From the Archbishop's Office

THE LETTER FROM THE APOSTLE EZEKIEL GUTI TO ALL THE CHURCHES OF FORWARD IN FAITH ALL OVER WHEREVER FORWARD IN FAITH IS, IN PREPARATION TO ENTER THE NEW YEAR FOR THE TEN DAYS OF PRAYER AND FASTING.

Greetings in the wonderful name of our Lord Jesus Christ. GRACE AND PEACE be multiplied to you, in the knowledge of God and of Jesus our LORD. Please read this letter slowly and carefully in every service during 10 days of Prayer and Fasting, so

that everyone clearly understands what God is saying to us through the Holy Spirit.

The year 2020 is different from all the other years. We need to be strong as never before, because there are things in the spiritual world that I cannot be able to explain. Except that I encourage everyone to make sure that your relationship with God is right. We know that some of us we didn't finish praying for spiritual ears and eyes leading to the genuine fear of God. We need to continue.

The year 2020 the foundation of everything is Love of God in the church, which will create prayer and fellowshiping together, with one another, bringing food and eating together Acts 2:42 and 46. The Bible calls this fellowship "Love Feast" Jude 12.

The foundation of Love of God will create praying, fellowshiping, inviting friends and eating together the food we bring. This will help when the period of spiritual drought in some places comes. I am speaking to the mixed generation, but my message is to the emerging generation who are coming into leadership.

Love and fellowship will cause the church to grow and cause joy in people. Acts 8:8, Acts 13:52. We won't lose people in the time of spiritual dryness when the Love of God is full in the church. Be not afraid when you see ungodly coming to your fellowship. Wherever there is eating it invites even wrong people. When Jesus saw wrong people coming, He warned the disciples. Luke 12 v 1-5. READ.

People do not stay in church because of anointing only and preaching, but because of the love of God in the church. The key is the Love of God. Love never fails. 1 Corinthians 13:13.

Continue in the teaching of FIF, fellowshiping, eating together and in prayers.

As always in the 10 days of prayer and fasting, prayer bands and conventions are very important. Prayer conventions 2nd to 5th January 2020.

Warning to those who are at work. Be alert. Reminding the pregnant women, we don't want you to be sick. Don't fast.

Thank you for praying for me as I pray for you. God bless you and strengthen you.

Yours servant of the Lord to the servants and saints of the Lord.

Ezekiel H. Guti.

EXECUTIVE OVERVIEW REPORT (by the Bishops & National Administrator)

Introduction

God spoke to our father, His Servant Apostle Prof. Ezekiel H. Guti in November 2019 concerning the year 2020. This led him to write the "Ten Days of Prayer and Fasting" letter to the Church as preparation to enter the New Year.

The letter clearly states that ***"The year 2020 is different from all the other years. We need to be strong as never before because there are things in the spiritual world that I cannot be able to explain. Except that I encourage everyone to make sure that your relationship with God is right. We know that some of us didn't finish praying for spiritual ears and eyes leading to the genuine fear of God. We need to continue....."*** We therefore began the year on a cautious note, following this prophetic declaration and an unprecedented warning concerning 2020, which had things that our father was not able to explain except for everyone to be strong as never before.

The nation went into TEN DAYS of PRAYER and FASTING as usual, with a difference that our mother, Apostle Dr Eunor Guti came with her team to pray with the Female Pastors and the Male Pastors who joined in at the end. We now appreciate that this could only be by divine appointment, to cover the nation as the pandemic was looming.

Though the church had been prophetically warned and the Pastors' Deeper life Conference held in January 2020, the sudden and devastating break out of COVID-19 had serious negative repercussions on the operations of the entire church. Like the rest of the world, we went into lock down which affected all our public gatherings from March, our places of worship with all services and meetings moving to electronic platforms. The Europe Leaders' Deeper life Conference (29th July – 2nd August 2020) had to be cancelled.

Despite these difficult conditions, God continued to show His faithfulness to His Servant and His people. This was evident through the following: -
a) a great wave of individual and corporate prayer at every level; an increase in the spirit of prayer as Pastors, leaders and saints meet virtually to pray,
b) high attendances for online prayers and services with an increase in tithes and offerings.

In July, the Executive then established a National Covid-19 Task Force, as a sub-committee of the Management Board, with a mandate to guide the nation in the interpretation of government guidelines, risk assessment and preparation for return to places of worship. The Task Force

structure was replicated to the provinces, instrumental in ensuring compliance to health and safety, also making it possible for practical concerns like fear to be dealt with appropriately.

Different ministries and groups were able to hold online conferences, conventions, seminars and meetings. Most scheduled calendar events, whether provincial, regional or assembly have been successfully taking place, including National Council meetings. It was not possible to proceed with the Bishop's rotation although some Provinces and Regions managed to host them through virtual platforms.

Missions Project 2020

Probably the most notable achievement of the year was the working of Missions and raising £1m+ in just 2 months of June and July!! This was indeed great grace bestowed upon the nation, being able to partner with the Servant & Apostle of God towards the "Go Yee Therefore" mandate during such challenging times.

International Sunday Services

These came as the pandemic and its challenges was beginning to surface and allowed the nation to keep focussed. We highly appreciate the love from our father the Apostle & Servant of God, for facilitating these special morning and evening services for His children.

Though the morning services have stopped, we have gone back to having virtual local services. This is in preparation for return to places of worship, which will eventually come with continued intensified prayers and the lifting of the third lockdown on 2nd December 2020.

Kingdom Wealth Creation

After a successful Missions Project 2020, we continued working Home Talents, with amazing results throughout the UK and Ireland. We witnessed the demonstration of God's grace as every province surpassed all their expectations. Surely the lives of people will never be the same going forward, as the vision of the school of talents continues to be fulfilled.

Conclusion

The Church in the United Kingdom truly witnessed the unmerited favour of the God of our father, as lives are being preserved despite the nation being ravaged by Covid-19. We highly appreciate the Executive for putting in place the National and Provincial Covid-19 Task Forces which are assisting the nation with interpretation of government guidelines, to ensuring compliance for health safety.

HIGHLIGHTS

There is no significant change in total membership figures even though the pandemic restrictions curtailed most activities, notably the collection and submission of accurate statistics. There were no water baptisms in compliance with the standing social distancing measures; the 5 Holy Spirit baptisms were before lockdown, with possibly more taking place in homes but going unreported.

PROVINCIAL SUMMARY REPORTS

GREATER MIDLANDS PROVINCE

Executive Summary

We thank the God of our father, Apostle Dr Ezekiel H Gutu who has kept His church through the Covid-19 pandemic and lock down. He favoured us with a good team of Pastors, Elders and Deacons; our Province of 7 regions continued to be stable during these unprecedented times. Prayer meetings, ministry events and seminars were all virtual with good attendance, to equip and revive the church. We also greatly benefitted from international speakers.

We believe prayer remains the firm anchor as many people were affected but healed from Covid-19 and other diseases. Despite these challenging times, the province has recorded an increase in tithing and receives unwavering support from our Bishop and National Administrator.

Programmes & Activities

PC & Seminars

We held a successful virtual leader's seminar over two days, with the Secretary General Rev M Nyambo and National Administrator as the speakers. We also held successful virtual Provincial Council meetings which were well attended.

