The Helen Atkin Riding for the Disabled Group is open to children and adults with physical and learning disabilities and autism residing in the High Peak locality.

Our group is part of the national Riding for the Disabled Association

The Group carries full Insurance and a combined liability policy as required by the Riding for the Disabled Association

The trustees oversee the day to day running of the group and seek the views of members, the Coaches and volunteers in deciding the activities to be run.

There are child and vulnerable adult safeguarding policies, a risk assessment for the venue, a Health and Safety policy, a GDPR policy and equine welfare policy in place.

Incident/accident procedures are in place

Fire procedures are in place

References and Disclosure barring checks are carried out prior to commencement of trusteeship and for all volunteers and checks are carried out again in line with statutory requirements.

Our group is partnered with Fern Farm Riding School with whom we jointly undertake the riding activity programme and from whom we rent equines for our RDA activities.

Our coaches complete RDA managed reviews yearly.

Our coaches and some trustees have regular Safeguarding training

Coaches have First Aid training and there is appropriate first aid equipment in place.

All trustees give their time voluntarily and receive no remuneration or other

Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote the objects of the national Riding for the Disabled Association a umbrella charity registered under charity number 244108 by providing disabled people with the opportunity to ride and/or carriage drive to benefit their health and wellbeing in the High Peak and North Derbyshire Area

Summary of the main activities undertaken for the public benefit in relation to these objects

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The main activities are as follows:

Providing riding therapy

Enabling riders to take part in Regional and National Riding competitions

Riding benefits disabled people by delivering physical and mental benefits develops self-confidence and improves communication and social skills, . We welcome all disabled people regardless of personal background, faith, gender or personal circumstances.

Additional details of objectives and activities (Optional information)

We are grateful for the many hours our volunteers and coaches have spent encouraging and working with our riders.

Without this valuable contribution of time, energy, and expertise we would not have been able to achieve so much.

We are also very grateful to Dave and Louise Thompson, without their boundless enthusiasm and hard work we would be unable to function.

Achievements and performance

Summary of the main achievements of the charity during the year.

Fundraising

We have amongst other things raised funds by:
Holding a barn dance for RDA riders volunteers and the wider community in Buxton
Selling tea coffee and cakes at an open garden in Buxton
Organising a book and cake stall on Bakewell Market
Organising a toy and games stall at the Dickensian Market in Buxton
Hosting a western riding display at the Riding School
Running an online crowdfunder

All of the above have helped raise our fundraising profile in the Buxton and High Peak area.

Financial review

Brief statement of the charity's policy on reserves

Cash at bank at 31/3/20 £49,615 .
 The main financial risk to the charity is loss of funding and reduced donations. The impact of Covid has seen all riding and most fundraising cease
 The funds are held mainly to cover the building of an indoor arena (we shall need to raise circa £140,000) and future operational costs in the event of a loss of income and to meet any unforeseen expenditure that may occur.

Details of any funds materially in deficit

Not applicable

Further financial review details: (Optional information)

You **may choose** to include additional information, where relevant about:

The charity's principal sources of funds (including any fundraising).

How expenditure has supported the key objectives of the charity.

Investment policy and objectives including any ethical investment policy adopted.

Our main source of funds this year has been grants, donations and riding fees.

Our expenditure has been used to pay horse hire fees, specialist safety equipment

Training for coaches and trustees

Transport and entry fees for competitions

Other optional information

Future Plans

The coming year will hopefully see a return to riding and the completion of our indoor arena.
