Report of the Trustees
for the year ended 31st March 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objectives for the benefit of the people of Carmarthenshire and the public at large to preserve, restore and regenerate, the historical, architectural, archaeological and environmental interest.

To advance the education of the public in history, arts, culture and heritage in Carmarthenshire.

In pursuance of its objectives to promote such charities or charitable purposes as the Charity may by unanimous resolution of its members from time to time.

The Trust is now focusing primarily on preserving the heritage of Llanelly House, and has no funding opportunities for future projects, including the regeneration of the Merthyr Tydfil YMCA. The aim in this financial year has been to seek to dispose of the YMCA at Merthyr Tydfil.

Public benefit

The trustees confirm that they have complied with their duty in section 17(5) of the 2011 Charities Act with regard to the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives in planning of future activities.

The Charity has demonstrated its aims are for public benefit through the provision of activities and events which have enabled all to enjoy and experience it including activities such as the Community Engagement work that continues through the efforts of the Llanelly House team.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

PROJECTS

Llanelly House Operation

During 2019/20 Llanelly House continued to diversify its programme of events and strongly supported Ymlaen Llanelli in its quest to deliver activities to encourage much needed footfall in the town centre. The financial performance of Llanelly House operations is reported separately as the trading company Plas Llanelly House Cyf.

The National Lottery Heritage Grant awarded to the Charity in March 2017 for a two year period has enabled a number of developments and improvements to be made to Plas Llanelly House operations to allow for progress to be made in trading more successfully and ensuring the viability and sustainability of the Charity and the trading arm Plas Llanelly House CYF. This funding facilitated the cost of a number of staff, the appointment of a Commercial and Events Manager, improvements to the kitchen, increased marketing, and improvements to the web site. The funding came to an end in May 2019, as the project was completed.

Additional funding for a two year period starting 2019/20 was secured jointly from Carmarthenshire County Council and Llanelli Town Council with a one off grant being awarded for 2019/20 from Llanelli Rural Council. The funding was awarded in recognition of the extraordinary overheads incurred in maintaining the historic building known as Llanelly House.

In line with government regulations pertaining to the outbreak of Coronavirus, Llanelly House was instructed to go into Lock-Down on 20th March 2020. Whilst this did not have a major impact on trading for 2019-20, apart from the loss of the fully booked Mother's day weekend, there has been a significant impact on trading income going forward into 2020-21.

Merthyr Tydfil YMCA

Throughout the year regular meetings were held between the Charity's trustees and representatives of Merthyr Tydfil County Borough Council to enable the potential transfer of this building to their portfolio. Such a transfer will only take place if Merthyr Tydfil County Borough Council are successful in obtaining funding for the project, which we believe has now been the case. It is expected that the transfer be completed in 2021.

FINANCIAL REVIEW

Principal funding sources

The Charity is entirely reliant on earned income and grants and the principal sources during 2019-20 were:

- National Lottery Heritage Fund - Llanelly House
- Carmarthenshire County Council - Llanelly House
- Llanelli Town Council - Llanelly House
- Llanelli Rural Council - Llanelli House
- Management Income - Llanelly House
- Merthyr Tydfil County Borough Council - YMCA

FINANCIAL REVIEW

Investment policy and objectives

The Charity had no investments and there were therefore no social, ethical or environmental issues relating to the policy aspects.

Reserves policy

At 31st March 2020 free reserves were £624. The Trustee's aim is to continue to increase the free reserves through planned operating surpluses.

Going concern

The Charity has secured funding from Carmarthenshire County Council, Llanelli Town Council and the Rural Council with a review after a two year period. Discussions have indicated the need for ongoing support for 2021-22 and beyond.

Coronavirus has had a significant impact on Llanelly House Trust Ltd operations since the year end 31st March 2020. To mitigate the financial impact of the pandemic, management are seeking additional funding to cover running costs of the charity and implementing cost saving measures. Despite the unpredictable future development of the pandemic, the Trustees believe that this event should not impact the book value of the assets or liabilities as of 31st March 2020 and that therefore the going concern of the charity is currently not at risk and going concern is considered appropriate for the 12 months from the signing of these accounts.

FUTURE PLANS

It is clear that the main objective for the charity is to ensure its operations are sustainable in the mid to long term, and that this will require constant vigilance and review of the business plan and objectives with accurate monitoring of targets and margins. Future external funding is likely to be needed for major maintenance projects.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a charitable company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

New trustees are recruited from individuals who are already supportive of the charity and its objectives. The Trust follows best practice in the recruitment and training of trustees as suggested by both the Charity Commission and the Wales Council for Voluntary Associations.

Initial training includes a full briefing on the operation of the trust, details of trustee responsibilities and liabilities, health and safety and are provided with financial information together with a copy of the governing document. A skills audit is undertaken when appropriate to ensure that current trustees have the requisite skills and experience to undertake their role fully and competently and to identify potential gaps.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31st March 2020

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

Governance costs include costs of preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to the trustees on governance or constitutional matters.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Long leasehold	- in accordance with the property
Plant and machinery	- 20% on cost
Fixtures and fittings	- 25% on reducing balance

Individual fixed assets costing £500 or more are initially recorded at costs.

Included in Fixtures & Fittings are the Llanelly House Collection of artefacts. Due to their historic value these have not been depreciated.

Taxation

The charity is exempt from corporation tax on its charitable activities.
