

## **M.VER (M.LHR - Mission Life and Hope Restored) Annual Report 01/06/2019 – 01/05/2020**

### **A) The work in Ceará in the Northeast of Brazil**

Last year Proclamation Church built a wall around the new plot of land but as yet has not had the funds to start building the Community Centre. A project to try and raise funds has just been launched called DigDog using a Hot Dog Delivery service during the COVID. So far this is going really well and the DigDog hopes to open a small snack bar area in town when things get back to functioning better!

During this crazy time of lock downs the church has kept its doors open for counselling, distributing food parcels and masks and online services. The community of Cariré have benefited from this and hopefully the church will see new faces coming to the services once it reopens.

The Missionaries Izaías and Ruth leading the M.LHR base in Ceará have now started the beginnings of a second church in Reriutaba, a 40 min drive away. The House group is growing rapidly as the couples and families coming along are more mature in their faith and some have moved there from bigger states like Rio de Janeiro and therefore have a broader outlook on what they can do for the community.

Their goal for the next year is to get both churches with enough leaders trained up to lead well so that Izaías and Ruth can supervise more instead of hands on ministry.

### **(B) M.LHR projects in Belo Horizonte**

Christian College LHR has not stopped earning the seal of being one of the best schools in Brazil even though it has had some tough times especially during the COVID. The College is functioning well online from 7:30 – 17:30 with digital lessons for the students of all ages. Unfortunately many parents have lost their jobs so the College is relying on donations to complete the teachers salaries. They are waiting for the ok from the local government to be able to return to lessons at the college.

A Small report on each class...

Respective  
responsibilities of  
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent  
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below \*)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 41 of the 1993 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Acthave not been met ; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
