CHAIR'S REPORT

Guru Nanak Nishkam Sewak Jatha (Birmingham) UK - GNNSJ is a faith led 'not for profit' benevolent organisation. It is dedicated to practicing and promoting Nishkam (selfless service) dedicated to Guru Nanak Dev Ji (1469-1539): the first Guru and founder of the Sikh Dharam. With engagement in over 41 years of spiritual development and enrichment from its Birmingham, GNNSJ headquarters in continues steadfast in its endeavours to fuse faith/Dharmic values with our secular lives, thus creating peace and sustained happiness, within ourselves, our families, our communities, our environment, our interconnected world and the common good... which supports some of our societal challenges...

2019/2020 is a yearlong celebration marking 550 years since the founding of the Sikh dharam, or faith, by Guru Nanak Dev Ji. This historic occasion provides an impetus for Sikhs to look afresh at their heritage, which links every person's spiritual flourishing to our collective social and environmental flourishing. As a citizen of the planet as well as a Sikh faith practitioner, I am aware that humanity itself has arrived at a critical juncture in history. I find that the world is on fire.

Jagat jalandaa rakh lai, aapnee kirpaa dhaar, Jit duaarai ubarai titai laihu ubaar, Satgur sukh vekhaaliaa sachaa sabad beechaar, Nanak avar na sujheyee har bin bakhsanhaar.

Sri Guru Granth Sahib, 853, Guru Amar Das Ji

'This prayer is humanity's direct, multi-faith plea to our common Creator. The world is aflame; whosoever or where-so-ever we are, forgive us and save it, by whatever means'

This fire comprises of the fire of vices like lust, revenge, greed and virtual attachment, ego. These are the fires that are burning. We also have fires of the forest, and a new deadly disease, Covid-19 spreading across the world these are our current challenges. Therefore, we have to create values, we require a new consciousness of this interconnectedness and interdependence so that we can carefully start looking after each other. Good human beings will do good work. We must motivate and inspire our youth with the value of virtuous living and righteous conduct.

Indeed, Guru Nanak's very arrival in the world is understood to have come from a pukaar (cry), from mother planet burdened by the weight of human selfishness, lust, revenge, greed, virtual attachment and arrogance. Discarding these burdens can ensure humanity flourishes, with weilbeing and abundance for all.

In this year our humbly formulated Peace Charter for Forgiveness and Reconciliation was adopted by the largest coalition of religions at their Tenth World Assembly on 23rd August 2019. Incorporating this into their strategy of global peace.

Sharing this learning with Interfaith dialogue across members of all faiths and none is a vital aspect of understanding the means to addressing the global challenges we currently face. Life's journey with an origin, purpose and destination, rooted in the existence of God, whose presence is latent in all creation and can be manifested in the human being through the cultivation of spiritual values, is of importance.

Service and prayer have been the cornerstone of our activities. At our Headquarters in Birmingham alone, there is an estimated voluntary 407,305 hours every year for a range of activities from cooking in the kitchen, to conducting prayer services and helping with administrative duties. Calculated at an average wage of £9.60 (inclusive of on cost) per hour, this quantifies to £3,910,128 every year, £75,195 every week and £10,713 every day worth of selfless service.

May the 550th anniversary celebrations illuminate faith, trust and hope as important dimensions of Guru Nanak Dev Ji's legacy and much, much more. For it will be an historic opportunity to rediscover and reapply Guru Ji's teachings, so as to generate new possibilities for transforming our personal and collective lives and the lives of future generations.

