## **TRUSTEES' ANNUAL REPORT For the year ended 31 March 2020**

### **Structure, Governance and management**

The executive Committee is responsible for the general control and management of the charity.

The executive committee meets monthly and is responsible for all decisions taken in relation to running the Mosque and the community facilities and the activities provided by the charity. The day to day management of the Mosque and community facilities and projects are carried out by trustees based in Birmingham .

### **Objectives**

The Objects of the charity are:

- to advance the Islamic religion

AND MUSLIM TEACHING CENTRE**

**Trustee's Report (continued)**

**Financial review**

The charity's source of income is donations received from the community and rental income. Total receipts on ordinary unrestricted funds for the year were £ 99,392, (2019- £101,133)

The charity is grateful for the considerable number of volunteers that assist with its activities

**Risk management**

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the project , and are satisfied that systems are in place to mitigate our exposure to major risks.

**Reserves policy**

The Reserve Fund represents unrestricted funds. The Trustees aim to maintain sufficient reserves so as to give flexibility to cover temporary timing differences for donations received, adequate working capital for core costs and which allow them to respond quickly to the needs of the Charity.

**COVID 19 IMPACT**

As with many organisations, we have been following Government Guidance since March 16<sup>th</sup> 2020 to minimise the risk to the public, our staff, volunteers and members. The impact on revenue will be significant due to the risks and social distancing rules. Revenue from collection boxes will be hit particularly hard since the public have not had opportunity to visit retail shops the boxes exist. The full impact will not be known until Spring 2021 but we estimate about 30% reduction in revenue but could easily be more depending on lockdown easing going forward.

**Going Concern**

Although the disruption caused by Coronavirus and lower expected income, Trustee's are satisfied that the charity will be able to continue its activities possibly at lower scale when it is allowed to reopen. There should also be no impact on charities reserve policy.

The report was approved by the Trustees on 27 January 2021 and signed on their behalf by Safdar Hussain
