TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

The trustees present their report and financial statements for the year ended 31 March 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The principle activity of the charity is its project work as described below. The principle activity of the trading company is delivering the services and facilities at Stanwick Lakes, ranging from adventure play and country walks to catering and retail in the cafe, and paid for activities with the rangers.

The Trust is an environmental charity that works to bring wide-ranging community benefits through creating and conserving special green spaces, and exploring local heritage, in ways which educate, involve and inspire.

The work has extended beyond the defined area of Rockingham Forest to the surrounding area, including other parts of Northamptonshire.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Overview

During another busy year the Trust has made significant progress with the Settlers heritage project, with environmental work at Stanwick Lakes, and in supporting disadvantage through the Community Meet and Eat scheme using FareShare food.

By continuing to work in partnership with local organisations, communities and statutory agencies we have continued our mission of 'connecting people and places for good.' Our close partnership with East Northamptonshire Council continues and their support for Stanwick Lakes is particularly valuable and appreciated. The Trust remains a member of the Local Nature Partnership, Nenescape Landscape Partnership and Destination Nene Valley.

Achievements and performance

The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the commission. In terms of public benefit, the Trust's work with local communities, schools, disadvantaged groups/individuals and the general public continues to deliver in a variety of ways:

Successes during the year included the Settlers project's historic immersion activities and events for the local community, school visits with the rangers to explore habitats and landscapes, and site improvement works to make Stanwick Lakes a better place for visitors and wildlife.

Various disadvantaged groups benefitted from community meals in the café, where delicious meals were served using FareShare's surplus supermarket food. The twice-weekly health walks designed to boost health and well-being continue to go from strength to strength.

The Trust is most grateful for the financial support received during the year from East Northamptonshire Council, including the Community Facilities Fund, the Heritage Lottery Fund, the Northamptonshire Community Foundation, the National Lottery Awards for All and Scott Bader.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

Future plans

We hope to improve the contribution made by renewable energy over the coming year, reducing our carbon footprint, and to reduce our costs by growing our partnership with Fareshare.

The Settlers project plans to extend the heritage education visits offered to schools, so that as many children as possible have the opportunity to take part. Building on the success of the Ancestral garden we will create a well-being orchard, with a variety of heritage fruit trees and wildflowers.

The growing band of volunteers will be supporting our environmental work in various ways, including developing the wildflower area by the visitor centre, and keeping the wetland site open by clearing willow and scrub.

Financial review

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should maintain an operational capability of a minimum of six months. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

Rockingham Forest Trust is a Charitable Company limited by guarantee, incorporated on 17 October 1995 and registered as a charity on 26 October 1995.

The Charitable Company was established under a Memorandum of Association which established the objects and powers of the Charitable Company and is governed under its Articles of Association. In the event of the Charitable Company being wound up, members are required to contribute an amount not exceeding £1.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

J W Green

G M Couldrake

D C Watson

J J Richardson

P M Padley

J Charlton-Jones

A Woolf

C Hardie

(Appointed 25 April 2019)

The Trustees are recruited mainly via word of mouth by the existing Trustees after due consideration of their backgrounds and requisite skills.

Rockingham Forest Trust has established the subsidiary company RF Trust Enterprises Limited to handle the income from trading, primarily, but not exclusively, at Stanwick Lakes. The company has its own board of Directors, which includes five of the charity's trustees, plus one staff member. Decisions for the two entities are made separately at the respective boards, but ultimate control lies with the charity's Trustees.

Rockingham Forest Trust has a 125 year lease agreement with East Northamptonshire Council for Stanwick Lakes, and there is a separate board of management for overseeing the running of the site which includes Trustees and Council representatives.

The Trust has a franchise agreement with outside parties to provide fishing and bicycle hire on the site.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

Auditor

In accordance with the company's articles, a resolution proposing that Azets Audit Services be reappointed as auditor of the company will be put at a General Meeting.

On 7 September 2020 Group Audit Service Limited trading as Baldwins Audit Services changed its name to Azets Audit Services Limited. The name they practice under is Azets Audit Services and accordingly they have signed their report in their new name.

