The Charity is controlled by its governing document, a deed of Trust, and constitutes an unincorporated charity.

The Charity is controlled by its constitution and constitutes an unincorporated charity.

##### **Recruitment and appointment of new trustees**

Trustees are elected and chosen for what they can offer to the charity, in terms of their expertise. Trustees can be proposed by volunteers or co-opted by the Board of Trustees.

##### **Induction and training of new trustees**

Newly appointed Trustees are provided with comprehensive induction to SHARE through the provision of mentoring by established Trustees and provision of appropriate documentation.

SHARE is governed by its Board of Trustees, which is responsible for the conduct of SHARE and the working policies of the charity. The Trustees carry the ultimate responsibility for the conduct of SHARE and ensure the charity satisfies its legal and contractual obligations. The Board of Trustees have this year completed an independent skills evaluation. The resulting gap in desirable skills has been identified and The Board is actively recruiting members to ensure a full complement of skills. The Board of Trustees continues to seek funds to appoint an operational manager to manage the day to day operations of the charity in order to facilitate effective operations. This manager will have delegated authority, within the terms approved by The Trustees, for operational matters including finance, employment, and project and service development, and any other arising issues. The current Board of Trustees is independent of management.

SHARE has 2 members of staff. One full time position as the charity shop manager, and one half time position as the Homeless outreach manager. All other roles within Share are undertaken by its extensive team of volunteers.

SHARE continues to provide and source a range of training opportunities for its staff and volunteers. These focus predominantly on the health, safety and mental wellbeing of Share's volunteers and service users. Share intent to develop the education of its volunteers and service users by adding additional vocational skills, such as food hygiene, mental health first aid etc, and to ensure the knowledge base of its volunteer team about the extent and social impact of Share's services.

SHARE is committed to providing a safe environment for its staff and volunteers. Comprehensive risk and fire assessments are ongoing and further staff and volunteer training needs have been identified, setting an agenda for further training in the next year. Share continues to work with other organisations with which it shares its amenities, to ensure that health and safety obligations are met.

SHARE have reviewed and updated 'Code of Conduct', a grievance procedure and a disciplinary procedure which has been implemented across the charity.

The SHARE Board of Trustees have completed a strategic planning process to ensure the continuing longevity of the charity, to provide effective delivery of its services and to continue to develop relevant, targeted and timely services, while optimising the services SHARE are able to offer its service users. Share is increasingly recognising the importance of listening to its' service users and involving people with lived experience in its strategic planning. The Share Trustees are committed to increasing the involvement of people with lived experience in its decision-making process.

#### **Related parties**

There are currently no related party transactions that require reporting. The Charity has a policy whereby Trustees are asked at the beginning of every Board Meeting for individuals to declare any interest in agenda items to be disclosed and discussed. This is then recorded.

#### **Risk management**

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud, error, an unsafe environment, or detriment to the services or reputation of Share. A full and comprehensive programme of physical and theoretical risk management has been undertaken and this is currently shaping the charities policy for risk avoidance. This is an ongoing process which will be reviewed regularly by The Board.

#### **Governance**

Over the last year The Board of Trustees have undertaken and completed a thorough review of its governance, policies and procedures. This has included an independent review of its financial processes, its book-keeping and accounting services, and its banking services. The recommendations of this are currently being acted upon by The Board.

The Trustees have developed and are implementing risk assessments, health and safety policies, staff and volunteer code of conduct and inductions, equality and diversity policy, safeguarding policies, GDPR procedures and policies, grievance procedures, critical incident reporting, reserve policy etc. This process has identified key training needs and The Board are actively addressing these needs and continue to work to ensure due diligence and parity across the Charity. There is much still to be done to continue to ensure effective governance and this is priority for The Board of Trustees over the coming year.

The Trustees also recognise the critical need to establish a salaried operational manager for Share to facilitate the ongoing effective management of the charity and ensure the longevity of the charity.

