TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

The trustees present their report and financial statements for the year ended 31 March 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)".

Objectives and activities

The charity's objectives are to offer life-changing emotional and practical support to anyone facing pregnancy related challenges.

Alternatives Watford's primary role is a pregnancy crisis and support centre offering pregnancy tests and emotional support to people facing unplanned pregnancy, ante-natal anxiety, miscarriage, post-abortion stress postnatal depression, infertility and still birth. In the past year we have extended our services to include counselling for Birth Trauma. We provide qualified counsellors who meet with the clients on a one-to-one basis offering unbiased, confidential support. All sessions are offered free of charge however we actively invite clients to make a donation per session based on a sliding scale of income.

The Baby Box project received some funding from Hertfordshire Community Housing and individual people . We have given over 180 filled Baby Boxes to families in need.

In October, 2019 we opened our second Mother & Baby Shop and pregnancy crisis centre in Hemel Hempstead following enough successful grant applications for this project. Two part-time shop managers were employed and the admin and management of the second shop is undertaken by current staff and the CEO.

Both shops are working well and are served by great volunteers who give of their time and skills willingly. The income from our mother & Baby charity shops provides circa 65-70% of our required income.

We also engage in fundraising activities such as quiz nights and barn dances throughout the year along with team building and training for staff and volunteers. Some of our supporters raise money on our behalf by entering sporting events and challenges such as the London Marathon.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake and our mission statement was clearly defined to help us see where new activities fit into our aims and objectives.

The charity is grateful to the dedicated staff, volunteers and supporters who each play a vital role in the work that we do.

Achievements and performance

During the course of the year the charity engaged with clients over 400 counselling hours for pregnancy-related challenges.

We have engaged in numerous fundraising events, fete's community and speaking engagements in our local community and offer work-experience and Duke of Edinburgh placements to students .

ALTERNATIVES WATFORD

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

Financial review

The financial results are set out in the following statement of financial activities. The year ended 31 March 2020 shows a net deficit on unrestricted funds amounting to £2,991 (2019 - deficit of £1,084) giving the charity carry forward an unrestricted reserve surplus of £46,632 (2019 - £49,623) to be used in furtherance of its charitable objects.

The trustees are aware that additional sources of funding are required to cover the core costs of the charity to ensure that services are maintained and will make every effort to increase funding in order to secure a sustainable future.

With the continued success of the shop, the charity maintains a stable financial position, able to meet it's obligations and plan for growth in the future meeting the increased demands for counselling support.

The trustees consider it prudent to maintain unrestricted reserves equivalent to three – six months of operating costs approx. £42,000, in a general fund. This level offers the charity the capacity to manage unforeseen financial difficulties to beneficiaries, funders and the public. This includes – but is not limited to – the cost of continuing to employ counsellors in the short term, while any counselling programmes are concluded.

Under the charity's governing document, the charity has the power to make any investment that the Trustees see fit.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. These are reviewed regularly.

As we draw a close on this financial year a global pandemic has begun which has resulted in the temporary closure of both shops and our baby box project due to the government restrictions and lockdown.

Counselling will continue to take place via phone and video link where possible.

We are accessing the governments furlough scheme and all staff except the CEO have been placed on furlough leave until further notice. We will be looking into grants and government help going forward in order to survive. We acknowledge that we have some reserves and will continue to monitor the situation as it unfolds.

The CEO will work from home to maintain the charity and apply for grants during lockdown.

Strategic report

The description under the headings "Achievements and performance" and "Financial review" meets the company law requirements for the trustees to present a strategic report.

Structure, governance and management

The charity is a company limited by guarantee, which was incorporated on 8th October 2002.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

ALTERNATIVES WATFORD

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2020

The process of identifying new trustees tends to be by word of mouth. When a need arises the choice of trustee is often determined by identifying specific skill gaps. The individual would normally be approached by the Chair and invited to meet trustees at a management meeting following which the trustees would decide whether or not it would be appropriate to offer the appointment.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The Charity is overseen by a board of trustees who meet regularly at Trustees and Management Committee meetings. The Charity is managed on a day to day basis by Angela Such, we employ a part time administrator and 4 part time shop managers. We have a team of approximately 15 volunteers.

The trustees' report was approved by the Board of Trustees.

ALTERNATIVES WATFORD

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2020

The trustees, who are also the directors of Alternatives Watford for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ALTERNATIVES WATFORD

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF ALTERNATIVES WATFORD

I report to the trustees on my examination of the financial statements of Alternatives Watford (the charity) for the year ended 31 March 2020.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

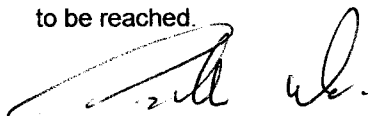

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2020.

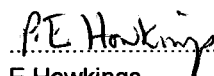

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the Trustees on 06/10/20

ALTERNATIVES WATFORD

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

Charity information

Alternatives Watford is a private company limited by guarantee incorporated in England and Wales. The registered office is 15 Clarendon Road, Watford, Hertfordshire, WD17 1JR.

1.1 Accounting convention

These accounts have been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)".

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved applying "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)" rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

As at 31 December 2019 China had alerted the World Health Organisation (WHO) of several cases of an unusual form of pneumonia in Wuhan. Substantive information about what has now been identified as Coronavirus (or COVID-19) came to light in early 2020.

In the opinion of the Trustees, despite the potential effects of the COVID-19 outbreak, it is nonetheless considered that the Going Concern basis of the preparation of the financial statements remains appropriate. Similarly, in the opinion of the Trustees, no adjustments are required to the results or carrying values of assets or liabilities declared in these financial statements, and none have been made.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

ALTERNATIVES WATFORD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

The value of services provided by the volunteers are not included in the Statement of Financial Activities.

1.5 Expenditure

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit or independent examination fees and costs linked to the strategic management of the charity.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and machinery	25% on cost
---------------------	-------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

A subsidiary is an entity controlled by the charity. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

ALTERNATIVES WATFORD

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
