Achievements and performance

### Section D

## Achievements and performance

# Summary of the main achievements of the charity during the year

#### Membership

As at the end of March 2020, the club's membership stood at ~670 members down from over 700 the year before. We believe this is partly due to a more careful filter of young athletes entering the club to ensure we have longer commitment to the club.

#### Development during 2019/20

- The website was populated with news and results throughout the year marking a significant improvement in communication with our members
  - The newsletter is now created automatically from posts on the system
- Increased competition participation by our young athletes saw us reach the EYAL plate final and EAL finals for the first time in years
- We invested in additional disability athletics capability with the purchase of Race runners and a large store dedicated to their equipment
- We ended the year with a Gold and Silver medal at the British Indoor championships, a team gold in road running events and many other individual and team accomplishments up to masters level too.

#### Challenges ahead

At the very end of the reporting year, the country entered a major lockdown to deal with the Covid-19 pandemic. We agreed to suspend membership until we could reasonably provide training opportunities again. This is likely to have a major impact on our finances for the 20/21 and our membership numbers.

It is likely to take a couple of years to move back to something like the progress we were making on improving athlete experience.

### Section E Financial review The overall reserve policy of the Club is to hold sufficient reserves to Brief statement of the ensure its ongoing successful continuation. charity's policy on reserves The unrestricted fund is specifically for the day to day expenses incurred by the Club. The policy is hold sufficient reserves to: To cover as a minimum an estimate of the value of 'unearned' subscriptions (since the Club accounts are prepared on a remittance basis, in accordance with Charity Commission guidance, and since membership subscriptions are collected annually in advance, the Club will be holding, and including in reserves, at any one time approximately six months of 'unearned' subscriptions). To protect the Club against any unanticipated shortfall in income. To protect the Club against any unforeseen expenditure. The Restricted Funds comprise the Equipment Fund and the C&C Trust Fund to which athletes of all abilities and organisations promoting athletics can make funding requests. Details of any funds materially None in deficit Further financial review details (Optional information) You may choose to include additional information, where relevant about: the charity's principal sources of funds (including any fundraising);

- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
