Accounting Policies (notes to the accounts):

Accounting Conventions:

The financial statements have been prepared under the historical cost convention.

Tangible Fixed assets

The tangible fixed assets of the trust comprise small items of office equipment and fixtures and fittings in the shop, given the low cost of these items they are written off in the year of purchase.

Debtors amounts falling due after more than one year:

As at the balance sheet date these comprise Rent deposit of £4,700

Taxation:

There are no tax liabilities as at the balance sheet date and nor are any expected to arise.

Depreciation:

As there are no tangible fixed assets there is no depreciation charge.

Debtors: amounts falling due within one year.

As at the balance sheet date there are no debtors

Prepayments:

Prepayments totalled £4,312.50 in respect of rent.

Creditors: Amounts falling due within one year:

As at the balance sheet date there are no creditors.

Stock:

The bulk of the trusts books come from donations and under the usual accounting conventions of valuing at lower of cost or net realisable value these would be valued at zero. Given the extensive book stock now held the trustees felt it was reasonable to revalue the stock at a nominal amount of £1 per book held. The stock figure in the balance sheet reflects this and a revaluation reserve was created. Stock valuation will be assessed annually and any appropriate adjustments made to the reserve.

Called up share capital:

As the company is a company limited by guarantee there is no share capital.

Reserves:

The trusts reserves as at 31st March 2020 are:

Unrestricted funds: £1,152.85

Revaluation reserve: £70,524

Other reserves: £9,012.50

Related party disclosures:

There are no related party disclosures.

The financial statements were approved by the board of Directors on December 27th 2020 and were signed on its behalf by:

In addition work has been undertaken to support the education of displaced persons in Ukraine who are refugees from the Crimea or Eastern Ukraine.

In addition books and learning materials have been supplied to Syrian refugees fleeing the Syrian Civil War.

The project to supply books to those in financial difficulty via food bank distribution points has continued.

Donations of books not suitable for use have been sent for pulping with the money obtained furthering the trusts aims. In this connection the trust is also been licensed as a waste carrier by the Environment agency.

The trust has also continued selling second hand donations other than books and is registered with Kent County Council as a dealer in second hand goods thus enabling the charity to take stands at book fairs, boot fairs and collectors fairs.

The trust also runs a volunteer staffed second hand bookshop with the funds raised going to support its other activities. In addition to this the shop itself makes cheap books accessible to the wider community with prices starting as low as 50p for many children's titles and £1 for adult titles.
