REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

ACHIEVEMENT AND PERFORMANCE

The Charity continued to maintain its activity this year with international work continuing and new projects approved. Partnership working was paramount to expand and widen the potential for new projects moving forward into the European programme, Erasmus+, alongside the new programme "European Solidarity Corps". The continuing main activities and developments over the year were:

International Youth Work: In August 2019 we signed the grant agreement with the UK National Agency in order for Point Europa to host 8 volunteers from France for 14 months. (4 for the first 7 months and then another 4 volunteers after this period). These volunteers were aged between 18-30 and worked within Point Europa and the local community to provide assistance in various tasks.

In Jan/Feb 2020 Point Europa also hosted 4 Students from a Vocational Training Centre in Sweden where they are studying to become Teachers/Teaching Assistants. These students spent 3 weeks in placements at local primary schools in order to gain new knowledge and improve their teaching practice.

We are currently coordinating 2 large European projects with 11 European partners. The project INSERT is co-funded by the Erasmus+ programme of the European Union and aims at extending and developing social entrepreneurship competences of educators and professionals working in organisations, providing support to migrant populations, in order to assist them in the long-run in promoting social entrepreneurship to low-skilled and low-qualified adults with a migrant background, as an alternative pathway for their self-sustainability. The 2nd project Girls Lead is aimed at supporting young women into finding their place as social entrepreneurs and in taking on leadership roles early in life by applying innovative methods to contribute to cultivate girls' professional confidence, employability and enhance understanding for "social entrepreneurship" as an entrepreneurial model among young women. We are also working with Cornwall Council, youth workers and many other organisations/agencies to ensure these projects are successful.

International Training Development Projects: Our links with training partners in other EU countries continue to offer useful work. In 2019-20 we were again approved as a partner on a number of multinational projects, and submitted new UK-based projects. European Funded projects we are in partnership with include:

League of emotions learners, (Loel) project: This project aims to empower young people so they are able to develop their emotional competences, to identify and express self-emotions, to establish successful communication with others both online and offline, to be aware of the limits and potential of ICT-based communication and to manage emotions in professional environments (including volunteering experiences, within a company or when being entrepreneurs).

Effective Learning: This project aims to bring together formal and non-formal education to explore different creative learning spaces which will give ownership of learning process to the learners. The aim of project is to provide space and support for cross-sectoral cooperation of professionals in formal and non-formal education on innovation of education in order to create contemporary and successful learning environments for young people. Through this project Point Europa is working closely with Youth Workers from our surrounding area in order to provide them with the opportunities of meeting other professionals and sharing good practices.

Art 4 Us - youth actors for inclusion through participatory arts. This project aims to the provision of mental health-informed and inclusive youth work practices with the interdisciplinary collaboration organizations and professionals and to promote mental health and inclusion of young people through the use of creative/artistic approaches.

Our skills and contact base in this area are strong, with good prospects for the future. Networking on a local and European level has provided us with a great deal of future contacts and projects for the years ahead.

We are an active partner in LEMON Network meeting in various countries every 6 months in order to work on new European applications along with increasing the quality of youth work across Europe. This network is made up of 15 organisations from 13 different European Countries.

Charity Shop: We are extremely proud of our Charity Shop which continues to thrive due to the work of a strong and active group of community volunteers.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2020

Support for Community Organisations: Our work for the local community continues at a high level, especially through the good services of our European volunteers, who continue to support very many community organisations in the villages and surrounding area. Along with this we continue to work with a number of outside agencies on numerous projects as mentioned above. These include: Torpoint Community College, Cornwall College, Saltash College, Devon and Cornwall Police, DCH and Cornwall Council.

During the financial year ending 31 March 2020 the Trustees continued forward planning by meeting and regularly updating the 3 Year Plan. We implemented our Mission and Vision Statement re the aims and objectives of the Charity. In line with policy, GDPR was reviewed. A Reserve Policy was written, agreed and implemented. Closer links were developed with other local charities with complimentary aims, specifically the Rame Conservation Trust.

The consequences of Covid 19 were felt immediately; the Charity shop stopped operating and as a result it's income ceased. Future projects and activities have been impacted and trading income has been reduced. We have sufficient funds in our reserves for our current needs and there is minimal impact on our status in the financial year 2019/2020.

FINANCIAL REVIEW

Our cash flow forecast was regularly reviewed in 2019-2020. The general manager and finance manager provided updates to the Board via the Finance and Planning committee throughout the year, and our finances remained at a satisfactory and fully reported level throughout. In addition to this a proportion of the Charity Shop income is being allocated to support all European Projects that are only part funded through the specific European funding stream.

It is the policy of the charity that unrestricted funds, which have not been designated for a specific use should be maintained at a level where the trustees consider that, in the event of a significant drop in funding, they will be able to continue the charity's activities while consideration is given to ways in which additional funds may be raised.

The Board of Trustees are aware of the risk of a potential funding shortfall for the 12 month period from the date of signing this Trustees Report. The Trustees have reviewed the funding/ projects for the next 12 months and are confident that the risk of a funding shortfall is minimal due to the secured projects already approved. However, the Board has decided that if necessary, we will adopt a plan to realise a part of the capital value of the charity's building, using the most appropriate facility (such as a loan or sale-and-leaseback agreement), to provide working capital and thus cover the potential risk. The Old Bank building where Point Europa's offices are base was deemed an unrestricted asset from 1st January 2014, when the project was closed.

STRUCTURE, GOVERNANCE AND MANAGEMENT