The trustees' report was approved by the Board of Trustees.

J W Green

Trustee

Dated: 21 December 2020

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2020

The trustees, who are also the directors of Rockingham Forest Trust for the purpose of company law, are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF ROCKINGHAM FOREST TRUST

Opinion

We have audited the financial statements of Rockingham Forest Trust (the 'charity') for the year ended 31 March 2020 which comprise the Group Statement of Financial Activities, the Group & Parent Charitable Company Balance Sheet's, the Group Cashflow Statement and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group and Parent charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF ROCKINGHAM FOREST TRUST

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Mr Mark Jackson FCA DChA (Senior Statutory Auditor) for and on behalf of Azets Audit Services Chartered Accountants Statutory Auditor

13 January 2021

Ruthlyn House 90 Lincoln Road Peterborough PE1 2SP

Azets Audit Services is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under of section 1212 of the Companies Act 2006.

CONSOLIDATED BALANCE SHEET

AS AT 31 MARCH 2020

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2020, although an audit has been carried out under section 144 of the Charities Act 2011. No member of the company has deposited a notice, pursuant to section 476, requiring an audit of these accounts under the requirements of the Companies Act 2006.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the board of directors and authorised for issue on 21 December 2020 and are signed on its behalf by:

D C Watson Trustee

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

Charity information

Rockingham Forest Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is The Visitor Centre, Stanwick Lakes, Stanwick, Northamptonshire, NN9 6GY.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest \mathfrak{L} .

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

The group financial statements consolidate those of the charity and of its subsidiary undertaking RF Trust Enterprises Limited drawn up to 31 March 2020. Surpluses or deficits on intra group transactions are eliminated in full.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements. In arriving at this conclusion, the trustees have considered the impact of the Coronavirus epidemic on the charity. Whilst the full impact of the epidemic is unknown, the trustees are confident that the impact on income can be managed by taking action to mitigate costs and using reserves.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Incoming resources represent the amount receivable during the year in respect of grants, donations and investment income.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure, which is charged on an accruals basis, is allocated between:

- · expenditure incurred directly to the fulfilment of the charity's objectives (charitable activities)
- expenditure incurred directly in the effort to raise voluntary contributions (cost of raising voluntary income)
- expenditure incurred in meeting the constitutional and statutory requirements of the charity and include the audit fees and the costs related to the strategic management of the charity (governance costs)

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis that reflects the use of the resource.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold property15 - 50 yearsPlant and machinery10 yearsFixtures, fittings & equipment4 - 8 yearsOffice equipment2 - 4 years

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

1.12 Retirement benefits

Defined contribution pension scheme

The charity operates a defined contributions pension scheme. Contributions are charged in the accounts as they become payable in accordance with the rules of the scheme.

Defined benefit pension scheme

The charity also operates a defined benefit pension scheme which is part of the Local Government Pension Scheme. The pension charge is based on a full actuarial valuation dated 31 March 2016.

Scheme assets are measured at fair values. Scheme liabilities are measured on an actuarial basis using the projected unit method and are discounted at appropriate high corporate bond rates. The net surplus or deficit, adjusted for deferred tax, is presented separately from other net assets on the balance sheet. A net surplus is recognised only to the extent that it is recoverable by the Charitable Company.

The current service cost and costs from settlements and curtailments are charged in the statement of financial activities. Past service costs are spread over the period until the benefit increases vest. Interest on the scheme liabilities and the expected return on scheme assets are included net in other finance costs/ (income). Actuarial gains and losses are reported in the statement of financial activities.

The net interest element is determined by multiplying the net defined benefit liability by the discount rate, taking into account any changes in the net defined benefit liability during the period as a result of contribution and benefit payments. The net interest is recognised in income/(expenditure) for the year.

Remeasurement changes comprise actuarial gains and losses, the effect of the asset ceiling and the return on the net defined benefit liability excluding amounts included in net interest. These are recognised immediately in other recognised gains and losses in the period in which they occur and are not reclassified to income/(expenditure) in subsequent periods.