- 1) Refugees who are in need, both locally and overseas
- 2) People who are homeless across Cheshire and Flintshire (as defined by The Homeless Reduction Act 2017)

#### **Significant activities**

Locally SHARE support homeless families and individuals, by providing basic aid, including warm clothing, bedding, household items, toiletries, sanitary products and food. This is predominantly delivered from the 'Share Shop' which acts as a drop-in centre, and also focuses on signposting, providing advice, support and basic care. The Share Warehouse also provides basic everyday items and also focuses on signposting, providing advice, support and basic care. The Share Warehouse also provides basic everyday items of life for individuals who finally find accommodation but have no resources to furnish and equip their new homes. SHARE also have an outreach service that provides this humanitarian aid from the 'SHARE Van' at night, to people sleeping on the streets of Chester, and signposts them to local services that can provide emergency accommodation. SHARE have fostered strong partnerships with local statutory and voluntary organisations and have established a collaborative group, to provide an integrated multi agency approach to empowering local homeless people to move their lives forward. In doing so, SHARE have successfully assisted many individuals to find accommodation and obtain help from mental health, substance abuse, housing, medical, debt, housing and benefits services. Share have been instrumental in developing local advocacy, diverted giving and Severe Weather Emergency Provision (SWEP) working groups. These groups continue to evolve, and Share play a vital role in developing these activities. The demands on Share services to the homeless population has increased significantly in the last year, as is reflected nationally, and consequently the current premises for delivering these services are wholly inadequate. It is the intention of the Share Board to find more appropriate accommodation for its services, which will also allow Share to expand its service, increase its provision meaningful daytime activities, and expand its collaborations to improve access to support services. The biggest identifiable risk to The Charity is the lack of stable accommodation for its services and this is therefore currently being evaluated and explored by The Board.

Since its creation SHARE have supported refugees by sending much needed humanitarian aid to refugee camps across Greece, France, Syria and Africa. This includes medical aid, clothing, tents, food, baby equipment, sewing machines, tools etc. This is achieved in part by partnering with other local charities to send aid in containers across Europe, which has successfully reduced the financial burden of transporting aid, and by timely responses to appeals to address specific urgent needs. SHARE continues to establish strong links with grass-root NGO's in these areas across Europe, to ensure that aid is targeted effectively, is timely, and is appropriate to meet the needs of the local refugee population. This has also ensured a reduction in resulting waste products. SHARE also continues to support and fund volunteers to travel and assist in these areas, to cement its relationships with the organisations that are delivering this aid at source and ensure that The Share Board can have confidence in the legitimate and effective distribution of its aid. Share has effectively supported empowering refugee projects, like sewing co-operatives, dignity centres and art projects. These ensure the mental wellbeing and longevity of the lives of refugees trapped within refugee camps.

#### **Social Referral**

SHARE accept referrals from local agencies and charities (Local councils, The Red Cross, Social Services, Housing Associations etc) of families and individuals who are in desperate need. These individuals are then brought to the SHARE Chester and Mold facilities by their referrer to be provide with all the basics of life - clothes, toys, toiletries, baby equipment and an extensive range of household items.

#### **Impact measurement and Performance indicators**

split between its two locations across Merseyside and Chester, SHARE have approximately 120 regular volunteers, as well as support and assistance from many external groups (schools, private company volunteer schemes, and public-sector organisations). SHARE had over 2500 hours of volunteering within the period considered. SHARE has an open, supported and inclusive culture and welcomes volunteers of any age, ability, gender, or religious orientation. SHARE also provide volunteering placements for The Duke of Edinburgh Award Scheme, School Enrichment Programmes, supported work placements, and The Scouting Association. Volunteers are trained and supported to provide an enriched volunteering experience. The Trustees have identified the importance of evaluating and developing the 'volunteer journey' throughout the organisation to ensure the ongoing comfort, safety and development of its volunteers. This is another key target for The Board over the coming year.

