DIRECTORS' ANNUAL REPORT FOR THE YEAR ENDED 31ST MARCH 2020

The charity has continued to grow and to meet its aims and objectives over the period, including delivery through our social action projects and ministries, through development of church community, and investing in spiritual growth and development through our training and equipping programmes.

Social action projects and ministries

The charity has continued to show love and meet the needs of the community practically, emotionally and spiritually over the period, including by serving through our Foodbank and Debt Counselling services.

We continued in our mission to see people set free from debt, finishing the period with 18 clients registered with our Christians Against Poverty (CAP) Debt Centre. Over the year, we saw 8 clients become debt free, double the amount from the previous year, a real cause for celebration. The impact on the lives of these people has been significant, giving them hope for the future, and releasing them and their families from the bonds of debt.

Our Chalk Farm Trussell Trust Foodbank seeks to serve and demonstrate the love of God to the local community, by providing emergency food and support to those in need. Over the period, we fed over 1245 people through the foodbank, giving away around 12,174kg of food. We continued to work closely with local authorities and agencies in the community to provide an effective and holistic service, and to strengthen the network of support available in the area. The foodbank continued to be of significant importance to the community at the very end of the period, as restrictions due to the Covid-19 response came into force. Foodbank services reacted in a flexible and safe way, continuing to provider support at this time of increased need, as well as working with local agencies to create an electronic voucher system, to ensure that support remained available despite the restrictions.

We ran our annual Christmas meal for CAP and Foodbank clients, where we served a meal to clients and their families, and provided gifts and parcels, meeting practical needs, demonstrating love, and helping those that attended to feel seen, honoured, and valued. A number of volunteers and support and donations from local businesses helped to ensure that this really was a community effort.

Church community

Our life as a church community continues to be a significant focus of the organisation, and this has continued to develop over the period. For the majority of the year, we continued to meet together on Sunday mornings in the London Irish Centre, which was able to meet the needs of our growing community. At the end of the period, we had 282 regular attendees registered on our system, including adults and children. Members of our church community continue to be committed and involved, with around 108 people regularly volunteering with the running of Sunday morning church gatherings. In March, the organisation responded innovatively to the challenges of the Covid-19 crisis and subsequent restrictions, moving meetings and other events online and communicating clearly and well with the membership about these changes.

We have continued to provide smaller spaces for more personal spiritual support and development, as well as hubs of community outreach through Gospel Communities – small groups of up to 12 people which tend to meet weekly in people's homes. Through these small groups, the church has brought people, some of whom were previously isolated, into community, demonstrating one of the aspects of God as the one who "puts the lonely in families". Over the period, we started 9 new Gospel communities, finishing the period with a total of 131 people in 17 active Gospel Communities.

Investing in children and young people has continued to be a priority for us as a community, and we have continued to provide specialist spaces for children and young people on a Sunday morning and during the week, as well as including them in our main Sunday morning meetings. During the summer, we took 14 young people to a Christian youth festival, in which they received excellent teaching and support as well as having a lot of fun.

DIRECTORS' ANNUAL REPORT (Continued) FOR THE YEAR ENDED 31ST MARCH 2020

We ran a number of other successful events over the year, including our annual carol service, which saw 300 attendees across two meetings in December. March also saw a number of member led social events and activities over a weekend, titled as the "who let the Revvers out" weekend. This was well received, with over 20 events organised over the weekend and high engagement, which resulted in increased community cohesion.

Spiritual development and training

We have continued to provide a space for people to explore spiritual development and Christianity, and held two "Alpha" courses (an internationally recognised inclusive multi week introduction to the foundations of Christianity) with over 16 guests throughout the period.

During the period, Revelation Church London also took responsibility for the ID and Shepherd training programmes for the wider family of churches to which we belong, which are managed under the umbrella of RM Training. This meant that we welcomed two new staff members, and have been able to provide support and oversight to them during the period. These training programmes will be run alongside the existing Lead course which has had a successful year with just under 100 students enrolled.

Staff

This year we welcomed four new staff members, which included one who came to us as a result of the transfer of the ID course. We recruited a new full time Operations Manager, and created two new roles, to meet needs around pastoral care and financial support.

During the period, the staff team moved to a new office space, to facilitate increased numbers. Towards the end of the period, the staff team reacted excellently and with professionalism to the challenges of Covid-19, and moved to working from home following government guidance. Staff enjoyed a productive away day together in September.

We have continued to ensure that the organisation remains compliant with regulatory and legislative frameworks over the period, and have spent time developing and improving policies and procedures. We are committed to ensuring that staff and volunteers are equipped and supported, including by the provision of safeguarding and other relevant training.

Finance

The total income for Revelation church central over the year totalled £288,615, including regular giving, special offerings and gift aid. £224,200 of this was from regular giving, averaging at just over £18,500 a month. Revelation church central expenses for the year were £346,244 (excluding Foodbank expenses), reflecting investment in an increased staff team and moving to a new office and Sunday venue.

RM training income for the year was £116,950. Actual expenditure for RM training over the period was £97,654. The surplus will be used to invest back in the existing courses.

General reserves at the end of the year were £210,683, which reflects the reserves policy of having 3 – 4 months' worth of regular costs in reserves. This includes Foodbank reserves which for FY20 were considered as part of general reserves, but going forward will operate under a separate reserves policy.

Statement of Directors' Responsibilities:

The Charities Act and the Companies Act require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to:-

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- **d)** state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The Directors are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are also responsible for the contents of the Directors' report, and the responsibility of the independent examiner in relation to the Directors' report is limited to examining the report and ensuring that on the face of the report there are no inconsistencies with the figures disclosed in the financial statements.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

I approve the attached statement of financial activities and balance sheet for the year ended 31st March 2020 and confirm that I have made available all information necessary for its preparation.

13. RISK ASSESSMENT

The Directors actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Directors have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

14. RESERVES POLICY

The Directors have considered the level of reserves they wish to retain, appropriate to the charity's needs. This is based on the charity's size and the level of financial commitments held. The Directors aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The directors will endeavour not to set aside funds unnecessarily.

15. PUBLIC BENEFIT

The Charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Directors report. The Directors confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.