The net defined benefit pension asset or liability in the balance sheet comprises the total for each plan of the present value of the defined benefit obligation (using a discount rate based on high quality corporate bonds), less the fair value of plan assets out of which the obligations are to be settled directly. Fair value is based on market price information, and in the case of quoted securities is the published bid price. The value of a net pension benefit asset is limited to the amount that may be recovered either through reduced contributions or agreed refunds from the scheme.

1.13 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to net income/(expenditure) for the year so as to produce a constant periodic rate of interest on the remaining balance of the liability.

1.14 Fund accounting

Restricted funds are to be used for the specific purposes laid down by the donor. Expenditure for those purposes is charged to the fund, together with a fair allocation of overheads and support costs.

Unrestricted funds are donations and other incoming resources received or generated for expenditure on the general objectives of the charity.

Other resources receivable without external restriction are designated by the trustees for particular purposes as deemed appropriate.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Hydropower development fund	131,584	(1,645)	-	129,939
	221,047	(5,061)	1,426	217,412

The Stanwick operations fund is held to support the cost of replacing assets of the charity.

The fixed asset fund represents the net book value of fixed assets not covered by the corresponding restricted fund.

The trading subsidiary working capital fund represents the working capital needed to maintain the operations of the subsidiary.

The hydropower fund represents the allocation of funds for the works necessary to generate electricity from hydropower for Stanwick Lakes.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

23 Restricted funds

The income funds of the charity include restricted funds comprising the following unexpended balances of donations and grants held on trust for specific purposes:

The transfers above reflect the transfer of capital additions to the Stanwick Development fund.

The restricted funds comprise the following:

Stanwick Development: Development of a nature reserve and countryside attraction. The fund balance represents the NBV of costs in developing the Visitor Centre and Education Wing have been capitalised as leasehold improvements. This is classified as a restricted fund as the relevant assets are attached to the leasehold land. The transfers relate to fixed assets financed from restricted grants.

Capital contribution: Resources from East Northamptonshire Council for capital and maintenance projects.

Tower: Replacement of permanent structure within the activity area.

Cecil Petit: Projects designed to improve facilities for the disabled. Specifically the repair of paths in the nature reserve and construction of a new toilet facility.

Settlers: A community project to explore, re-create and celebrate the lives of Settlers in the Nene Valley as they travelled, settled and traded over the last 5,000 years.

Awards for All: A project to build the wonky treehouse on site.

Sport England: Projects designed to improve facilities. Specifically the repair of paths in the nature reserve and construction of a new toilet facility.

Douglas Compton: A contribution towards salary costs.

25 Retirement benefit schemes

The charity operates a defined contribution pension scheme for all qualifying employees. The assets of the scheme are held separately from those of the charity in an independently administered fund.

Defined benefit schemes

Rockingham Forest Trust is part of the Local Government Pension Scheme (LGPS). This is a defined benefit statutory scheme, administered in accordance with the Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007, the Local Government Pension Scheme (Administration) Regulations 2008 and the Local Government Pension Scheme (Transitional Provisions) Regulations 2008. It is contracted out of the state second pension.

The assets of the scheme are administered by the trustees in a fund independent from the assets of the group. The scheme was closed to new members in 2009/10.

The pension cost and provision for the year ending 31 March 2020 are based on the advice of a professionally qualified actuary. A full actuarial valuation was carried out 31 March 2016.

The contribution made for the year ended 31 March 2020 was £34,000 (2019 - £33,000). The company is continuing to pay at rates advised by the actuary.

27 Events after the reporting date

Following the end of the year there were court rulings in respect of legal cases relating to pension schemes. The outcome of these rulings indicate that the assumptions used in respect of the valuation of the LGPS may not be appropriate. However, early indications are that the impact of this is not material to these accounts, and therefore a further valuation has not been commissioned by the charity.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

28 Operating lease commitments

At the reporting end date the charity had outstanding commitments for future minimum lease payments under non-cancellable operating leases, as follows:
