In planning the activities of LMC for the year the CC understands the formal requirement to ensure the Charity Commission Guidance on the advancement of religion is considered. In particular the Church Council following our guiding principle of Open to Lesus, Open to People seeks to enable the public and in particular those who live in our neighbourhood to live out their faith as part of our church community through:

Comments specific to 2019 - 2020

During this Financial Year, Lindley Methodist Church as with many Charities suffered due to the outbreak of Covid-19.

This has had a negative impact financially due to reduced income both from the letting out of rooms within the Church Centre, however, the year end result whilst showing a large deficitly could have been much higher if some Groups has not re-started and also the fact that a number of people contributed overland above normal regular giving to the Church.

Whilst the Church has been able to maintain its commitments; there has been an impact onnits

A number of Groups who use the Church have re-started lincluding the "Outlof School Group" and the "Summer Holiday. Club" (which do not normally use the building, but wanted a location where they, could have sole occupancy)...

Regular Worship has been disruptediand the Church has not held Services in the building since March 2020. Whilsting plan Worship has continued using Zoom technology and numbers has been high, it is clear than some members of the regular Congregation has not been able to take partiin Services due to lack of technology on know how.

Many People have been contacted using phone or other means, to ensure that they have someone to speak to and also to ensure that they do not have any practical needs.

A number of regular groups have continued to meet using Zoom, however, for some—Walking Group, Exercise Group—this has not been possible for the majority of the period since March 2020. The Zoom meetings have been a major benefit however, this does not make up for regular meeting, worship and discussion face to face.

Lindley Methodist Church has continued to be active in many ways during this period and has taken the opportunity to begin the process of re-assessing its future and how it may best work towards its key Vision to ensure it meets the needs of people who live and Worship in the community.

Risk Management:

The major risks have been identified and recorded by the Trustees with professional advice taken as required. There is a regular annual review process undertaken and recorded.

Income and Expenditure is being monitored intotal and is compared with the approved annual budget on a half yearly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding:

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- The care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- The safeguarding and protection offall children, young people and adults when they are vulnerable
- The establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastonal care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child; young person or vulnerable adult.
- In all these principles we willifollow legislation, guidance and recognised good practice.

Reserves Policy:

The Reserves Policy for the Church is to hold a minimum sum equivalent to 6-months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on the church building and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full expenses including the assessment payable to the Circuit.

3. Accounting policies

Masis :

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accounts basis to show a true and fairiview of the Church's financial position and activities.

lucome

Income is included in the Statement of Financial Activities (SOEA) when the Church becomes entitled to the resources, and the trustees are reasonably certain they will beceive the resources; and the monetary value can be measured with sufficient reliability.

Eigenditure

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Churchifrom its own funds are recognised in full authoritine of agreement or when the Church accepts that there is a legallor operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms:

TAY

Since the Church is not VATIregistered, all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Church

These are capitalised if they can be used for more than one year, and individually cost at least £1,000.
