## TRUSTEES' REPORT

### **FOR THE YEAR ENDED 31 MARCH 2020**

The Trustees (who are also directors of the Charity for the purposes of the Companies Act) present their Annual Report, together with the audited accounts of Sussex Cancer Fund (the Company) for the year ended 31 March 2020 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The accounts comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

### **Our purposes and activities**

The purposes of the charity are to provide for the relief of sickness by way of research and the provision, maintenance and replacement of facilities, equipment and buildings for the Radiotherapy and Oncology department of local hospitals within the area of Brighton and Hove, in particular, the Royal Sussex County Hospital, Brighton, and in such parts of the surrounding district as the Trustees of the Charity may, in their absolute discretion, determine, from time to time.

The Charity's principal activity continues to be to seek funds in order to provide financial support for both research and the provision, maintenance and replacement of facilities, equipment and buildings for the Sussex Cancer centre at the Royal Sussex County Hospital Brighton and the Macmillan Horizon centre which was completed in 2017.

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'Public Benefit: Running A Charity (PB2)'.

### **Achievements and performance - Chairman's Report**

The SCF maintains its responsibility to the Sussex Cancer Centre and ongoing contribution to the running costs of the Horizon Centre.

The main emphasis of the SCF is moving towards that of a research grant body, enabling local cancer research in Sussex, directly benefitting Sussex patients and helping to attract a critical mass of skilled multidisciplinary cancer clinicians.

*In 2020 we have seen the completion of 2 'MD Res' Higher Research Degrees in Cancer, funded by the Sussex cancer Fund. Dr Lorimer submitted her research on the management of aggressive brain tumours in the elderly, which was a multicentre study around the UK including Sussex. Dr Appleyard has completed her research on Quality of Life and pelvic toxicity following radiotherapy for patients with prostate cancer in Sussex.*

*The Multi-professional Research committee is functioning well and we allocated £89,000 to fund a research blood cell counter at Brighton & Sussex Medical School along with £140,000 for a further 'MD Res' Clinical Research Fellow in breast cancer.*

*The medical acupuncture service funded by SCF and delivered in the Horizon Centre has oversubscribed with very positive patient feedback. We have now agreed a further £10,000 funding to extend the service to Eastbourne Hospital. Following a pilot with excellent staff and patient feedback, we have also funded a massage therapist on the chemotherapy suite and wards.*

The financial situation is very satisfactory. Our income is mainly from legacies.

I am most grateful to Bob Leeds, Julia Lenton and Joanna Godden for their continued commitment. The Board's support is very welcome and the future of the SCF is looking positive.

## TRUSTEES' REPORT

### *FOR THE YEAR ENDED 31 MARCH 2020*

#### **Financial review (including Reserves policy)**

Income for the year totalled £254,792, overall expenditure was £244,093 which included £58,880 of research and equipment grants made in the year.

The overall deficit for the year was £36,094. This arose due to a decrease in the value of investments during the year – a direct result of Covid-19, which we expect to be reversed in the coming year.

Total funds carried forward was £979,858 which includes £411,878 of funds which have been designated for research grants.

The figures for this year already include a reduction in income from donations and fundraising, as Covid-19 causes the cancellation of fundraising events. This is expected to continue into the coming year, and income is likely to be significantly down as a result.

The charity's reserves policy is for reserves never to be allowed to go below £450,000 or the sum of core expenditure over the previous three years. At the year end the charity had free reserves of £411,878, which are in excess of the policy.

### ***FOR THE YEAR ENDED 31 MARCH 2020***

#### **Appointment and training of trustees**

Appointment of Trustees is governed by the Articles of Association of the Charity. The board of Trustees is authorised to appoint new or additional Trustees. It recruits with the intention that the Board of Trustees is represented by a mix of business and medical skills. They are invited and encouraged to attend short training sessions given by existing Trustees in order to familiarise themselves with the Charity and the context within which it operates.

The charity is organised by the trustees in accordance with its governing document. The trustees meet quarterly but there are subgroups, which include specialist co-optees, and which meet more frequently to assess grant applications. These subgroups report to the full Board of trustees, which then approve or refuse grants.

#### **Organisation**

The charity is organised by the trustees in accordance with its governing document. The trustees meet quarterly but there are subgroups, which include specialist co-optees, and which meet more frequently to assess grant applications. These subgroups report to the full Board of trustees, which then approve or refuse grants.

