Brief Summary of the Year under review

In the year under review, especially from March 2020 was very challenging because of outbreak of Covid 19 in the country. However, prior to that, we had various initiatives in engaging, empowering, and meeting the needs of different age groups in the community. Under the food bank initiatives, we were able to pick food items from Tesco and Asda to meet the needs of the people in the community, especially the homeless; they come three times a week to Barking and Dagenham CVS centre at ripple centre in barking for food.

During the Covid 19 period, some of our volunteers were able to assist the old people and other vulnerable people in the community by doing their shopping for them.

Secondly, we were able to start a music academy for the youths in the community, where they come to learn how to play different types of music instruments. However, we had to stop the music academy because of Covid 19 in the community.

Future Development

We hope to start an on-line version of the music academy by the mid-year and continue with the youths in the community learning to play different types of music instruments. different music instruments within three months.

Secondly, we hope to continue the food bank initiatives, with the hope of covering more areas in the community, after the stop of the pandemic in the community.
