STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The Trustees are ultimately responsible for the day to day management of the charity, which is administered through the Committee of Management as per the charity's Governing document.

Related parties

The charity lets part of the premises to the Binstead Community Association Social Club, an unincorporated entity, which has common management. The Social Club donates surpluses to the charity.

Risk management

The Management Committee has conducted its own review of the major risks to which the charity is exposed and systems have been established to mitigate those risks. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects which are in place to ensure consistent quality of delivery for all operational aspects of the charitable company. These procedures are periodically to ensure that they still meet the needs of the charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objectives and aims are to promote the benefit of the inhabitants of the Isle of Wight in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities. The trustees refer to public benefit throughout this report.

Significant activities

During the year the charity has continued to provide facilities and education in the interest of social welfare for recreation and leisure-time occupation for local residents.

This has been achieved through letting the Association's facilities to other local charities and organisations without charge or for only a small hourly charge.

The Association also lets out its facilities to local residents for special events such as birthday parties, wedding anniversary parties and engagement parties.

FINANCIAL REVIEW

Reserves policy

The trustee directors consider that an appropriate level of reserves to be held would be six months operating costs. This would allow the trustee directors to continue operating the charity in the event of a decrease in beneficiaries using the Community Centre and would also ensure any significant repair or refurbishment could be completed without impacting adversely on the charitable company's activities.

At the balance sheet date the charitable company had free reserves well in excess of six months operating costs and the trustee directors are considering ways to bring the level of free reserves down to the policy level. The trustee directors are operating the company at a deficit at the present time as they have chosen not to pass on increases in operating expenditure to its beneficiaries.

Investment policy and objectives

The Management Committee has considered the most appropriate policy for investing funds and has found that specialised unit trusts, designed for the charity sector, meets their requirements to generate both income and capital growth. The Management Committee consider the return on investments to be satisfactory.

During the year extensive repairs and renovations have been carried out.

Bookings for the hire of the premises have decreased during the year

The Committee will be looking for ways and means of increasing the income of the centre which may include a review of the hire charges of both the halls and also an increase of the membership fees.

FUTURE DEVELOPMENTS

The charity aims to continue to provide facilities and recreational activities for the local community.

Approved by order of the board of trustees on 160. FEB 2021 and signed on its behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BINSTEAD COMMUNITY ASSOCIATION LIMITED

I report on the accounts for the period 1st April 2019 to 31st March 2020 set out on pages five to fourteen.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also directors for the purposes of company law) are for the preparation of the accounts. The charity's trustees consider that an audit is not required for the period (under Section 144 (2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission under Section 145 (5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not require all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a ' true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE YEAR ENDED 31ST MARCH 2020

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Companies Act 2006 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Incoming resources

Voluntary income including donations, gifts and legacies and grants that provide core funding or are of a general nature are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when:

- the donor specifies that the grant or donation must only be used in future accounting periods ; or
- the donor has imposed conditions which must be met before the charity has unconditional entitlement

Investment income is recognised on a receivable basis.

Income from charitable activities includes income received under contract or where entitlement to grant funding subject to specific conditions is recognised as earned (as related to goods and services are provided). Grant income included in this category provides funding to support activities and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Volunteers and donated services

The value of services provided by volunteers is not incorporated into these financial statements.

Where goods or services are provided to the charity as a donation that would normally be purchased from suppliers, this contribution is included in the financial statements at an estimate based on the value of the contribution to the charity.

Resources expended

Expenditure is recognised when a liability is incurred. Contractual arrangements are recognised as goods or services are supplied.

- Costs of generating funds are those costs incurred in attracting voluntary income.
- Charitable activities include expenditure associated with providing services to the charity's beneficiaries and include both the direct costs and support costs relating to those activities.
- Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.
- Support costs include central functions and have been allocated to activities on a basis consistent with the use of resources.

Irrecoverable VAT

All resources expended are classified under activity under activity headings that aggregate all costs related to the category. Irrecoverable VAT is charged against the category of resources expended for which it was incurred.