#### **Public Awareness and Education**

SHARE have a very active role in increasing public awareness of the refugee crisis and the plight of the homeless population using educational opportunities, media articles, lobbying local councillors and MP's, public speaking, literature and Share's significant social media presence. This has been highly successful in the last year and Share's extensive lobbying activities have resulted in questions being asked on behalf of Share, at both local government level and in The House of Commons, regarding the rights of refugees and the winter provision for people who are homeless.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

Many people, young and old, use their experiences at SHARE, and the consequent personal development, to move into paid employment. SHARE continue to establish, support and contribute to a wide variety of community forums concerned with social inclusion and community development. For example, Chester Voluntary Action, Flintshire Local Voluntary Council, Chester 'Outside-In' (multi-agency group), Chester West Homeless Working Group, Chester Homeless Advocacy Group, Flintshire Synergy Group (Local refugee support) and Chester City of Sanctuary Group. SHARE regard this as an important role as it allows SHARE to highlight the problems faced by refugees and people who are homeless, to influence local policy, to provide a voice for our most vulnerable service users, and to affect change and development of targeted services.

##### **Fundraising activities**

The whole SHARE team continue to actively fundraise to provide financial longevity to The Charity and its services. SHARE have also partnered with local and national business (like White Stuff Ltd and Chester Racecourse Group) and community groups who provide some sponsorship of SHARE's activities. The work of SHARE is currently financially supported by donations from local organisations, the public and from sponsorship from local companies. Share have rented a new Charity 'Share Shop' in Chester City Centre. This aims to significantly increase the annual income of Share. The Trustees recognise that, to ensure the financial stability and robustness of Share and to continue to develop its services and to meet increasing demand, there is an urgent need to identify sources of grant funding or social enterprise funding. This is another key objective for The Board of Trustees in the company year.

Share continue to effectively utilise specific ringfenced appeals to assist funding for key aspects of the service - for example 'The Suspended Coffee' appeal.

Share continue to promote their 'buy-a-brick' appeal which aims to raise £115,000 to buy a house to provide supported accommodation for people who are homeless in Chester. This has been highly successful and is on track to achieve its target in the coming financial year.

#### **FINANCIAL REVIEW**

##### **Financial Review**

Following the SHARE Trustees review of its 'Reserve Policy' in March 2017, all monies donated to SHARE for a specific purpose, for example the SHARE 'Suspended Coffee Scheme' or its 'sponsor-a-sack-of-aid scheme', are ringfenced to be spent for that purpose alone.

Any general donations made to SHARE will be spent on SHARE's services to the homeless and refugees in equal amounts, with monies being retained and earmarked as appropriate in order to achieve this.

SHARE recognises and accepts its responsibilities as a charity, an employer, and a limited company to protect the financial viability and continuation of the organisation. Following the Charity Commission and NCO good practice guidelines, the SHARE Trustees have allocated some of this periods income towards a reserve. The purpose of maintaining adequate reserves is as follows:

To ensure cash flow (e.g cover delays in revenue funding).

To cover unforeseen circumstances.

To provide the opportunity attract / identify alternative funding.

To ensure that, should funding cease, the organisation would be able to fulfil all of its financial and legal obligations, when wound up.

The Board of Trustees are committed to reviewing the reserve annually. Unless or otherwise agreed, the Board will endeavour to achieve and maintain a minimum reserve equivalent to six months running costs of the organisation.

are homeless and resettled refugees.

SHARE will endeavour to establish a better quality 'drop-in' provision and establish itself as an effective advocacy service for people who are homeless in Chester.

SHARE will endeavour to source further funding for its operational costs.

SHARE will continue its commitment to providing excellent training for its staff and volunteers, and to provide a safe and healthy working environment within SHARE, thereby improving the volunteer experience and the service SHARE offers.

SHARE will continue to promote its role in education and increasing public awareness of the refugee crisis and the plight of people who are homeless.

SHARE will continue to develop and improve its governance by collaboration, training and finding local sources of mentoring to facilitate this.

This report was approved by order of The Board of Trustees on 29<sup>th</sup> December 2020 and signed on its behalf by:
