THE PRINCE PHILIP TRUST FUND FOR THE ROYAL BOROUGH OF WINDSOR AND MAIDENHEAD

REPORT OF THE TRUSTEES FOR THE YEAR END 30 April 2020

HISTORY OF THE TRUST

The Prince Philip Trust Fund was established by a trust deed of 18 December 1977 and subsequently varied by deeds dated 22 October 1979, 24 April 1990, 29th November 2004 and 23 November 2009. The Charity is constituted as an unincorporated association.

The Trust is registered with the Charity Commission (registration number 272927) as a charity with the principal objects as noted below.

Included in the trust deed of 18 December 1977 it is noted that the Trustees have a general power to make regulations for the management of the Charity. Such powers include the proper investment of the Charity's funds.

OBJECTIVES AND ACTIVITIES OF THE TRUST FOR THE PUBLIC BENEFIT

The objects of The Prince Philip Trust Fund are:-

- (a) The provision, in the interests of social welfare, of facilities for the recreation and leisure time occupation of the inhabitants of the Royal Borough of Windsor and Maidenhead (the area of benefit) with the object of improving their conditions of life.
- (b) The advancement of the education of young people in the area of benefit, in particular, but not exclusively, in the field of voluntary service.
- (c) The advancement of public education in the arts, literature and science in the area of benefit.
- (d) To or for such other charitable purposes, in the area of benefit, as the Trustees shall decide.

The Trustees confirm they have referred to the guidance contained in the Charity commission's general guidance on public benefit when reviewing the Prince Philip Trust Fund's aims and objectives and in planning future activities and setting the grant making policy for the year.

MANAGEMENT AND GOVERNANCE ARRANGEMENTS

The Prince Philip Trust Fund consists of seven (2018: seven) ex officio trustees with the others referred to as elective trustees. An elective trustee is appointed for an initial term of five years by resolution of the trustees. The elective trustees may be reappointed for one further term of five years by resolution and for a third and final term of five years having ceased to be a trustee for a minimum period of one year.

The Treasurer regularly attends Charity training courses and all the trustees have wide experience due to their involvement in other, in many cases, larger Charities.

The Trustees keep the skill requirements for the trustee body under review and in the event of a trustee permanently retiring or additional trustees being required, the Trustees form a list of suitable candidates who are then approached to join the board.

Upon appointment, new trustees meet with the other trustees where they are given a history of the charity, its ethos and grant making policies. Trustees are appointed for the skills and experience they can add to the body and therefore no further training is generally required.

At the twice yearly Trustee's meeting, the Trustees agree the broad strategy and areas of activity for the Trust, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration and the processing and handling of applications prior to consideration is delegated to the treasurer and the secretary.

All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses are disclosed in note 4 to the financial statements.

REPORT OF THE TRUSTEES (*continued*) FOR THE YEAR END 30 April 2020

PROCEDURES AND POLICY FOR GRANT MAKING

The Prince Philip Trust Fund has established its grant making policy to achieve its objectives for the public benefit to support people within the Royal Borough of Windsor and Maidenhead. This support is offered by making available, to organisations or individuals, cash donations agreed by the Trustees at meetings held twice yearly. Applications received for grants are reviewed in detail prior to the meeting of the Trustees and subsequently discussed and agreed at the meeting. Applications for grants can be made in writing to the Secretary of the Trust, Mr C Aitken.

ACHIEVEMENTS AND PERFORMANCE OF THE TRUST

How we deliver public benefit

The beneficiaries of the grants given by the Prince Philip Trust Fund are the people and organisations operating within the Royal Borough of Windsor and Maidenhead. During the year the Trust a wide variety of projects.

FINANCIAL REVIEW, INVESTMENT POLICY

In the year to 30 April 2020, The Prince Philip Trust Fund received donated income of £5,018 (2019: £65,906) and dividend income of £46,572 (2019: £48,647). The dividend income is derived from Investec Wealth & Investment. Unrealised loss on investment assets totalled £231,326 (2019: Gain £53,828).

Whilst donations can never be guaranteed, the Trustees are satisfied that income derived from the investments will allow the payment of reasonable grants in compliance with the Charity's objects. Total grants payable or committed for the year amounted to £53,600 (2019: £112,627) and varied in amount between £300 and £5,000.

At 30 April 2020, The Prince Philip Trust Fund had net assets of £2,140,932 (2019: £2,389,824). Included in net assets are fixed asset investments in the sum of £2,059,878 (2019: £2,376,204). Such investments are included at market value at 30 April 2020 and have been acquired in accordance with the powers available to the Trustees.

The Charity is not dependent on the services of unpaid volunteers.

The Trustees confirm that the assets of the charity are available and adequate to fulfil its obligations.

The Trustees have striven to secure a strong investment base to ensure that the income generated will be sufficient to provide a realistic level of giving. Presently it is the Trustees' intention to pay grants from investment income and from donations. As future donations cannot be guaranteed, the intent is to secure future grants wholly from investment income.

RESERVES POLICY

The intention is to maintain free reserves in unrestricted assets at a level which the Trustees consider will provide necessary investment income to fund appropriate applications for grants and to ensure that there are sufficient resources available to cover support and governance costs. The Trustees policy has been to distribute or utilise a proportion of its voluntary income received each year and all the investment income arising from the reserves to meet the charity's objects.

The Trustees policy has always been to provide grants at a modest level to a wide range of applicants and thus as a catalyst to encourage the beneficiary class outlined in its objectives. Whilst each case is treated on its merits, the Trustees consider that grants at a higher level would not necessarily provide the same motivation. The Trustees also believe the high level of applications for support show that the Trust is well known as a local benefactor.

Whilst investments are always susceptible to market fluctuations, the Trustees have invested wisely in low risk funds. The Charity is not a major fundraiser and income is modest in monetary terms and the Trustees are conscious that the sale of investments for charitable grants will deplete ongoing income and could impact on stability in the grant making programme. The Trustees review the reserve policy at each of the two Trustee meetings per annum, including the proportion of the voluntary income that is made available for distribution as opposed to being invested in the income generating reserves which are relied on to provide funds for future grants.

RISK MANAGEMENT

The Trustees have examined the risks facing the Charity and confirm that the procedures of the Charity are considered adequate to mitigate such risks.

FUTURE PLANS

The trustees intend to continue with its existing policies and do not anticipate any material changes to its methods of operating.

TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain its financial position and which enable them to ensure that the financial statements comply with applicable law. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information (as defined by section 418 of the Companies Act 2006) of which the company's auditors are unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Peter Upton Ltd, will be proposed for re-appointment at the forth coming general meeting.