Missions Despite the pandemic period characterised by various difficulties, the province performed exceptionally well in the working of Missions.

Prayer and Fasting

Meetings were held at all levels and ladies met zonally for their Tuesday prayers. The spirit of prayer became stronger, with all ministries starting morning glory prayers, some daily and others on

specified days. Some regions went further to set up prayer lines to attend to urgent prayer needs.

Kingdom Wealth Creation

Home Talents continued being worked miraculously as some businesses were not affected by the pandemic. Many have built houses and the majority saving money, surpassing the provincial target of £1m.

Ministries

Regardless of the lockdown, we saw the divine hand of God, with every ministry up and running, holding prayer sessions and retreats, services and seminars. They also participated in their ministerial national conferences. Some notable activities are as follows:-

Child Evangelism

They undoubtedly became the pace setters, with weekly services, two business seminars and a talent show themed "We are Gifted", where all participants were appreciated with a token gift. The children were kept engaged during lockdown, learning new skills up until opening of schools.

Youth

They managed to put their structures in place in accordance with the youth calendar, began monthly provincial events and actively participated during the working of Missions. They have also begun Monday to Friday prayer sessions, morning and evening.

Go Quickly & Tell

They continued to conduct themselves as the backbone of prayer and a force in the working of Home Talents. Virtual High Teas were held, as well as fellowship meetings for Elders and Deacons respectively.

Conclusion

As a way of responding to those that have been affected by Covid-19, alms have been put in place to offer local support. We appreciate the setting up of a Provincial Task Force, to spear head the safe return to churches, working as a subcommittee of the National Task Force.

NORTH LONDON PROVINCE

Overseer's Executive Summary

We thank the God of our Father Professor Dr E H Guti for protecting His children during this unprecedented pandemic period. We truly have a great prophet who hears from God, have seen what was revealed to him come to pass.

Many limitations are still being experienced through lockdown restrictions but still appreciate their objective of health and safety, to minimise the risk of infection. We are yet to meet physically for worship, continue with activities like street witnessing and thank the God of our father for preserving us from the pandemic, with prayer as our powerful pillar against the enemy.

Soul winning through monthly crusades brought 9 new believers to Christ; a call centre facility and prayer line is available to attend to prayer requests. Unfortunately, restrictions are still not allowing water baptism.

Regardless of the many challenges, 2020 has been very productive, with more believers coming and tithes going up. We also worked in a phenomenal way towards the national excess of £1million raised by the nation to support Missions. We are continuing to push towards Kingdom Wealth Creation through working Home Talents.

Communication & Strategies

Due to lockdown restrictions, we kept in touch with believers using various virtual conferencing strategies for prayer, local and international services. NLP believers know that they are serving a true and faithful God (2 Thessalonians 3:3). Home Cell Groups meet midweek; Home Visitation to pray, meet the needs of believers and create opportunity to reach those living alone.

Events

Seminars & Conferences

The year started with extraordinary ten days of prayer and fasting, then moved to virtual conferencing for conferences, seminars and ministerial gatherings after lockdown. Everyone greatly benefited from the various speakers from across the globe who delivered life changing teachings.

Kingdom Wealth Creation

Families are gathering a lot of money through working of Home Talents and the anointing of the season. Regions have created group links that include Buying & Selling, Properties, Farming, Health & Home Care, Stocks & Forex Markets. Experts are giving mentorship and guidance to those who register interest, so they can venture into different projects. Great testimonies are being shared and we believe more businesses shall be birthed in NLP.

Ministries & Testimonies

1. Ministries

Regardless of the lockdown, all ministries demonstrated a hunger for staying connected, maximised efforts to receive online teachings and praying for the work of God. The youth are preaching on social media platforms and did some street witnessing when the lockdown rules were briefly eased. Young Generation & Child Evangelism faced enormous disruptions when they couldn't go to school until their Pastors and Sunday School Teachers started various activities through zoom video conferencing. Many have grown spiritually, and confidence is soaring. We give glory to God for allowing them to stay focused and finding more joy through the International Children's Sunday Services.

2. Testimonies

God created incredible opportunities for members during lockdown, including buying of properties, restoration of lost jobs and creation of new business projects. The God of our father Ezekiel is awesome and so faithful, fulfilling His word and its purpose. Many saints were healed from Covid-19 and other illnesses, as shared through some of the testimonies received: -

(a) Testimony 1

A mother of two boys, nurse by profession and a believer at Luton Mega church contracted Covid-9 early this year. It was difficult but I saw the hand of God through prayer support which sustained me even when I could feel my breath going. The God of our Father Ezekiel Guti is alive and faithful, is above every sickness or any mountain. My wonderful family of God were calling, daily checking on me, taking turns to cook and shopping for daily needs. I urge my fellow brethren to trust in this God of Father Ezekiel. Glory be to God!!

(b) Testimony 2

My son lost his company manager job due to the pandemic. After being reminded of his situation on 2nd June, I was strongly persuaded to give to Missions and continued throughout the project period. My son called to say he has been reinstated on the same conditions, but his counterparts given a choice of junior positions with reduced income. I thank the leaders for encouragement on prayer and partnering with God. These Missions are not ordinary and such favour can only be the doing of the Lord. May He be glorified forever for His faithfulness.

(c) Testimony 3

In August I fell 3 times within my house, could not get up without help and was admitted to hospital after calling for an ambulance after the 3rd fall. Nothing wrong could be found, was overwhelmed with fear, lost all confidence to stand, walk or use my walking stick. I received full support from my church through prayers & visitations until discharge. I was house bound, in a wheelchair and using a taxi to and from church until virtual services started.

After the physiotherapist visit on 19th September and being asked to stand on my stick, I continued doing the same for some days, taking steps forward and back. I said, "Lord thank you for the 5 steps today and a thousand more tomorrow"!! I then managed walk to the toilet, then to the kitchen which I had not seen for some time. I haven't stopped walking since and it is the doing of the God of Ezekiel Guti. I was never without food during lockdown as the brethren took turns to minister.

Conclusion

We thank our father and mother Apostles Dr Ezekiel H Guti and Dr Eunor Guti for prayers and what their God is doing in our Province. We have remained standing despite the challenges caused by the Covid-19 pandemic, fulfilling scripture that says, *"For we walk by faith and not by sight"* (2 Corinthians 5:7).

We are so thankful to God for His love and kindness that has brought peace in our province and allowing His children to thrive financially through their faithfulness in tithes and offerings. We are confident that we will have a wonderful 2021, as we continue to operate under the anointing of the Apostles of Jesus Christ.

NORTH ENGLAND PROVINCE

Executive Summary

We began 2020 guided by the prophetic word that had been given to our father, to be strong as never before because the year was going to be different with things in the spiritual world that he could not explain. Leadership meetings just before and during lockdown continuously reviewed how best we would function as a province.

As the pandemic ravaged the nation, believers who were affected were losing their jobs and livelihood which opened our eyes to pray without ceasing for a speedy reprieve and recovery. We have seen the mighty move of the hand of God, healing of the affected and some business endeavours miraculously continuing to flourish and expand. We continue to pray for God's protection and sustenance as we enter the final quarter of the year. We believe the pandemic situation will undoubtedly abate in the months to come and enable us to return to our churches. The input and guidance of the National and Provincial Task Forces are much appreciated, through awareness training, interpretation and compliance to government guidelines.

