The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Our aim is to enable individuals with Personality Disorder and/or Complex Trauma to determine their own pathways to achieving fulfilled lives free from the challenges associated with their diagnosis.

Significant activities

We currently have 180 clients registered, and we have intermittent formal contact with 10 carers. But as stated below the number of people benefitting from the Haven services indirectly is a much larger group. Geographically, we serve those who are resident within the Colchester and the Tendring peninsula - corresponding to the CO postcode.

The Haven provides five sessions of Crisis Prevention support over the phone and face-to-face. These take place 5 pm-8 pm Sunday through to and including Thursday. The project would offer 16 independent therapeutic support sessions face-to-face and 9 Recovery Group sessions (@ around 1.5-2 hrs each) varying from very structured wellbeing sessions to informal opportunities for clients to participate in crafts and social networking.

We have provided 4,725 Crisis Prevention calls; 810 1:1 Therapeutic sessions; 600 attendance in recovery groups.

An outreach service has been developed to reach those who, for whatever reason, are anxious and cannot or will not leave their homes. The well-being outcomes our clients achieve are remarkable and measured by a nationally validated system.

We also provide placements for Counselling students from Colchester Institute, University of Essex, the Mental Health Trusts' (EPUT) Community Services as well as occasionally police cadets and individuals from the voluntary services.

Public benefit

The Haven Project makes a positive difference to the clients' wellbeing as well as that of their carers and family. This in turn impacts on the community in which they live. A reduction in A&E attendance and emergency admissions to mental health wards is significantly reduced (60-80% within the first year of registration at the project). This reduction leads to significant savings as well as increased wellbeing for the clients who avoid spending time in these units. There are also benefits accruing from reductions in public disorder and social services input.

Future Plans

We are now in our second of three years of Big Lottery funding, with amounts gradually reducing. We have started to engage with the Essex Partnership Trust and the relevant Clinical Commissioning Groups to secure long term funding during and after the period of Big Lottery funding. We have been very actively engaged in the workstream dealing with the Essex Partnership University NHS Foundation Trust (EPUT) and its Personality Disorder strategy. Haven services now form part of the PD pathway in the area, albeit still on an unfunded basis. The Trust have invited the Haven to take part in the Crisis Café initiative due to start at the end of 2019. We are planning for a future where the statutory funding accounts for less than the full value of the service and are continuing to seek other sources of funding - see below.

OBJECTIVES AND ACTIVITIES

Funding

As stated above, we received a further three years funding from the Big Lottery on a tapering basis and are now in our second year. Plans are in place and are being fulfilled to bridge the gap left by the taper. There are reserves in place to cover temporary blips in the timing of funding income. At present this would be sufficient to keep the project running for 4-5 months at the end of the grant. However, we are anticipating a well-planned transition from the Lottery funding to a more sustainable spread of other funding streams.

We are actively and successfully pursuing new sources of funding: continuing with a major donor event which raised £5,000 in 2018 and £3,500 in 2019; applying to grant makers with some success - receiving £4,500 from Lloyds Enable which will pay for IT upgrade and quality assurance of the organisation's governance and overall structure. Shopping apps are currently bringing in a little bit of money and taking part in supermarket token schemes has brought in around £4,000 overall, and much more besides. Clients, friends and community groups continue to be very generous and are very busy raising funds on our behalf. Clients raised around £13,000 including client donations and in memoriam during the past year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Independent Examiner's Report to the Trustees of
The Haven Project**

Independent examiner's report to the trustees of The Haven Project ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Equipment	- 25% on cost
Office equipment	- 25% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

In the event of restricted funds being used to purchase a fixed asset which can then be used for the general purposes of the charity, the purchase is included within fixed asset additions and a transfer is shown from restricted funds to unrestricted funds.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
