#### Structure, governance and management

#### Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

(e.g. trust deed, constitution)

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scout Groups

Trustee selection methods (e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

Policies and procedures adopted for:
a) the induction and training of trustees;
b) trustee' consideration of major risks and the systems and procedures to manage them

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and records, and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders and parent's representation and meets every 2 to 3 months.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The raising of funds and the administration of Group finance;

The insurance of persons, property and equipment;

Group public occasions;

Assisting in the recruitment of leaders and other adult support; Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

#### Section B

#### Structure, governance and management (continued)

#### Risk and Internal Control

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy, Plus our own Personal Accident Insurance for Leaders and Adults, and non-member children. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of Leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

**Reduction or loss of members.** The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

#### **Risk and Internal Control**

The group has in place systems of *internal controls* that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

#### **Section C**

#### Objectives and activities

Summary of the objects of the charity set out in its governing document

The objectives of the group are as a unit of the Scout Association.

#### The Aim of The Scout Association

To promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

#### The Values of Scouting

As Scouts we are guided by the following values:

**Integrity**- We act with integrity, we are honest, trustworthy, and loval.

**Respect-** We have self respect and respect for others.

**Care-** We support others and try to take care of the world in which we live.

Belief- We explore our faiths, beliefs and attitudes.

**Co-operation-** We co-operate with others and make friends.

Summary of the main activities in relation to these objects

Regular weekly meetings during the school term time for Beavers, Cubs and Scouts, plus plenty of outdoor activities including, camping, hiking, cooking, canoeing, rafting, climbing, caving, cycling, and sports. All Leaders and Executive Committee members are unpaid volunteers.

Additional details of the objectives and activities (optional information but encouraged as best practice)

You **may choose** to include further statements, where relevant, about:

- · policy on grantmaking;
- contribution made by volunteers.

**Public Benefit Statement** 

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development

#### Section D

#### Achievements and performance

the charity during the year

Summary of the main achievements of The membership continues to be strong and we still have a large team of Leaders. A series of successful camps were organised. We are continuing to encourage and train younger leaders within the Group as many of our leaders are in their mid 50's and 60's and the Group needs to plan for the future.

#### Section E

#### Financial Review

Brief statement of the charity's policy on reserves

#### **Reserves Policy**

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the Group should hold a sum equivalent to 6 months running costs, circa £10,000 as the minimum reserve.

The Group held reserves of approximately £28,000 against this at year end. This is above the level required for operating expenses. However this can be explained by the extra fundraising and grants received and reduced spending during the financial year.

Quantify and explain any designations

Details of any funds materially in deficit (circumstances plus steps to eliminate)

Further financial review details (optional information)

#### **Investment Policy**

 the charity's principal sources of funds (including any fundraising); The Group's Income and Expenditure is relatively small and as a consequence, the Group does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low-risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies (or The Scout Association's Short Term Investment Service.

• how expenditure has supported the key objectives of the charity;

The main expenditure has been on maintaining and repairing our Leasehold Scout Headquarters, where the majority of meetings of the Scout Group are held, plus the vehicles and trailers owned by the Group. The Headquarters is also used by two of the local Guide and Brownie Units and the local Explorer Scout Unit.

· investment policy and objectives

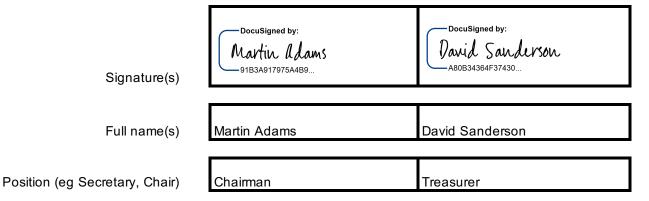

The Group Executive regularly monitors the level of the bank balance and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Although currently, as the interest rates are so low, not much time is spent on pursuing this avenue of income.