Programmes

Easter (Resurrection Weekend)

As the prophecy was gradually becoming clearer to all, the year was surely different and calling for a change in our prayer lives. This was the beginning of virtual services and prayers; we give glory to the God of our father who continued to revive and uplift the spirits of His people.

Anniversary & Birthday Celebrations

Despite the challenging times, we celebrated throughout the week in our Home Cell Churches, remembering where it had all begun, with History Book reading, prayer and testimonies.

Prayer Conventions

After June prayers, the Province joined the nation for a month of prayer and fasting in September, to wrestle against the kingdom of darkness and the "things in the spiritual world" that our father could not explain. Various prayer meetings were held through teleconferencing, the God of our father showing His faithfulness and the power of His might.

Testimonies

One of the saints whose father was recovering well from Covid-19 appreciated prayers from the Pastors, leadership and the church at large when he was discharged from hospital.

A front-line worker diagnosed with Covid-19 later tested negative after being prayed for and is eternally grateful to the true God of our father for her healing.

Kingdom Wealth Creation

People are working Home Talents, being encouraged through online teachings. Under the theme *'Build Houses and Dwell in them'* (Jeremiah 29 vs 5), encouragement came through Big Days, weekly services and testimonies of success. We thank the God of our father for such a wonderful vision that chases away poverty.

Missions – The Unfinished Mandate

Online teachings by national and international speakers, prayer and fasting, Big Days, all brought awareness and revival towards working Missions. So much excitement was shared amongst those who participated in this noble cause.

Ministry Activities

We thank God that ministries continued to have the zeal to meet for prayer, services and scheduled activities by Zoom platform. The following are some of the ministerial highlights: -

Child Evangelism & Young Generation

The interactive sessions were lively, gave our young ones opportunity to participate and have fun whilst learning, through bible quiz, games, question & answer sessions.

Youth

Powerful speakers who continued teaching the youth to fear and serve God. They also met for prayer retreat in October and give glory to God for a powerful vision that is doing a wonderful job equipping the youth to do things for God. Four had court weddings, until they have full ceremonies after lockdown.

Girls

The girls met with their National Director Overseer Cecelia Zezani in May for a Big Sunday. God is gracious, as they were taught and equipped through the Word, revived through worship.

FAMB Conference

Families came together in August for this empowering conference, with powerful teachings and interactive activities. They spent quality time together.

Men of Integrity

The men met in May for night prayer under the theme *"Walking with God"* (Genesis 5:24) and give glory to God for such a powerful event.

Couples & Go Quickly Conferences

These ministries held Zoom national conferences in August and October. These were conferences with a difference, with powerful international speakers Pastors P & F Arthurs from USA. Lives have been transformed, with renewal of vows for couples.

Conclusion

We thank God for allowing His work to continue in these trying times, preaching the gospel and having fellowships despite restrictions to meet physically. We continue to pray for every ministry to remain vibrant and that our province shall not lose any saint to the pandemic. The Task Force is guiding the province in risk assessing our places of worship, in preparation for return when it becomes safe to do so. The God of our father Ezekiel Guti has been gracious to North England Province.

SCOTLAND PROVINCE

Overseer's Overview

Grace, mercy and peace in the mighty name of our resurrected Saviour Jesus Christ. This is a snapshot report of activities, events, finances, developments, achievements, progress and challenges experienced by Scotland Province during 2020.

Through all the unprecedented and turbulent times of the lockdown since April, we are humbled by the grace of the God of our father, that has been sufficient to see us through. The church family continues to be protected, ministerial activities being

held at every level, meeting virtually and consistently for prayers, bible study and services. We have been favoured to be taught the word by gifted and powerful speakers from across the globe over the last six months, which has greatly enriched our Province.

We were highly privileged to partner with the great missionary of our time, to work joyfully and willingly together with our families in June and July, raising a lot of money to support the Missions mandate that our father was given by God. We are currently working Home Talents as families, being encouraged through Big Days and powerful teachings, to develop ourselves and accumulate wealth. People are working and we believe the God of our father will bless His children and allow them to prosper.

Our financial performance has been exceptional as we are seeing a significant rise in our tithes, indeed a miracle the way people are tithing faithfully. Our savings continue to increase, and we are believing God for our very own Provincial Centre in His fullness of time. All things are possible with the God of our father and through prayer.

Ministerial Highlights

(a) Child Evangelism

Since lockdown, the children's classes have been organised by different age groups and occasionally combined. Through the year, their Big Sundays were graced by powerful local and international speakers, including Elder S. Shumirai, Pastor P. Burke and Pastor Mapunga. They were also able to join the global online services.

(b) Youth

The priority for every youth member is ensuring unity, fellowship and igniting a passion for Christ, to relentlessly pursue purpose in line with God's will. The youth have experienced the great need for coming together during this difficult season and started "Connect Group" forum meetings two months ago, Tuesday evenings to pray, study the word and share on issues affecting them as today's young people. The topical issues discussed include social media, fear & temptations, which has increased youth attendance, their engagement and they look forward to growing in numbers and in knowledge.

They also hosted a couple of services which allowed them to showcase their amazing gifts, with plans of making this a monthly event as a way of ensuring staying rooted and participating in church functions. Many activities including quizzes and Q'nA' sessions have brought a great sense of togetherness even outside church. Moving forward, they aim to meet regularly, cultivating each other's gifts, thereby promoting growth and maturity in Christ, as the leaders of tomorrow.

(c) Go Quickly & Tell

The grace of God has been sufficient throughout the year, as women are rising and working Home Talents to improve the lives of their families. Through much encouragement from powerful speakers to the whole church, some have established businesses, others working towards buying houses and some building homes in Africa. Prayer remains their backbone as they meet virtually to intercede for the Apostles and Servant of God, our father and mother. They also participate, are being blessed through international prayer sessions and the national Mountain Movers prayer group. Many testimonies are being shared, how women are being transformed through being encouraged to work their character.

This has allowed the ministry to continue growing from strength to strength.

Conclusion

As God remains gracious to His children, we trust that His face will continue to shine upon Scotland Province as not many saints were affected by Covid-19 and no deaths recorded. We are forever grateful for your intercession and support.

SOUTH EAST ENGLAND PROVINCE

Executive Summary

Though 2020 had its own challenges, we have seen the hand of the God of our father and His faithfulness and give Him glory for preserving the saints from the Covid-19 pandemic.

We held powerful virtual church services, leadership seminars, workers fellowships, Kingdom Wealth Creation seminars, services by ministries and Provincial Council meetings. Powerful teachers, local and from abroad, took the province to a higher level.

We have witnessed opening of companies, buying of properties in the UK and abroad by the saints, through the school of talents. There has been a great revival in areas of working for God, in prayer and attendance of services. God used South East England Province mightily in raising money for Missions; have seen significant increase in number of tithers, making it possible to both meet all our financial obligations and to save money.

We are looking forward to going back to physical gatherings, to be able to baptize new believers in water, as the National and Provincial Task Forces offer relevant guidance in interpreting government guidelines, risk assessment and compliance.

Programmes

Deliverance Sessions continue to take place despite the lockdown and the absence of opportunity to share testimonies of what the Lord is doing. The multiple sessions of the June prayer conventions were conducted virtually and those with prayer requests ministered to on a one to one basis.