#### **Risk management**

The Trustees have examined the major strategic, business and operational risks which the Charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risks.

#### **Trustees' responsibilities in relation to the accounts**

The charity trustees (who are also the directors of Sussex Cancer Fund for the purposes of company law) are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explains in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### **Statement as to disclosure to our auditors**

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information, being information needed by the auditor in connection with preparing their report, of which the auditor is unaware; and
- the trustees, having made enquiries of fellow directors and the auditor that they ought to have individually taken, have each taken steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

### **INDEPENDENT AUDITOR'S REPORT**

#### **TO THE MEMBERS OF SUSSEX CANCER FUND**

#### **Opinion**

We have audited the financial statements of Sussex Cancer Fund (the 'charitable company') for the year ended 31 March 2020 on pages 8 to 20. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report<sup>1</sup>, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**(LIMITED BY GUARANTEE)**  
**INDEPENDENT AUDITOR'S REPORT (CONTINUED)**  
**TO THE MEMBERS OF SUSSEX CANCER FUND**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with the applicable legal requirements.

**Matters on which we are required to report by exception**

In light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matter in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 3, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/Our-Work/Audit/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-auditors/Auditors-responsibilities-for-audit/Description-of-auditors-responsibilities-for-audit.aspx>. ### **TO THE MEMBERS OF SUSSEX CANCER FUND**

#### **Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE ACCOUNTS

**FOR THE YEAR ENDED 31 MARCH 2020**

### **1 Legal status of charitable company**

Sussex Cancer Fund is a charitable company, limited by guarantee, registered in England and Wales. The charitable company's registered number and registered office address can be found in the trustees' report.

In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

### **2 Accounting policies**

#### **2.1 Basis of preparation**

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Sussex Cancer Fund meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). There are no material uncertainties about Sussex Cancer Fund's ability to continue as a going concern.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

#### **2.2 Income**

Legacy income is accounted for in the Statement of Financial Activities when the charity is entitled to the income, receipt is probable and when the amount can be quantified with sufficient accuracy.

Donations and other forms of voluntary income are recognised as incoming resources when receivable, except insofar as they are incapable of financial measurement.

Other trading activities represent income from organised events and are recognised when receivable.

Investment income is accounted for when receivable.

Grants are credited to the Statement of Financial Activities in the year in which they are receivable unless a grant is subject to donor imposed conditions that specify the time period in which the expenditure of the resources can take place; in which case they are deferred.

#### **2.3 Expenditure**

Expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included with the item of expense to which it relates.

Expenditure on raising funds includes costs incurred by the charity in fundraising.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. Grants payable are charged in the year when the offer is approved by trustees and conveyed to the recipient. All grants awarded are specifically to provide financial support for cancer research and for the provision, maintenance and replacement of facilities, equipment and buildings for the radiotherapy and oncology department at the Royal Sussex County Hospital, Brighton. In the year, the charity also provided funding for a new Cancer Support Centre.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity. These are shown within support costs.

All costs are allocated between expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned based on estimated usage as a proportion of directly attributable expenditure.

## NOTES TO THE ACCOUNTS

**FOR THE YEAR ENDED 31 MARCH 2020**

### **2 Accounting Policies**

**(continued)**

#### **2.4 Fund accounting**

Funds held by the charity are either:

Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Designated funds - these are funds set aside by the trustees out of unrestricted general funds for specific future purposes or projects.

#### **2.5 Investments**

Investments are included at fair value at the balance sheet date. Any gain or loss on revaluation is taken to the Statement of Financial Activities.

#### **2.6 Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments. The Trustees seek to use short term deposits where possible to maximise the return on monies held at the bank and to manage cash flow.

#### **2.7 Debtors**

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

#### **2.8 Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.

#### **2.9 Donated services and facilities**

The Charity operates from an office within the Royal Sussex County Hospital. These facilities are donated to the charity. The trustees are grateful for the continuing support from Brighton and Sussex University Hospitals Trust. On receipt, donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

#### **2.10 Pensions**

The charity operates an Auto Enrolment defined contribution pension scheme. Contributions are charged to the Statement of Financial Activities as they are incurred.
