**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The charity is constituted as a company limited by guarantee and as such, its governing documents are its Memorandum and Articles of Association.

The organisation is run by the trustees. Each trustee holds office for life or until ceasing to hold office by virtue of the Articles of Association.

It is not currently the intention of the trustees of the charity to appoint new trustees. Should the situation change in the future, the trustees will apply suitable recruitment training and induction procedures.

None of the trustees have any beneficial interest in the charity. All trustees give their time voluntarily and no benefit or expenses were paid to them in the year.

The charity's wholly-owned subsidiary undertaking, Maypay Limited, is engaged in property investment.

**OBJECTIVES AND ACTIVITIES**

The charity is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law. To achieve these objects the charity utilises its income to make grants and donations to organisations that fall within the objectives of the charity.

The trustees confirm their compliance with the duty to have regard to the Public Benefit guidance published by the Charity Commission when following the charity's aims and objectives and in planning future activities.

**ACHIEVEMENTS AND PERFORMANCE**

During the year the charity has continued its philanthropic activities and has maintained its support of religious, educational and other charitable institutions in Great Britain and the aggregate of the donations and grants were £407,700 (2019: £344,805).

**FINANCIAL REVIEW**

**Financial Position**

The financial results of the charity for the year to 30 September 2020 are fully reflected in the attached Financial Statements together with the Notes thereon.

**Reserves Policy**

It is the policy of the charity to maintain unrestricted funds, which are the free reserve of the charity, at a level which the Trustees think appropriate after considering the future commitments of the charity and the likely administrative costs of the charity for the next year.

**Investment Policy and Objectives**

Under the Memorandum and Articles of Association, the charity has the power to make any investment, which the Trustees consider appropriate. The trustees regularly review the charity's position and needs in respect of the investment policy.

The trustees consider the return on investments, in terms of both income and capital growth, to be satisfactory.

The trustees, having regard to the liquidity requirements of the charity and to the reserves policy have operated a policy of keeping available funds in an interest bearing deposit account.

**Grant Making Policy**

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

**PLANS FOR FUTURE PERIODS**

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

##### **EVENTS AFTER THE END OF THE REPORTING PERIOD**

The outbreak of the Covid-19 during 2020 has presented the charity with some challenges with regard to raising funds which the trustees believe will continue for the foreseeable future. In addition, the uncertainty surrounding Brexit may also impact the UK economy and sources of income for the charity. These risks are beyond the control of the charity and represent uncertainty in respect of the income level of the charity.

Notwithstanding the uncertainty, the financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance. The trustees recognise that they have the ability to exercise control over the charity's grant making charitable activities due to the absence of any legally binding obligations.

##### **TRUSTEES' RESPONSIBILITIES STATEMENT**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

##### **SMALL COMPANY PROVISIONS**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

**OPINION**

We have audited the financial statements of Anadarus Limited (the 'charity') for the year ended 30 September 2020 which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

**BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**CONCLUSIONS RELATING TO GOING CONCERN**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

**EMPHASIS OF MATTER**

In forming our opinion of the financial statements, which is not modified, we would draw attention to the material uncertainty of the effect of Covid-19 as reported in the Notes to the Accounts: Going concern.

**OTHER INFORMATION**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**RESPONSIBILITIES OF TRUSTEES**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**USE OF OUR REPORT**

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

For the year ending 30 September 2020 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 23 December 2020, and are signed on behalf of the board by:

Mrs M R Markovic  
Trustee

**NOTES TO THE FINANCIAL STATEMENTS**  
**YEAR ENDED 30 SEPTEMBER 2020**

**1. GENERAL INFORMATION**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

**2. STATEMENT OF COMPLIANCE**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

**3. ACCOUNTING POLICIES**

**Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

**Going concern**

The outbreak of the Covid-19 during 2020 has presented the charity with some challenges with regard to investment income which the trustees believe will continue for the foreseeable future. In addition, the uncertainty surrounding Brexit may also impact the UK economy and sources of income for the charity. These risks are beyond the control of the charity and represent uncertainty in respect of the income level of the charity.

Notwithstanding the uncertainty, the financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, as the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due, based on the net current asset position of the charity and available sources of finance. The trustees recognise that they have the ability to exercise control over the charity's grant making charitable activities due to the absence of any legally binding obligations.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**ANADARUS LIMITED**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 30 SEPTEMBER 2020**

**3. ACCOUNTING POLICIES** *(continued)*

**Fund accounting**

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the Governors (Trustees) in furtherance of the general objectives of the Charity.

Restricted Funds are funds subject to specific restricted conditions imposed by donors.

There are no restricted funds as at the Balance Sheet date.

Designated funds are funds which have been set aside at the discretion of the Governors(Trustees) for specific purposes. There are no designated funds as at the Balance Sheet date.

**Incoming resources**

**Recognition of incoming resources**

Items of income are recognised and included in the accounts when all of the following criteria are met:

- the charity has entitlement to funds;
- any performance conditions attached to the item(s) of income have been met fully or are fully within the control of the charity;
- there is sufficient certainty that the receipt of the income is considered probable; and
- the amount can be measured reliably.

**Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

**Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

**ANADARUS LIMITED**  
**COMPANY LIMITED BY GUARANTEE**  
**NOTES TO THE FINANCIAL STATEMENTS** *(continued)*  
**YEAR ENDED 30 SEPTEMBER 2020**

**3. ACCOUNTING POLICIES** *(continued)*

**Investments**

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

**Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

**Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual agreement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences residual interest in the assets of the company after deducting all of the liabilities.

**4. LIMITED BY GUARANTEE**

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.