Christian Business Fellowship (CBF) is growing from strength to strength and more people engaging in entrepreneurship, including the youth. During business seminars, the young entrepreneurs encourage others to venture into business. South Bank Region were privileged to receive teachings from international speakers, '**Discipleship**' by Bishop Rupapa and '**Salvation**' by Dr D Simango.

Activities

Missions – We give praise to the God of our father as we saw His hand in the working of Missions in June and July. It was a remarkable performance of “firsts” over the whole nation, from South Bank Region, our Pastors C & M Mhlanga then the Province. Even though we were in a pandemic, people gave whole heartedly to their God and South Bank Region even superseded their target. Special thanks go to the Pastoral Board, who prayed with us at every level and arranged international speakers to charge us with inspiring teachings.

Kingdom Wealth Creation - We continued to be encouraged to work Home Talents and to apply the same zeal as when we were working Missions. We held regional corporate prayers and as a province.

Home Bible Study Groups - The 50 groups remained active though with a negative impact from the lockdown. We glorify God for diligence and ability to meet online.

Conferences were held by every Region during the year, power packed, practical and life changing. After the Ten Days of Prayer and Fasting in January, every conference and convention then went virtual including Easter and June Prayer. Girls & Boys, Youth, Ladies and Couples, who also participated and benefited from the national online fellowship conferences.

Ministries

It is remarkable that despite the lockdown and its challenges, every ministry managed to divert scheduled activities to online platforms. Some notable activities are highlighted as follows: -

Child Evangelism & Young Generation teachers continued facilitating children's church as per the vision given to the Servant and Apostle E H Gutu. Virtual local services graduated to joining the international services through YouTube/Facebook, a channel which the Superintendents had already started using.

Go Quickly & Tell held Big Chinas and High Teas across the province, over and above the female Elders and Deacons seminars with international speakers. They joined in the 2 international Big Tuesdays addressed by our mother apostle Dr Eunor Gutu and South Bank have started home makers services, sharing teachings that include families, children, working and running businesses.

Men of Integrity birthed a male Elders and Pastors midnight prayer group from Monday to Thursday in South Bank Region, extended to all the men on Fridays. Willing hearts and a hunger to earnestly fellowship with God are the main motivation. Like other ministries, they were also ministered to by international speakers in their conferences across the province.

Single Women are a ministry of vibrant members who meet regularly to fellowship and pray; they worked Missions in March. Through the Overseer's office, they had a well-attended interactive meeting with Pastor C Zezani, a keep fit event where they received teachings from a professional coach on how to exercise and many more empowering speakers.

Couples Fellowship has solidified over the years as a powerful pillar of soul winning to non FIFM members. Beyond local, regional and provincial events, they participated at the most recent National Couples Conference themed "Lets Chat Love" held in August.

General Remarks & 2021 Projections

We look forward to having every ministry exceling in their vision and projects, including Families Builder Ministry (FAMB) who aim to go beyond family fun days but to organise fellowship activities at local assemblies that will nurture family cohesion and growth.

Some of our projections are: -

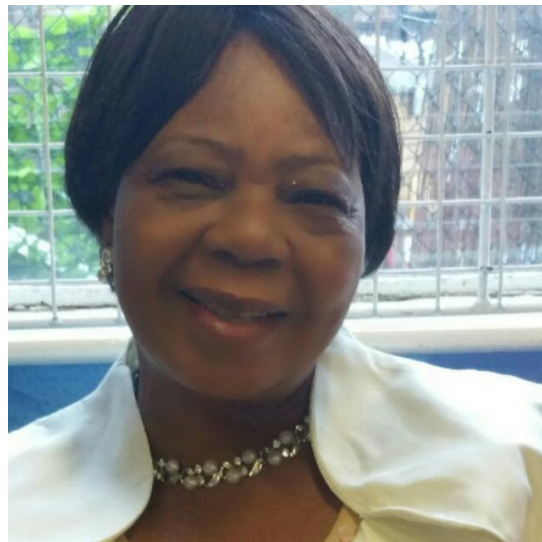

- Embarking on reaching out to the indigenous people and other nationalities.
- Soul winning by all age groups
- Engaging all ministries and groups in prayer retreats
- Maintain our membership strength
- To teach the word as written in the bible scriptures with the additional support from the books of the Servant and Apostle of God.

We thank our father, the Apostle & Servant of God Dr EH Guti for his prayers and for giving us shepherds with a burden of seeing us maturing in the things of God.

MINISTERIAL AND DEPARTMENTAL REPORTS

CHILD EVANGELISM MINISTRY

Introduction

The head is National Director Pastor Phyllis Burke, assisted by Pastor Kay Chibwana. Elder Shepherd Shumirai is the current Chairman, working with vibrant pastors, teachers and friends of the Ministry.

Because of the global pandemic, 2020 has been a challenging year all round, yet managed to switch to online activities and children's church', with children and their teachers always glued to their gadgets. We saw the hand of God as interactive meetings and sharing of the most wonderful experiences were facilitated through these gadgets. Our extensive report intends to allow the readers to capture and share with us, the progress we made and the excitement about the growth of our ministry.

Our presentation is of a successful and fruitful engaging year, through the support of parents, guardians, teachers and leaders. It starts with the national overview, then the more detailed provincial events and plans.

National Overview

2020 has been tremendous by way of commitment from teachers and parents despite being restricted from meeting physically because of lockdown. The board did not stop hosting a national seminar in May, with the International Director Pastor Dope as speaker, as well as a successful meeting in August to plan children's learning activities. It is exciting to note that Provinces and regions are also planning Christmas parties for the children.

The teachers and parent sessions were held in May during a week of prayer and fasting. They were well attended and filled all the available spaces on the

platform. The high-powered sessions majored on training up a child and how to conduct children's church effectively, attended by children from as far as Dubai, South Africa, Mozambique and Zimbabwe. The teachings invited positive comments from parents and the critical areas covered include: -

1. Training up a child in the way they should go (*Proverbs 22 vs 6*).
For behavioural change and to prepare them for a responsible future
Ushering them into a guided system, using child centred approaches
2. How to communicate effectively with children, the different methods and their values.
3. How to avoid the common mistakes we make when communicating with children.
4. The importance of games and music as part of lesson development.
5. The importance of applying correct teacher/child ratios and rota systems for teachers.
6. Identifying child needs and communicating effectively with parents.

These teachings emphasise that **"ANYTHING FOR THE CHILDREN WITHOUT THE CHILDREN IS NOT FOR THE CHILDREN"**. As such, every province, region and assembly have launched their weekly children's church and establishment of a Kingdom Music & Dance (KMD) structure, with Elder Obert Mazivisa as national leader. Their future plans include learning from the Zimbabwe KMD experience, to encourage children to compose songs, enter song writing competitions and running of workshops.

Provincial Activities

Notably, every province has a provincial board in place to guide the ministry, but teacher availability is varied for different reasons, e.g. work commitments. Most regions are holding as many services as possible for the respective groups, inviting different speakers and encouraging the children to watch the online international services from when they started.

Over and above bible study classes, memory verses and watching video clips, children are benefiting from various interactive activities that keep them engaged. CE classes cover wide ranging topics that have brought tremendous growth in the knowledge of the word and have equipped the children to lead services extremely well.

