Accounts

		Income	Payments
22.01.20	Mauld Elkington Trust	£1,000.00	
29.01.20	SNYE funds carried forward from BCDT	£1,576.56	
13.03.20	Towcester town council	£9,130.72	
	Total	£11,707.28	

As you can see from our accounts, we have had 3 income streams for the financial year 2019/2020. Brackley community development team transferred over funds that they were holding whilst we set up our bank account. Towcester Town Council gave us funds to increase youth provision in Towcester and work alongside existing youth clubs. The Mauld Elkington Trust also gave us funds to provide youth activities in the South Northants area.

No money was spent in this time because once we got the bank account open the pandemic started and we had to hold off planning any youth activities and play days to comply with government guidelines. In that time, we have been working hard as trustees to write bids for more funding for the next financial year.
