CHARITY

The charity operates as a registered company, limited by guarantee. The number of guarantees being eleven. The liability of each guarantor is limited to £1.

28. TRUSTEE TRANSACTIONS

During the financial year ended 31st March 2020, there were no transactions between the company and the trustees.