Some activity highlights that the children are enjoying including cooking & baking, dancing & drama, exercise routines, indoor games, bible quizzes and playing musical instruments. Greater Midlands showcased a talent show, with every participant being appreciated with a reward by a donor parent and two Business Seminars were addressed by young businesspersons from Youth Ministry. South East England encourage children to

share their future professional aspirations and call them by those titles to keep them motivated e.g. Evangelist, Doctor, Biologist, Prime Minister to name but a few. They also had a session on child inventors, and some have already started working on different projects.

Kingdom Music & Dance (KMD) is surely catching on and every province has positively responded to the call of electing a leader. North London managed to hold a KMD launch and invited Pastor Madhoyo. The nation held their first meeting on 6th December and agreed on a plan of action, which encourages coordination (learning the same song across the nation), without restricting the children (options to do a lot of dances). Only meaningful songs with the word of God will be used, children encouraged to compose songs and enter song writing competitions.

Closing Remarks

The diligence of the teachers who faithfully availed themselves is producing great work at every level, with the support of parents and guardians as well. We saw successful and fruitful engagement with every activity, with a lot of the children learning new skills during the lockdown.

We thank God for all the local speakers and our Pastorate who tirelessly support, guide and pray for us.

We thank God for His faithfulness, sufficient grace upon our ministry and look forward to continuing to doing greater exploits in 2021.

GIRLS MINISTRY

We are so thankful to God for the substantial growth we experienced in 2020. Our National Girls Director, the Pastorate, Advisors and girls' leadership worked tirelessly to plan programmes and ensure the functioning of ministry.

We met consistently for services as planned and received teachings ranging from Etiquette, Prayer, Girl Talk, Business and Relationships. The inability to meet physically from lockdown allowed us to adapt and be creative. We appreciate our Girls Media Department, who have been strategic and innovative in promoting virtual methods that attracted attendance and engagement. Numbers increased with every virtual event as an influx of girls from other nations were logging in. Testimonies being received are proof that God is truly transforming lives and are thankful to the God of our father for His faithfulness.

Under the theme "**power of a praying girl**", powerful speakers encouraged us on prayer in June and a closing word by Dr La-Verne Simukai empowered the girl child to rise and serve God wholeheartedly.

We had our first ever virtual Girls Leadership Seminar in August with our International Girls Director, Pastor Ruth Basa, who taught on good leadership, how to connect with ministry through praying for our mother and father. The turn out from the Girls Leaders, Advisors and Pastors was good; unity and prayer are the building blocks for our strength.

We recently had a power-packed conference themed "**Daughters of the Vision: Empowering & Equipping A Girl Child**", inspired by the book "Girls Fellowship" by our father, Archbishop Prof. E.H Gutti. Though intended for the UK, we had delegates from Cyprus, Zimbabwe, New Zealand Africa, Botswana, Russia, Dubai, Oman and Australia, which made it an international e-conference. A great sense of excitement characterised this historical event which was surrounded by a great cloud of witnesses, from Bishops to Pastors. It was a different platform as we experienced the power and presence of God regardless of the Covid-19 global pandemic. We were honoured to have Pastor Joylyn Rusere as conference speaker and witnessed the faithfulness of the God of our father.

As these phenomenal activities bring us to the end of the year, we continue to believe that God is taking our ministry and individual lives to another level. We greatly appreciate the unparalleled support received from our National Girls Director, Pastor Cecilia Zezani, our Pastors, Advisors and parents. We ask you for continued prayers as many girl children are still desiring God to grant them their many desires for His glory.

YOUTH MINISTRY

We are so grateful to God for substantial growth in youth statistics, attendance and participation at all events in 2020. With everything different this year, we still experienced God's move in a new and refreshing way. The zeal, unity and growth currently taking place is the doing of the Lord and is marvellous in our eyes. We thank our father, the Apostle and Servant of God, Dr EH Gutti for his guidance and prayers for our ministry. We also thank God for the shepherds He gave to watch over us, the National Youth Directors Pastors Cals & Ska Manyati who are dedicated to this great work.

At every administrative level, the Advisors work alongside our Directors and Youth Pastors, committed in supporting every youth event operated under the theme of the year "*the love of God through fellowship, breaking of bread and in prayers*". The message declared through the 10 days letter by our father, that "*this year was different, and we need to be strong as never before*", came to pass as the nation came under lockdown from the pandemic. Creative ways of engagement had to be found and our Media Department started streaming live services through our social media handles. People from outside of ministry also joined and gave their lives to Christ, bringing revival and increased youth participation in serving God.

Resurrection Sunday Service

Resurrection Sunday was a major highlight for the year. We organised and live streamed a national service with Bishop Dr JDK Samasuwo as the speaker and partaking of Holy Communion in the comfort of our homes. People are still testifying about this life changing service.

International Youth E-Service

In May, we were privileged to host the first ever international youth service streamed on our national Facebook page. Such international coordination did not only result in the successful service but a masterpiece of a production, a continued celebration of the 60th Diamond Jubilee milestone achievement for the ministry, as well as appreciating the faithfulness of our father to the call on his life.

National Youth E-Conference

Our first ever national life transforming virtual conference was held in August, well attended by both local and international delegates. We were honoured to have international speakers Pastor Michael Dooley and Pastor Alisha Schoen. Their teachings centred around the Kingdom of God, Entrepreneurship & Business, Relationships and Relationship with God; positive feedback and testimonies being received.

National Leadership Training Seminars

In July, we had sessions dedicated to empowering every youth leader at every level. International speakers, local Advisors and former youth members now in leadership were part of these boot camp sessions. Beyond equipping the leaders and preparing them for the work, the delegates were also taught church doctrine and encouraged to invest in the books written by our father. Such training resulted in more committed youth leaders.

Missions: The Unfinished Mandate

The youth engaged in a tremendous way, standing with our father in working Missions, holding weekly services and sharing encouraging testimonies. Through this “giving pillar”, we saw the hand of God as the youth gave cheerfully unto their God and contributed to the phenomenal amount raised as a nation.

Kingdom Wealth Creation

There's a rise in young entrepreneurs and businesspeople through this School of Talents and those who fully engaged understood how working talents is a tool for self-development. All Youth Pastors and Advisors are working tirelessly to ensure that the youth grasp this philosophy, to discover their God-given gifts/talents that open doors for extra flow of income. To God be the glory.

Weddings

Despite the lockdown restrictions, 2020 was a year for marriages and experienced an overflow of graduates to the couple's ministry. God has been faithful in hearing our prayers and fulfilling the desires of the youths in that regard. We continue to be encouraged by our leaders to cling unto the God of our father, to fear God and walk upright. We continue believing for more Godly marriages and weddings.

Closing Remarks & Prayer Requests

Our achievements in this challenging year were made possible through support received from our leaders and most importantly our parents. We appreciate this support and request for continued prayers, for us grow holistically to be a people that fear the Lord and fully committed to the things of God. We very much desire to enjoy the best relationships with our parents, families, leaders and peers.

GO QUICKLY & TELL REPORT

1. Introduction

The National Go Quickly and Tell ministry restructured in November 2019 is chaired by Archbishop Dr Eunor Guti, assisted by Bishop Greater Chikwawawa, Pastor Rumbidzai Makuwere, Pastor Cecilia Zezani and a dynamic team of all lady Overseers. There is also a Steering Committee chaired by Pastor Evelyn Mujuruki which includes provincial representatives. This structure is then replicated at every level from Province to Assembly.

The UK Church encountered various and mixed life experiences like sickness, backslidings, prayerfulness, miracle healing, financial gains and losses. This was as had been prophesied by the Servant & Apostle of God Dr EH Guti, that ***“The year 2020 is different from all other years. We need to be strong as never before; because there are things in the spiritual world that I cannot be able to explain. Except that I encourage everyone to make sure that your relationship with God is right.....”***.

We continued to press forward in small groups, then went virtual after lockdown. Many good things are happening, the ministry becoming stronger as some saints who had backslidden are growing through the spirit of prayer. The Mountain Movers forum is one such powerful national prayer group, headed by Bishop Greater Chikwawawa, who meet every Saturday night to pray for the Servant & Apostles of God, Dr EH Guti and Dr E Guti, and the work at large.

2. Activities Female Pastors' Ten Days Prayer & Fasting Retreat (with Archbishop Dr. Eunor Guti)

This was a Female Pastors International Prayer and Fasting Retreat, camped together with our mother Apostle Dr Eunor Guti from 31st December to 11th January at Ezekiel Guti Convention Centre. The total of 60 pastors in attendance included 20 international delegates; the final day of prayer and cleansing included male pastors in breaking of bread and fellowship. This was indeed by divine appointment to cover the nation as the pandemic was approaching.

Prayer Meetings

Ladies continued to meet virtually for prayer and the spirit of prayer never dampened by the pandemic. Teachings during lockdown by various international speakers including our mother Apostle Dr Eunor Guti were both inspirational and life changing. Up to 200-member strong "Mountain Movers" group meet weekly without fail to pray and also receive teachings. The ladies also engaged in the 21 days of prayer and fasting sessions after which many miracles are being testified.

Thursday Meetings (China)

These teachings continued virtually at all levels through seminars, conferences, High Teas, as well as sharing of testimonies. The light of God is being seen amongst the UK women in the UK and new ladies coming to Christ and becoming members through these powerful teachings on prayer, developing good relations and home practices.

3. Kingdom Wealth Creation

Virtual seminars have been ongoing during lockdown, with remarkable attendance. The results are outstanding, family businesses being started including individual ventures by some women.

4. Kingdom Women Empowerment to Prosperity Conference

The 2-day conference in October 2020 had a markable 484 – 687 gadgets logged in on Zoom. Delegates received a spiritual treat from every speaker, viz DP D Mushore (The Total Woman); Pastor R Makuwere (Personal Development and Prospering Through Prayer); Bishop Prisca Soko (Women Empowerment); Elder Jane Josi (Home Talents); Elder S Chinobva (Inheritance & Will Writing) and Elder P Maminingu (Prospering in Business). It was a conference the UK had never experienced before, inspiring, insightful, with great deliverance and the total woman with her needs being met. The following are some of the highlights from the sessions that leaned heavily on testimonial teaching: -

Being prayerful and fearing God as a true disciple of Jesus Christ, practicing righteousness as a complete woman. How respect brings godliness; knowing how to deal with offenses; self-deliverance and emotional healing.

Spending time with God in His secret place to tap into the vision of self-development, making conscious decisions on achieving what God has purposed.

The link between empowerment and life experience of adversity and limitation; the power of self-identity against despondency and poverty. Understanding today's life, the different marriages under law and their legal implications on family especially after life. The power of obedience to the vision of working

Home Talents in wealth creation. How giving and partnering with God attracts the blessing of the Lord.

For the Saturday closing session, we were graced by the presence of our mother, Apostle Dr E Guti and Dr La-Verne Simukai. Their powerful teachings reminded us of being the backbone and how we can make a difference if we function as such. Raising a godly generation requires us to deal with all ungodly influence and our character. Positive influence from older women will bring restoration in the body of Christ. Great deliverance took place amongst the delegates who were logged in from all over the world. This insightful conference was indeed a great and remarkable experience, closed and blessed by our father, Archbishop Dr Ezekiel H Guti.

5. Strengths

There is a sudden hunger and thirst for prayer and the Word of God. The Love of God is also being demonstrated through kindness, compassion and care for one another, through virtual fellowships and food banks. Through Virtual Meetings, 2-3 women are joining the services, and committing to the meetings on Zoom saying, ***"We didn't know there was something like this happening around!"*** Women as individuals are engaging into viable businesses.

6. Prayer Requests

The believer to understand the importance of praying for the Servants and apostles of God Drs Ezekiel & Eunor Guti and the work of the Ministry.

The believers in the UK to be preserved and protected from the Pandemic; the front-liners and Carers who are the majority of our saints.

The believer to understand the importance of Soul winning and Deborah's' husbands to come to Church and families to grow together.

Pray for the children in FIFM-UK to know their true identity and for the fear of God to prevail, even though they are in the first world.

The spirit of Unity amongst leaders and saints to evolve, causing oneness, sweet fellowship and the awesome presence of God amongst the brethren, as shown to the Servant and Apostle of God through the Theme for 2020.

7. Closing Remarks

Thank you for praying for United Kingdom and remembering it even in this period of Covid-19 and the miracles of healing amongst the saints. We also thank God for Business Empowerment that has caused so many people to prosper in different ways to the glory of God; and partnering with the Servant and Apostles of God in the vision of Soul Winning. Above all, praise and honour be to the God our Father, Ezekiel Guti who has brought us this far and can only exclaim, "Jehovah Ebenezer"

SINGLE LADIES

Introduction

We thank God for sustaining the ministry especially in this challenging pandemic year and allowing us to transition from physical meetings to online platforms. God remembered us as we committed to daily intercession for the Servant and Apostles of God and the work in general. Over first 7 days of each month dedicated to fasting and praying, the same happened in January and March. We are humbled by this powerful vision, imparted upon our father the Apostle and Servant of God.

We extend our sincere gratitude to our National Administrator and Bishops for the commendable moral and spiritual support received in the year. It is unfortunate that the Covid-19 lockdown put on hold the scheduled physical meetings to provinces and regions by our Ministry Pastor A Mandonga to encourage, teach and counsel. By God's grace, Regions and Provinces were able to transition to online platforms for virtual prayers, services and seminars

We appreciate our National Umbrellas and their team of umbrellas, the outgoing National Chairlady T Makore for their great support and dedication to ministry. We welcome the incoming National Board which was elected into office in February, under the leadership of Elder J Mtunzi.

National Activities

We had a successful leadership seminar and fellowship in February 2020, where board members were empowered through the insightful teachings from various speakers.

The God of our father was gracious to us, allowed us to host a 2-day national virtual conference in October, which was one of its own kind. We received powerful and life changing teachings from our International Director C Mhlandhla, Bishop G Mutingwa and Bishop S Msiza. We were taught what makes the ministry grow with emphasis on peace, unity and commitment; were reminded of the vision of the ministry, encouraged to rely on God and never look down on ourselves.

We also witnessed children who had run away being reconciled with their parents through prayer and counselling.

Provincial Programmes

Conferences & Seminars

These were held in various provinces, where vibrant single women, eager to learn and grow in Christ were taught. The ministry received support from the Overseers, who joined other speakers to give teachings on varying topics including power of intercession, dating, grooming and gardening.

Get Together Fellowships

NEP had a fun filled day out, to socialise, fellowship and relax at a Spa Leisure Centre. This was concluded by breaking bread together at a restaurant. Such activities are highly recommended for every province as they bring unity.

Missions

The National Board encouraged working of Missions during April and May, which was successful. We saw the hand of God as the ladies worked with a willing heart, standing with our father in advancing the gospel of Jesus Christ. We were highly favored of God to hear a word of the season from Overseer Catherine Marurama at the closing celebrations.

Kingdom Wealth Creation

Through increased understanding of Home Talents as an act of obedience unto God, many single ladies have grasped the vision, are buying houses and opening businesses.

Thanksgiving National Big Sunday

The final Big Sunday was held on 29th November 2020. Our Executive National Umbrellas shared insightful teachings around God's instruction concerning raising children with wisdom. Emphasis was on good communication, befriending them in love and appreciating them as individuals, as opposed to dwelling in the past.

The ladies were encouraged about the importance of being open, engaging with their relatives and allowing relationships to be healed through forgiveness.

The powerful message touched many hearts, leading the ladies to cry to God for forgiveness and reconciliation with their children. Ending the year on such a high note could only be the doing of the Lord.

Conclusion

There is still room for growth, having more local fellowship meetings that will win ladies from other ethnic backgrounds. We thank the God of our father for taking us this far and look forward to finding better methods of fund raising, in order to respond effectively to the dynamic needs of the ministry.

GRACIOUS WOMEN FELLOWSHIP INTERNATIONAL UK CHAPTER REPORT

Introduction

The first Gracious Women Fellowship (GWF) was formed in the UK in 1985 to equip women with navigation life skills. Its founders and presidents are Apostles Dr Ezekiel H & Dr Eunor Guti. The ministry's operations were not consistent hence the resumption of efforts to resuscitate it. The GWF Core Group Meeting held on 11 July 2020, set the ball rolling.

UK Core Group Meeting - 11 July 2020

Members met to pray for a strong GWF foundation including the board, so that it plays a meaningful role in transforming lives; to also, pray for families and the registration of GWF to operate as a charity organisation. The bigger picture is to empower all women, in-line with the ministry's spirit, which is to minister to every woman at her unique point of need. The formation of groups then becomes the most relevant and appropriate approach in preparation for the coming official launch.

Groups Formation, Names and Objectives

Single Women - 2 Groups

Gracious Pearls (Mature Girls)

Women above the age of 25, not yet married, with no children and gone above the youth stage, have

been meeting weekly to learn the essence of being gracious girls.

b) Gracious Ms Single (Rubies)

Previously married, widowed or divorced and are meeting monthly specifically to pray.

Married Women - 2 Groups

Gracious Young Wives (Sapphires)

Women who have been in marriage for 0-20 years meet weekly.

b) Gracious Gems Women who have been married for 21+ years are meeting alternate Thursdays.

Future Plans

We plan to groom board members and to continue praying for the registration of the ministry as a charity organisation. We prayerfully look forward to the official launch with Husbands Agape.

Conclusion

It is befitting to thank the Founder and President, Apostles Dr Ezekiel H Guti and Dr Eunor Guti, for blessing our nation and allowing Gracious Women Fellowship and the Husbands Agape Fellowship to operate in the UK. Members are already experiencing the fruits of this unique ministry, are confident that prayer and love will make a way for all groups to be established and continue to grow.

Our sincere gratitude goes to our International Director Pastor Idah Chikono and her team, for encouraging and directing us. Our strength is in taking up this mandate as a team and thank you for committing to the growth of this much needed ministry. According to Ezekiel 37:5 "*Surely I cause breath to enter into every family and they live*", thus says the Lord God to the GWF & HUSBANDS AGAPE. We look forward to families being restored and strengthened in every area.

UNITED KINGDOM MULTINATION FOR CHRIST COLLEGE (UKMFCC)

Once again, we thank the God of our father, Professor Dr Ezekiel H Gutu for showing Himself mightily in this challenging but unique year. Overall Summary Report

1. Aug 2019 – October 2020

We witnessed a dynamic shift which embraces diversity and encourages the youth to participate, hence the rise in the number of youth registrations in the year. The online classes are one of the achievements that brought us together with mainland Europe (including the Schengen Region), Belfast & Republic of Ireland. We recorder the highest attendance ever, with students receiving teachings in the comfort of their homes without distance as a barrier.

2. Dr Mbisa's Visit

We were privileged to host the International Co-ordinator for AMFCC Part-time Bible School programme in April 2020; both teachers and students gained tremendously from his profound teachings and wisdom. His passion for the School was witnessed across the nation.

3. Challenges

Impact of Covid-19

The graduation class of 2020 meant to have taken place during the 14th Europe Deeper Life was affected.

Face-to-face interaction with students has been compromised.

However, on a positive note, Schengen Region has been incorporated via online classes. Students have also been allowed flexibility to learn from wherever they are, regardless of differences in working patterns.

4. Director's Desk

We thank the God of our father Apostle Dr Ezekiel H Gutu for yet another successful academic year. We had the Training of Teachers in April and a training session for all Home Cell Group and Sunday Adult

Bible Study teachers in our nations. This was well received by all the provinces, regions and assemblies; participants have demanded more of such trainings to equip and ground the teachers with church doctrine and the Word of God. The School is considering having such trainings every year.

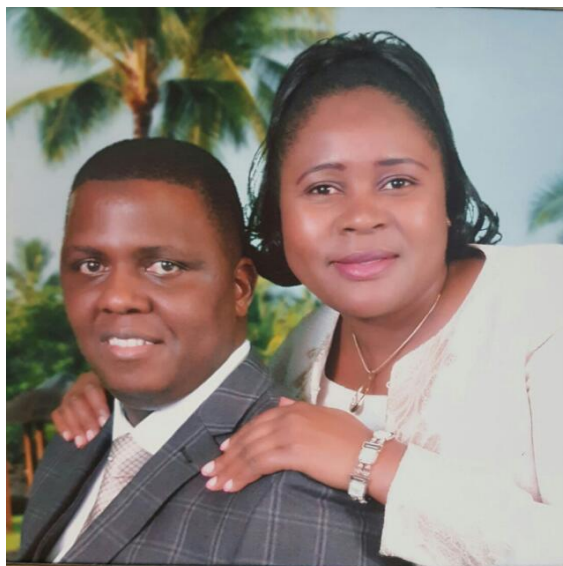

The School continues to upgrade itself, to remain relevant to the emerging generation as it discharges its training mandate to leaders and believers for ministry and service.

We thank God for the School Councillors who continue to volunteer and dedicate their time to the successful running of the School. We thank our father the President and Founder of the college, for his prayers as the bible school extends its presence into mainland Europe.

Conclusion

Despite facing global uncertainty, the school continues to move. We have advanced to meet student needs and the Church at large through delivery of lectures on Microsoft-Teams and Google Meet. As expectations increase, this has been learning ground for both the school and the church, how to rise above the challenges of today's world, seeing positivity instead of negativity to be able to excel. To God be the glory!!

EGEA UK GOSPEL TEAM

Introduction

Praise be unto the God of our father Apostle E.H Gutu who paved a way for the continued preaching of the gospel of Jesus Christ during these unprecedented times and the witnessing of a breakthrough by the team. The following is a summary report covering the activities that have transpired so far, under the great mandate of "Go ye therefore...." (Matthew 28:19).

Activities

1. Meetings & Prayers: The team held several meetings to plan the Evangelistic Crusades and meet every Wednesday for online prayer, from 10pm-10:30pm. The members are always encouraged to spend more time seeking the face of God, then having a week of prayer and fasting preceding every crusade night.

2. Crusades: Online crusades have been scheduled to take place monthly and 3 held so far. so far since it started 3 has been done, 2 were done on zoom only and the 3rd one was on both face book and YouTube. At most, about 140 gargets connected, which is extremely encouraging and the team working hard towards improving the technical area to avoid further challenges with streaming. We believe God will allow us to reach out to many with the good news of the true gospel of Jesus Christ, followed by signs and wonders. The team is working on an effective way of obtaining feedback that will improve overall operations.

3. Testimonies (a few): -

People with various needs are being prayed for and receiving their breakthroughs.

We intend continuing with the monthly crusades, will ensure the dates are well advertised and incorporated in the national calendar. We are believing God for the salvation of many souls, for great deliverance and miracles to happen in the lives of people.

MISSIONS REPORT YEAR 2020 OVERVIEW

THEME: THE UNFINISHED MANDATE: "Go ye therefore and make disciples of all nations...." Matthew 28:19 (NKJV)

£100.00 Contributions

The year started at a high note when we agreed as a nation to work £100.00 each towards Missions. This project was received very well across the nation deadline set for end of January 2020. We worked in regions with some excelling more than others.

Direct Debits & Standing Orders

The first National Council tasked the regional chairing elders to go and encourage their leaders and saints to give maximum support through direct debits and standing orders. All the chairing elders who were present at that meeting were given the Direct Debit forms and we have experienced a notable increase in contributions since then.

June & July- The Unfinished Mandate Project2020

The project was received with much joy and anticipation by the whole nation. Although we were in lockdown and unable to meet physically in our churches, this did not deter the church to excel in working for their God.

To kick start the project, a virtual seminar was held on Saturday 16th May via Zoom. It was graced by Apostle Steve Simukai, who taught powerfully on the importance of Missions. National services with both local and international speakers were held every Wednesdays; regions and assemblies also held their own services and prayer meetings. We witnessed the hand of God in the first few weeks and a significant amount of money was raised in a short space of time, which was a great encouragement for everyone to work tirelessly, believing God for us to reach our national target.

Indeed, the God of our Father is faithful, He allowed us to reach out target of '1 Million British Pounds' plus as a nation. Celebrations were held on Saturday 1st August at the EGCC, unfortunately with only few people present in accordance to the government regulations of social distancing. Nevertheless, we managed to stream the occasion

live for the whole nation via Zoom. We were privileged to have the International Missions Director, Dr D Jaricha. The celebrations went very well and appreciations were done. Our father, Apostle Prof EH Gutu prayed and blessed the nation for working outstandingly.

Progress Update

There has not been any construction works on the site in 2020 except to repair some defects on a few items that had been identified through snagging, on completion of Phase 2A of the project.

During the year several of the defect's liability periods for the contractors' work ended and the money (retention sums) that we were holding back to cover any defects had to be paid to the contractors.

Use of the Facility

Use of the National Centre is being managed by the Ezekiel Guti Conference Centre Management Board, which is separate from the Building Committee.

It was a joy to have our very own mother Apostle Eunor Guti in the National Centre over the 10 days prayer and fasting with the female pastors.

During the early part of the year, the Secondary Hall was being used regularly by the local Forward in Faith church. Unfortunately, the building has not been in use since March, when physical gatherings of churches were stopped due to the Covid-19 pandemic.

Look Ahead to Project Delivery Strategy

As has been reported in previous years, we divided the project into a few phases as follows:

Phase 1 – Construction of Main Auditorium

Demolition of existing structure
Foundation Construction for main auditorium
Drainage construction
Steelwork, Wall cladding and roofing
Floor Slab Construction

Phase 2 – Partitioning & Services Fitting

Internal brickwork and room partitioning
Install Lighting, Heating & Ventilation
Install plumbing
Install Audio & Visual Equipment
Complete other internal fittings & fixtures

Phase 3 – Landscaping

Complete tarmac in parking areas
Paint parking bays
External site finishing and other landscaping

So far we have completed Phase 1 and are about 60% through Phase 2. This was most of the work and it enabled us to obtain the building control approval from Sandwell Council, to use parts of the building from August 2019. As and when funding becomes available, we aim to complete the rest of the project as soon as possible.

Closing Remarks

It is our hope that the Covid-19 restrictions will be lifted soon and that the church will have the funds to enable us to complete the rest of this wonderful project.

We request that you continue to pray for us to work on this project with wisdom and guidance that comes from God.

Our Story so far... Phase 1 Works - Realisation of our vision

Forward in Faith Ministries International was birthed through a divine calling, when God called a young man living in the remote area of Ngeane in Chipinge, Zimbabwe. Ezekiel Handinawangu Gutti was compelled to seek the creator, and although not having access to a preacher or a bible, Ezekiel had experience and encounter with God in which after many days of crying "Creator, if you are there, save my soul," the Lord responded audibly saying "Fear Not, Sin Not."

As God revealed Himself to Ezekiel Gutti, little did anyone imagine that it would result in a ministry that has now reached over 100 nations and states worldwide. FIFMI (also known as ZAOGA in Zimbabwe), is one of the most powerful movements in post-biblical Christianity, changing millions of lives through the vision given by God to founder Archbishop Dr. Ezekiel H. Gutti.

The creation of our Centre

Today the ministry of Forward in Faith is reaching the world in Africa, Europe, Asia, the Middle East, Australia, New Zealand, USA, and the United Kingdom.

And here in the United Kingdom the elders had a vision to create a meeting place for worship and gatherings, to house all members and followers under one roof.

In 2012 the Hainge Road (former steel stockholders) premises was purchased and following consultations with architects and structural engineers the vision was realised in design.

Following successful planning permission being granted Phil Carpenter of Three Seeds Construction Limited was appointed to project manager to oversee the construction of the centre and on the 30th May 2015 works commenced on site with the removal of all asbestos prior to demolition works.

Due to funding the project was broken down into bite size phases to allow the build to commence. Phase 1: demolition of existing building and creation of new building shell. Phase 2a: internal fit-out of main hall, secondary hall and a bank of male & female toilets.

Future phases will see the completion of the centre in full, with a commercial working kitchen, baptism suite, offices, recording/editing studios, shop, foyer and another bank of toilets along with external finishes works to the site.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

FORWARD IN FAITH MINISTRY U.K.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2020

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 29th January 2021 and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

Opinion

We have audited the financial statements of Forward In Faith Ministry U.K. (the 'charity') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

FORWARD IN FAITH MINISTRY U.K.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2020

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 29th January 2021 and signed on its behalf by:

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

Opinion

We have audited the financial statements of Forward In Faith Ministry U.K. (the 'charity') for the year ended 31 March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2020 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
FORWARD IN FAITH MINISTRY U.K.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
