TRUSTEES' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2019

The trustees present their report and accounts for the year ended 30 September 2019.

This is the continued period of the new Charitable Incorporated Organisation (CIO), which was registered with the Charity Commission in England and Wales on 18 April 2016. The CIO was dormant until 1 December 2016 when the activity and assets were transferred from its predecessor unincorporated charity St Francis Animal Welfare Group (Charity number: 263172).

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's constitution of rules and bye-laws dated 1955, as amended March 2005 and "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102.

Structure, governance and management

The predecessor charity St Francis Animal Welfare Group was started in 1953 to provide shelter and care for a variety of animals, mainly domestic pets, which needed re-homing. After fundraising, the first shelter was opened in Horton Heath. Subsequently moving to purpose built premises just outside Fair Oak over twenty years ago, the shelter caters for a wider range of animals including some long term residents who are unsuitable for re-homing, though foster homes are increasingly sought. The new CIO took on the assets and activity of the charity as from 1 December 2016.

The following trustees served during the year:

Ms A Lodge	Mr J Good
Mrs D Hewitt	Mr G Pragnell
Mrs B Morris	Mrs B Edsforth
Mr A Hoskins	

New trustees are appointed when appropriate. Suitable candidates are considered on the basis of their skills and experience. New trustees have the opportunity of reviewing appropriate documents, including accounts, as part of the induction process.

As part of their ongoing responsibilities the Trustees have assessed the major risks affecting the charity and are continuing to implement and review policies to mitigate those risks.

Objectives and activities

The charity's objects are the furtherance of animal welfare for public benefit in the locality, principally southern Hampshire, by the maintenance of a shelter (animal rescue home) for the benefit of needy animals and the provision of other rescue, rehabilitation and support services for such animals.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

TRUSTEES' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2019

Achievements and performance

The trustees are pleased to report a reasonably good year, though legacy income was down and expenditure such as vet and feed costs, staff wages and pensions continue to increase. We continue to work on communications with members and the public with a regular newsletter and a greater presence on social media, plus an excellent website generously financed by a supporter. The Trustees are always looking for fresh ideas to fundraise and have increased money raised through social media, Facebook auctions and book sales in recent years. The Open Days & Dog Show have been increasingly popular since being held off-site, with a large amount of support and goodwill locally.

Trustees continue to work to maintain good governance and increase fundraising. We are hampered to some extent by a limited number of suitable volunteers and one trustee had to resign due to work and family commitments, but we continue to try and recruit suitable people. We considered opening a shop to have a more predictable source of income but decided to do this on-site. This is an ongoing project with the help of a volunteer to improve existing premises.

Our part-time administrator helps enormously in improving the efficiency of the shelter, and with the Treasurer, they continue to do our accounts in-house, making worthwhile savings. The charity has been pleased to see the local support for the campaign group Against Destructive Development Eastleigh; they have campaigned successfully against proposed development around the shelter (and elsewhere) which would have made our continued activities more difficult.

The Committee who were elected at the 2019 AGM are dedicated to the continued successful running of St Francis Animal Welfare.

Financial review and reserves

The charity had a deficit of £87,959 for the year. Total reserves at the balance sheet date were £804,521, including freehold property with a book value of £537,193. In the opinion of the trustees the charity has a healthy balance sheet and is well placed to continue to meet its charitable objects.

This report has been prepared in accordance with the governing document and the Statement of Recommended Practice 'Accounting and Reporting by Charities applying FRS102.'

Signed on behalf of the board of trustees on 20th August 20 20

TRUSTEES' REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2019

Trustees responsibilities

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepared the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charity Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ST FRANCIS ANIMAL WELFARE

I report to the trustees on my examination of the accounts of St Francis Animal Welfare for the year ended 30 September 2019 set out on pages 6 to 14.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011('the Act').

I report in respect of my examination of the Trustee's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