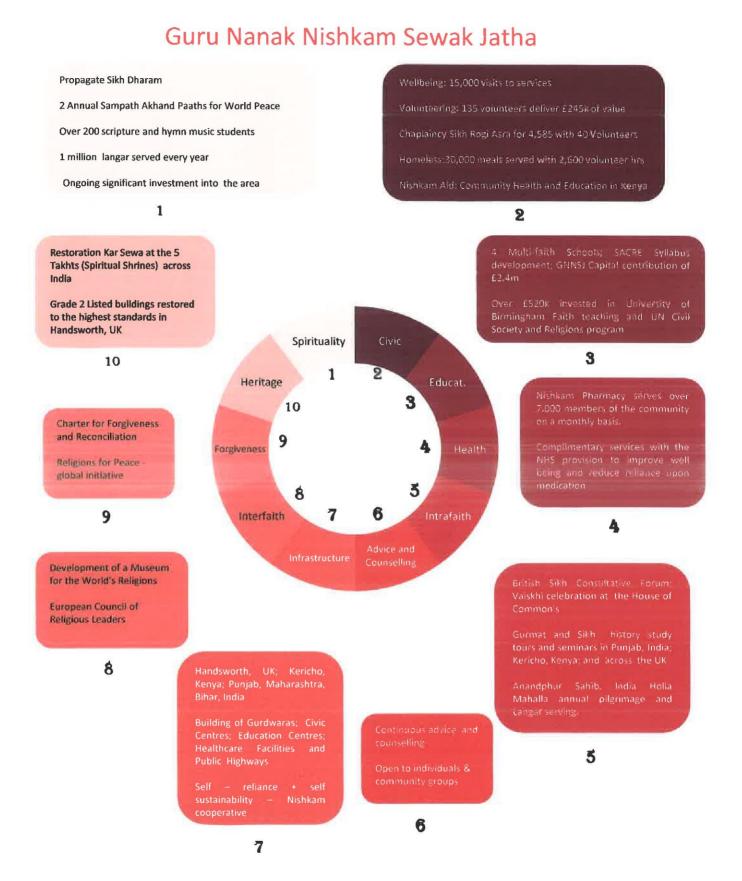

As a charity we have generated income of £4.4m and an additional £3.9m of voluntary hours in kind. As a charity we have no paid employees, which is usually 40% cost of income in the third sector, which is a further benefit of £1.8m.

This voluntary contribution has supported a number of endeavours through the Five centres for excellence, Gurudwara, Community Cooperative, Civic Centre, Education and Healthcare.

This has been possible with the divine blessings of God Almighty and the continued support, dedication and commitment of our selfless sewadars (volunteers) and sangat (congregation) - may Satguru continue to grace upon us all for continuing His work.

As a result of the COVID-19 pandemic the Trustees of the charity took the important decision to meet Government requirements and close the Gurudwara. The charity's principles highlight the fundamental important of the health and well being of all attendees and staff. In order to adhere to this, strict protocol has been followed since the reopening of the Gurudwara. A range of safety measures have been put in place to ensure the protection of all attendees and these are inclusive, but not limited to the following: restricted opening times for attendees, a one way system with social distancing markings in place, daily monitoring of capacity, restricted access around the premises, a requirement to wear masks by all attendees, additional hygiene facilities and a reduction in allowable capacity on functions.

From a financial perspective, the charity is anticipated to make a net surplus for the 2021 financial year and the 31st March 2020 balance sheet shows a strong reserve position and cash position. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the year ended 31 March 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the Charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Allocation and apportionment of costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include cost related to statutory audit and legal fees.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property		2% on cost
Improvements to property		10% on cost
Fixtures and fittings	-	10% on cost and 10% on reducing balance
Motor vehicles	-	25% on reducing balance

Fixed asset investments

Investments are a form of basic financial instruments are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year.

No depreciation is provided on investment properties, as in the opinion of the trustees these properties are held primarily for their investment potential and so their fair value is of more significance than any measure of consumption and to depreciate them would not give a true and fair view. The revaluation of the investment property accords with the fair value accounting rules and will be reported in the Statement of Financial Activities.

Notes to the Financial Statements –continued for the year ended 31 March 2020

1. ACCOUNTING POLICIES - continued

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Income and expenditure account

The Statement of Financial Activities discloses the identical information of the Income and Expenditure Account and as such no separate Income and Expenditure Account has been prepared.

Going Concern

The account have been prepared on the basis of being a going concern as outlined in the Trustees" annual report.

Debtors

Short term debtors ar measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised costs using the effective interest method.

Impairment of assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit and loss account.

Donated Services

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met and the receipt of economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of Volunteers is not recognised. Please refer to the trustee's annual report for more information about their contribution.
